Each 2003 Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless it is authenticated after a Record Date and on or before the following Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before January 15, 2004, in which event it shall bear interest from September 17, 2003; provided, however, if at the time of authentication interest is in default, the 2003 Bond shall bear interest from the Interest Payment Date to or for which interest has been paid or provided.

The principal of and premium, if any, on the 2003 Bonds shall be payable upon presentation and surrender of such 2003 Bonds at maturity or earlier redemption at the Corporate Trust Office of the Trustee. Any interest not paid when due or duly provided for shall forthwith cease to be payable to the registered Owner as of the Record Date immediately preceding the applicable Interest Payment Date

and shall be paid to the person in whose name the 2003 Bond is registered as of the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee. The Trustee shall give notice of such special record date to the Owner not less than 10 days prior thereto.

Section 2.03. Form of 2003 Bonds. The 2003 Bonds, the form of Trustee's certificate of authentication, and assignments to appear thereon, shall be substantially in the form set forth on Exhibit A hereto, with necessary or appropriate variations, omissions and insertions as permitted or required by this Indenture.

Section 2.04. Execution of Bonds. The Bonds shall be executed on behalf of the Agency by the manual or facsimile signatures of its Chairman and Ex-Officio Clerk who are in office on the date of adoption of this Indenture or at any time thereafter, and the seal of the Agency shall be impressed, imprinted or reproduced by facsimile thereon. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the purchaser. Any Bond may be signed and attested on behalf of the Agency by such persons as at the actual date of the execution of such Bond shall be the proper officers of the Agency although at the nominal date of such Bond any such person shall not have been such officer of the Agency.

Only such Bonds as shall bear thereon a certificate of authentication in the form hereinbefore recited, manually executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee shall be conclusive evidence that the Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Indenture.

Section 2.05. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the registration books kept by the Trustee for such purpose, by the person in whose name it is registered in person or by his duly authorized attorney upon surrender of such Bond for cancellation accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee duly executed.

Whenever any Bond or Bonds shall be surrendered for transfer the Agency shall execute and the Trustee shall deliver a new Bond or Bonds for like aggregate principal amount of authorized denominations and of the same series and maturity. The Trustee shall require the Owner requesting such registration of transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Agency.

No transfers of Bonds shall be required to be made (i) during the period fifteen days prior to the date established by the Trustee for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Section 2.06. Exchange of Bonds. Bonds may be exchanged at the Corporate Trust Office of the Trustee, for a like aggregate principal amount of Bonds of authorized denominations and of the same series and maturity. The Trustee shall require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The cost

of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the Agency.

No exchanges of Bonds shall be required to be made (i) during the period fifteen days prior to the date established by the Trustee for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Section 2.07. Bond Register. The Trustee will keep or cause to be kept, at its Corporate Trust Office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Agency during normal business hours upon reasonable notice; and upon presentation for such purpose the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books Bonds as hereinbefore provided.

Section 2.08. Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Agency, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Agency upon the same conditions and in substantially the same manner as the definitive Bonds. If the Agency issues temporary Bonds it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds may be surrendered, for cancellation in exchange therefor at the Corporate Trust Office of the Trustee, and the Trustee shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations and of the same series and maturity or maturities. Until so exchanged the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.09. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated the Agency, at the expense of the Owner of said Bond, shall execute and the Trustee shall thereupon deliver a new Bond of like series, tenor and principal amount in exchange and substitution for the Bond so mutilated but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Agency and the Trustee and, if such evidence be satisfactory to both and indemnity satisfactory to them shall be given, the Agency, at the expense of the Owner, shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like series, tenor and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen. The Agency may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Agency whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.10. Cancellation of Bonds. All Bonds properly surrendered to the Trustee for payment upon maturity or for redemption shall upon payment therefor or redemption thereof be cancelled immediately as more particularly provided in Section 10.06 hereof.

Section 2.11. CUSIP Numbers. "CUSIP" identification numbers shall be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the Agency to use such CUSIP numbers in any notice to Owners shall not constitute an Event of Default or any violation of the Agency's contract with such Owners and shall not impair the effectiveness of any such notice.

Section 2.12. Book-Entry Bonds.

