To Whom It May Concern:

As the Master Developer for Fulton Mall and Downtown Fresno, we would like to submit this letter of intent to purchase the property located at 721 Broadway Ave Fresno, CA 93721. We see that you have a completed appraisal showing a value of \$240,000. We would be happy to offer \$240,000. However, given the proximity of this parcel to our neighboring projects we would like to submit an offer that would be \$10,000 over your highest offer that you receive for this property.

Our projects that are located Downtown include the South Stadium section of the Fulton Mall on Fulton and Inyo, where we will be creating the Fresno Public Market, as well as a 3-4 story housing structure with retail on the bottom directly across from it that will look into Chuckchansi Park. We also control all parcels on H Street between Inyo and Mono, located directly behind your parcel. That project will consist of another 4 story housing complex with retail on the bottom, an entertainment hub complete with a bowling alley, pool tables, shipping container restaurants, and a party in the alley directly behind it filled with more shipping container bars and restaurants. One of the warehouses will also be turned into an office environment with shipping containers acting as separate offices for different companies to rent.

With all of our projects going on Downtown and at the South end of the Fulton Mall, it would only make sense for us to purchase 721 Broadway Ave in order to have control over it and to develop it accordingly. We thank you for your time and consideration for this purchase. If you require anything further from us to move forward with the purchase of this parcel please contact us immediately. If you have any questions, please contact our office staff at the phone number listed below.

Sincerely,

X

Subject: 721 Broadway Street

Re: Offer To Purchase

Ms. Murphy,

The purpose of this correspondence is to express interest and show intent to purchase 721 Broadway Street, Fresno CA. I have read the provided appraisal report by Tiffany Mach dated 9/9/14 and agree with the valuation. I would like to offer the full purchase price of \$240,000 for the entire property.

The Broadway property is located two doors down from a building that I purchased in 2011 to house my construction and manufacturing companies. We have made significant improvements to our current property that has drastically improved the aesthetic of the neighborhood. Additionally, our companies have also seen recent growth and could use additional space for offices. Downtown Fresno has significant challenges with respect to growth and expansion of our operations, but we are committed to downtown and want to find a way to grow without moving out of the area. Your Broadway space would provide that opportunity. Our plan would be to remodel the interior of the building and make façade improvements prior to moving in just as we did at 745 Broadway and 1830 Inyo. Once construction is complete, we would move our main office operations over to 721 Broadway. Parking could be a challenge, but if we are able to reach an agreement, I will pursue long term parking agreements with some adjacent property owners or with the City of Fresno Parking Div.

Should an agreement be reached, I would like to reserve my ability to complete a due diligence review of the property before closing. This could include, basic environmental, structural integrity, and basic right of title.

Thank you again for your time and consideration. Please call if you have any questions or if I have not included any key pieces of information that is necessary to process this request.

Proposal for Purchase

Marlene:

I would like to submit my offer for the purchase of the property at 721 Broadway for the sum of \$300,000. The offer is contingent upon my general review of the property for structural integrity and serviceability. I have reviewed the phase I environmental report and am satisfied with the contents.

The offer would be to receive the building as is pending item noted above, namely structural integrity of walls and roof.

I have available funds secured and would not require financing from a third party.
