AGENCY BRIEFING REPORT

Date: August 24, 2016
To: Oversight Board Members
From: Andrew Sanchez
Through: Marlene Murphey
Subject: Agenda Item VIII. – 5.

- **PROPERTY:** LRPMP #22 is approximately 0.06 acres located at 1438 Ventura (APN 467-085-17T). The property was appraised in August 2014 for \$10,500.
- **BACKGROUND:** Updated appraisals were obtained for parcels with value above \$30,000. Environmental Assessments were obtained pursuant to the Property Disposition Guidelines (PDG). On March 15, 2016 the property was listed on LoopNet.com, the leading online commercial real estate marketing website. The Open Market Solicitation method A was used. Also, by March 15, 2016 a freestanding highly visible billboard sign was placed on the site. On June 8, 2016 the Board directed that the property be marketed through Method C: Auction. On June 9, 2016 the LoopNet listing was revised to reflect the auction process. Sealed Bids were due by 5:00 PM July 26, 2016. As of that date, the property had been listed on LoopNet and had highly visible on-site signage for approximately 135 days (85 days as Open Market Solicitation, 50 days as Auction). The Successor Agency's website also provided information including the PDG and Long Range Property Management Plan (LRPMP). The properties were posted in the local newspaper once a week for six

successive weeks prior to the July auction date. The notice identified bid submission time and place and the time and place of the auction. As of July 20, 2016, the Agency had responded to over two hundred inquiries on all properties including those in the current group of properties. The meeting of July 27, 2016 was adjourned to August 24, 2016. An updated notice (see attached) was then posted in the local newspaper weekly for four consecutive weeks which identified the new auction meeting time and place. On July 15, 2016 an email was sent to area commercial real estate brokers that provided the newspaper auction listing including a link to the Agency website, the LoopNet listing of all Agency property for sale and links to the individual properties to be auctioned on July 27, 2016. In addition, on July 15, 2016 the Agency sent to all interested parties a courtesy email notice identical to that sent to area brokers as described. Subsequently, on July 22, 2016 a courtesy reminder was sent to all area brokers and all interested parties. Additional email notifications were sent out on August 12, 2016 and August 19, 2016.

Mr. Enrique Mendez
Project Coordinator
Successor Agency to the Redevelopment Agency of the City of Fresno
2344 Tulare Street, Suite 200
Fresno, CA 93721

Dear Mr. Mendez:

In accordance with your request, I have personally inspected and carefully appraised the vacant commercial land located on the **South side of Ventura, west of “F” Street, in Fresno, California**. The subject consists of a single parcel that is rectangular in shape and contains 2,812 square feet. The subject has a historical address of 1438 Ventura Street, Fresno, and the property is also identified as **Fresno County APN 467-085-17T**. The property is owned by the City of Fresno and this appraisal is being prepared to assist the owner/client in establishing a price for marketing purposes.

You have requested the “as is” market value of the leased fee estate, as encumbered by an annual billboard sign lease. Even though the billboard has minimal, if any, contributing value, the lease still encumbers the property, and determining the market value of the leased fee estate is reasonable and appropriate. The “as is” market value will be determined as of August 8, 2014, the date of inspection. The appraisal report has been prepared as of August 18, 2014, the date the appraiser signed the appraisal report.

After considering the most appropriate market data and based on the facts and conclusions contained within this report, it is my opinion that, as of August 8, 2014, the subject property had the following market value:

Market Value As Is – Vacant Commercial Land	
Leased Fee Estate – August 8, 2014	\$10,500.00

The following APPRAISAL REPORT is intended to comply with the reporting requirements as set forth under standards rule 2-2 of the Uniform Standards of Professional Appraisal Practice (USPAP) and FIRREA. It contains a description of the property being appraised; a discussion of the market in which the property is located; the appraiser’s opinion of the highest and best use; the market date used in the valuation of the property; and the appraiser’s analysis, opinions and conclusions of value. The appraisal is also written to conform to the reporting requirements of the client.

The undersigned appraiser declares that he has the ability and is competent to appraise the subject by reason of prior experience appraising other commercial properties in the general market. The appraiser declares that he has not performed any services, as an appraiser or in any other capacity, regarding the property that is the subject of this report during the 3-year period immediately preceding acceptance of this assignment.

This appraisal is made subject to the Underlying and Limiting Conditions found at the beginning of the addenda section of the report. The right to photocopy all or part of this appraisal is prohibited, unless prior arrangements have been made with the appraiser.

Thank you for this appraisal assignment. If you have any questions concerning the contents of the appraisal report, please feel free to contact me.

Sincerely,

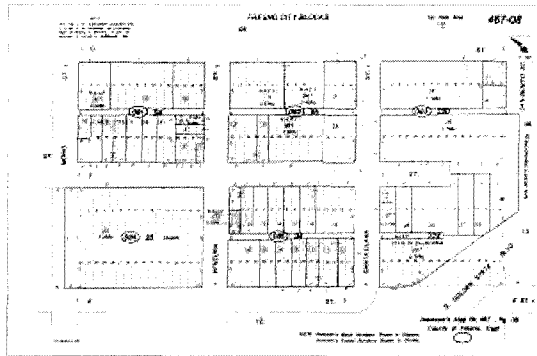

Thomas W. Austin, MAI