(a) The Bonds shall be initially issued in the form of a single, separate fully registered Bond (which may be typewritten) in the full aggregate principal amount for each maturity of the Bonds, and upon initial issuance, the ownership of such Bonds shall be registered in the Bond register in the name of Cede & Co., as nominee of DTC, the initial Book-Entry Depository. Except as provided in the immediately preceding sentence or in subsection (e) of this Section, all of the Bonds shall be registered in the Bond register in the name of Cede & Co., or such other nominee of DTC or any successor Book-Entry Depository or the nominee thereof, as shall be specified pursuant to the applicable Representation Letter.

(b) With respect to Bonds registered in the Bond register in the name of the Book-Entry Depository, or its nominee, the Agency and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Agency and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Book-Entry Depository, the nominee of the Book-Entry Depository or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond register, of any notice with respect to the Bonds, or (iii) the payment to any Participant or any other person, other than an Owner as shown in the Bond register, of any amount with respect to principal of or interest on the Bonds. The Agency and the Trustee may treat and consider the person in whose name each Bond is registered in the Bond register as the Owner and absolute owner of such Bond for the purpose of payment of principal and interest on such Bond and for all other purposes whatsoever.

(c) The Trustee shall pay all principal of and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Bond register on the applicable Record Date, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the obligations with respect to the payment of principal of and interest on the Bonds under this Indenture and the Bonds to the extent of the sums so paid. Upon delivery by the Book-Entry Depository to the Agency of written notice to the effect that the Book-Entry Depository has determined to substitute a new nominee in place of the incumbent nominee, and subject to the provisions herein with respect to Record Dates, the word nominee in this Indenture shall refer to such new nominee of the Book-Entry Depository.

(d) In order to qualify the Bonds for the Book-Entry Depository's book-entry system, the Executive Director of the Agency is hereby authorized to execute and deliver on behalf of the Agency to the Book-Entry Depository a Representation Letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of the Representation Letter shall not in any way limit the provisions of subsection (b) of this Section or in any other way impose upon the Agency any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners as shown in the Bond register. In addition to the execution and delivery of the Representation Letter, the officers of the Agency, and their authorized representatives, each are hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for each Book-Entry Depository's book-entry program.

(e) In the event (i) the incumbent Book-Entry Depository determines not to continue to act as Book-Entry Depository for the Bonds, or (ii) the Agency determines that the incumbent Book-Entry Depository shall no longer so act, and delivers a written certificate to the incumbent Book-Entry Depository to that effect, then the Agency will discontinue the book-entry system for the Bonds with the incumbent Book-Entry Depository. If the Agency determines to replace the incumbent Book-Entry Depository with another qualified Book-Entry Depository, the Agency shall prepare or direct the preparation of and execute, and the Trustee shall authenticate and deliver, a new single, separate fully registered bond (which may be typewritten) for the aggregate outstanding principal amount for each maturity of the Bonds held by the incumbent Book-Entry Depository, registered in the name of such successor or substitute qualified Book-Entry Depository or its nominee, or make such other arrangement acceptable to the Agency and the successor Book-Entry Depository as are not inconsistent with the terms of this Indenture. If the Agency fails to identify another qualified successor Book-Entry Depository to replace the incumbent Book-Entry Depository, then the Bonds shall no longer be restricted to being registered in the Bond register in the name of the Book-Entry Depository or its nominee, but shall be registered in whatever name or names the Book-Entry Depository or its nominee shall designate. In such event the Agency shall prepare or direct the preparation of and execute, and the Trustee shall authenticate and deliver to the Owners thereof, such Bonds as are necessary to carry out the transfers and exchanges provided in this Indenture. All such Bonds shall be in fully registered form in denominations authorized hereunder.

(f) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Book-Entry Depository or its nominee, all notices and payments with respect to principal of and interest on such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Book-Entry Depository.

ARTICLE III
APPLICATION OF PROCEEDS OF 2003 BONDS;
REDEVELOPMENT FUND; AND ESCROW FUND

Section 3.01. Application of Proceeds of the 2003 Bonds and Other Amounts.

A. The net proceeds from the sale of the 2003 Bonds, being the amount of \$4,883,056.95 shall be paid to the Trustee who shall forthwith set aside, pay over and deposit such proceeds as follows:

(1) Deposit the amount of \$442,843.76 in the 2003 Bonds Reserve Subaccount of the Reserve Account;

(2) Deposit the amount of \$74,653.89 in the Costs of Issuance Fund; and

(3) Deposit the remaining amount of \$4,365,559.30 to the Escrow Fund to be used as directed by the Agency to redeem the Prior Bonds.

