Governor Gavin Newsom has issued a mandatory stay at home order to protect the health of all Californians and slow the spread of the novel coronavirus (COVID-19) to the maximum extent possible. Residents must stay home, especially vulnerable populations, unless you are leaving home to get food, care for others, access necessary health care, or go to an essential job. Outdoor exercise activities are allowed if you are not in a group and following social distancing guidelines. All non-essential businesses must close. Call Code Enforcement or visit Fresno.gov to see which businesses can stay open. For more information on Governor Newsom’s Executive Order, please visit covid19.ca.gov.

ALL SCHOOLS CLOSED until April 20th. FREE Breakfast & Lunch pick-ups available.
