Mr. Enrique Mendez
Project Coordinator
Successor Agency to the Redevelopment Agency of the City of Fresno
2344 Tulare Street, Suite 200
Fresno, CA 93721

Dear Mr. Mendez:

In accordance with your request, I have personally inspected and carefully appraised the industrial land located at the southwest corner of E. Shields Avenue and N. Winery Avenue, directly south of the Fresno Yosemite International Airport, within the eastern sector of Fresno, California. The subject is identified by the address of **4898 E. Shields Avenue, Fresno**, and the property is also identified as **Fresno County APNs 494-081-13T and 14T**. The subject consists of two adjacent, rectangular-shaped parcels containing 43,560 and 7,764 square feet for a combined size of 51,324 square feet or 1.18-acres. The property is owned by the City of Fresno and this appraisal is being prepared to assist the owner/client in establishing a price for marketing purposes.

You have requested the “as is” market value of the fee simple estate. The subject site is vacant land that is not encumbered by a lease, so determining the market value of the unencumbered fee simple estate is reasonable and appropriate. The “as is” market value will be determined as of March 9, 2016, the date of inspection. The appraisal report has been prepared as of August 18, 2014, the date the appraiser signed the appraisal report.

After considering the most appropriate market data and based on the facts and conclusions contained within this report, it is my opinion that, as of March 9, 2016, the subject property had the following market values:

Market Value As Is – APNs 494-081-13T and 14T	
Fee Simple Estate – March 9, 2016	\$167,000.00

The following APPRAISAL REPORT is intended to comply with the reporting requirements as set forth under standards rule 2-2 of the Uniform Standards of Professional Appraisal Practice (USPAP) and FIRREA. It contains a description of the property being appraised; a discussion of the market in which the property is located; the appraiser’s opinion of the highest and best use; the market date used in the valuation of the property; and the appraiser’s analysis, opinions and conclusions of value. The appraisal is also written to conform to the reporting requirements of the client.

The undersigned appraiser declares that he has the ability and is competent to appraise the subject by reason of prior experience appraising other industrial properties in the general market. The appraiser declares that he has performed prior services on the subject property, including an appraisal and report, in August 2014, which was also prepared for the City of Fresno, the current client.

This appraisal is made subject to the Underlying and Limiting Conditions found at the beginning of the addenda section of the report. The right to photocopy all or part of this appraisal is prohibited, unless prior arrangements have been made with the appraiser.

Thank you for this appraisal assignment. If you have any questions concerning the contents of the appraisal report, please feel free to contact me.

Sincerely,

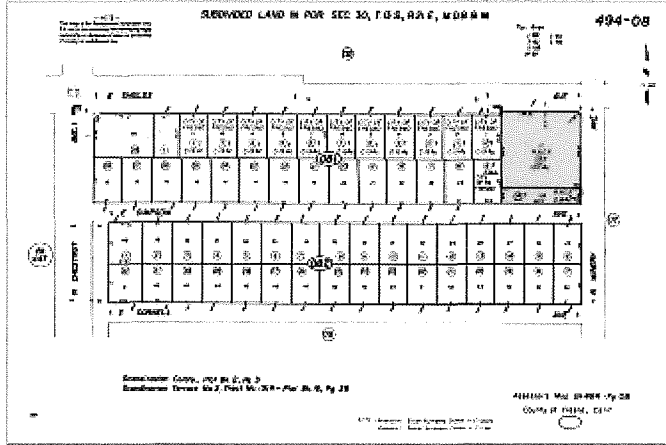

Thomas W. Austin, MAI