B. On the Closing Date, the Trustee will receive from the Prior Trustee all funds (over \$397,000) remaining in the 1993 Redevelopment Fund established under the Prior Trust Agreement and shall deposit such amount to the Redevelopment Fund established under Section 3.04 hereof.

C. The Trustee may establish a temporary fund or account to facilitate such deposits and transfers.

Section 3.02. Costs of Issuance Fund. There is hereby established a separate fund to be known as the "Costs of Issuance Fund," which shall be held by the Trustee in trust. The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance upon submission of a Written Request of the Agency stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Request of the Agency shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. On the date six months following the Closing Date, or upon the earlier Written Request of the Agency stating that all known Costs of Issuance have been paid, all amounts, if any, remaining in the Costs of Issuance Fund shall be withdrawn therefrom by the Trustee and transferred to the Agency to be applied for lawful redevelopment purposes.

Section 3.03. Escrow Fund. There is hereby established a separate fund to be known as the "Escrow Fund," which shall be held by the Trustee in trust. Moneys in the Escrow Fund will be applied by the Trustee on the Closing Date to redeem the Prior Bonds as more particularly set forth in the written instructions of the Agency delivered to the Trustee on the Closing Date.

Section 3.04. Redevelopment Fund. The Trustee shall establish and maintain a separate fund to be known as the "Mariposa Redevelopment Fund," which shall be held by the Trustee. Except as provided in this section, the moneys set aside and placed in the Redevelopment Fund shall remain therein until used by the Agency in accordance with the provisions of this Section 3.04. All moneys so held by the Trustee shall be expended from time to time for the purpose of paying any portion of the costs of the Redevelopment Project, and other costs related thereto, which other costs may include, but are not limited to, (a) the repayment of advances made by the City for the Redevelopment Project, (b) the cost of improvements and other costs which may not benefit the Redevelopment Project exclusively but which nevertheless benefit the Redevelopment Project Area in that they are necessary to the redevelopment of the Redevelopment Project Area and the disposition of land therein, and (c) to the extent not paid from the Costs of Issuance Fund, the necessary expenses in connection with the issuance and sale of the Bonds. Moneys in the Redevelopment Fund shall be invested at the Written Request of the Agency at a yield which does not exceed the yield on the

Bonds. The Agency shall be responsible for providing a Written Request that directs investments in Permitted Investments that comply with the yield restriction.

The Trustee shall pay money from the Redevelopment Fund upon receipt of requisitions drawn thereon and signed by at least one duly authorized officer or member of the Agency. The Agency warrants that each withdrawal from the Redevelopment Fund shall be made in the manner provided by law for the purpose set forth in this Section 3.04. Each such Written Request of the Agency shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

ARTICLE IV REDEMPTION

Section 4.01. Terms of Redemption.

(a) Optional Redemption of 2003 Bonds. The 2003 Bonds maturing on or before February 1, 2013, are not subject to call and redemption prior to maturity. The 2003 Bonds maturing on or after February 1, 2014 shall be subject to call and redemption prior to maturity, at the option of the Agency, as a whole or in part, on any date, among maturities as shall be determined by the Agency, and by lot within each maturity (each 2003 Bond being deemed to be composed of \$1,000 portions with each such portion being separately redeemable), from funds derived by the Agency from any source, on or after February 1, 2013 at the redemption price for each redeemed Bond equal to the principal amount thereof, with accrued interest to the date of redemption.

The Agency shall give the Trustee at least sixty (60) days notice of its election to exercise its option under this Section 4.01(a).

(b) Sinking Fund Redemption of 2003 Bonds. The 2003 Bonds maturing on February 1, 2020 and on February 1, 2023 shall be subject to mandatory sinking fund redemption in part, by lot, on each February 1 commencing on February 1, 2019 and February 1, 2021, respectively, from mandatory sinking fund payments set aside in the Principal Account, at a redemption price equal to the principal amount thereof to be redeemed, together with accrued interest to the date fixed for redemption, without premium, in the aggregate respective principal amounts and on the dates set forth below:

2003 Term Bonds Maturing August 1, 2020

<u>Payment Dates</u> <u>(August 1)</u>	<u>Amount</u>
2019	\$331,000
2020 (maturity)	353,000

2003 Term Bonds Maturing August 1, 2023

<u>Payment Dates</u> <u>(August 1)</u>	<u>Amount</u>
2021	\$370,000
2022	397,000
2023 (maturity)	418,000

In the event that all or a portion of the principal of the 2003 Bonds of the same maturity have been optionally redeemed by the Agency pursuant to Section 4.01(a) hereof or any Term Bonds have been redeemed pursuant to Section 4.01(a) hereof, and any 2003 Bonds of the same maturity have thus been redeemed, the total amount of all future sinking fund payments set forth in the preceding schedule for the 2003 Term Bonds of that maturity will be reduced by the aggregate principal amount of the 2003 Term Bonds of such maturity so redeemed, to be allocated among each sinking fund payment for the 2003 Term Bonds of that maturity on a pro rata basis in integral multiples of \$1,000 as determined by the Agency. In lieu of depositing cash with the Trustee as a mandatory sinking fund payment, the Agency shall have the option to tender to the Trustee for cancellation at least 60 days prior to a sinking fund redemption date any amount of 2003 Term Bonds purchased by the Agency, which 2003 Term Bonds may be purchased by the Agency at public or private sale as and when and at such prices as the Agency may in its discretion determine. The par amount of any 2003 Term Bonds so purchased by the Agency and tendered to the Trustee in any twelve-month period ending on August 1, in any calendar year shall be credited towards and shall reduce the next mandatory sinking fund payments required to be made in the order in which they are required to be made pursuant to this Section 4.01(b).

Section 4.02. Selection of Bonds for Redemption. Except as otherwise provided herein, whenever provision is made in this Indenture for the redemption of less than all of the Bonds of any series or any given portion thereof (other than pursuant to Section 4.01(b) hereof in which case such selection shall be by lot), the Trustee shall select the Bonds to be redeemed from all Bonds subject to redemption or such given portion thereof equal to a multiple of \$1,000 not previously called for redemption by lot in any manner which the Trustee in its sole discretion shall deem appropriate. The Trustee shall promptly notify the Agency in writing of the Bonds or portions thereof so selected for redemption.

Section 4.03. Notice of Redemption. Notice of redemption shall be given by the Trustee for and on behalf of the Agency, not less than 30 nor more than 60 days prior to the redemption date by first class mail to each of the Owners designated for redemption at their addresses appearing on the Bond registration books of the Trustee on the date such Bonds are selected for redemption. Each notice of redemption shall (a) state the redemption date; (b) state the redemption price; (c) state the place or places of redemption; (d) state the CUSIP numbers of the Bonds to be redeemed, the individual number of each Bond to be redeemed or that all Bonds between two stated numbers (both inclusive) or that all of the Bonds are to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed; (e) state that on the redemption date there will become due and payable on each Bond the redemption price thereof and

that from and after such redemption date interest thereon shall cease to accrue; and (f) require that such Bonds be then surrendered, with a written instrument of transfer duly executed by the Owner thereof or by his attorney duly authorized in writing if payment is to be made to a person other than the Owner. Except in the case of optional redemption from the issuance of refunding obligations, the Trustee will not mail a redemption notice prior to the receipt of funds required for the redemption. Any optional redemption notice sent by the Trustee prior to the receipt of proceeds of refunding obligations may be rescinded if such refunding obligations are not issued and proceeds thereof are not received by the Trustee, upon the mailing to the Bond Owners by the Trustee of a written notice of such rescission, in which event the Bonds will not be redeemed and interest will continue to accrue thereon.

Additionally, on the date on which the notice of redemption is mailed to the Owners of the Bonds pursuant to the provisions above, such notice of redemption shall be given by (i) first class mail, postage prepaid, (ii) confirmed facsimile transmission, (iii) overnight delivery service, or (iv) electronic mail to each of the Securities Depositories and to one or more of the Information Services as shall be designated in writing by the Agency to the Trustee and to any additional Information Services.

The actual receipt of notice of such redemption by the Owner of any Bond or any Security Depository or Information Service shall not be a condition precedent to redemption, and failure to receive such notice or any defect therein shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the redemption date. A certificate by the Trustee that notice of call and redemption has been given to Owners of the Bonds as herein provided shall be conclusive as against all parties, and no Bondowner whose Bond, or portion thereof, is called for redemption may object to the cessation of interest on the redemption date fixed by any claim or showing that he failed to receive actual notice of call and redemption.

Notice of redemption of Bonds shall be given by the Trustee at the expense of the Agency.

Section 4.04. Partial Redemption of Bonds. Such Bonds shall be redeemed and paid at said redemption price out of the Redemption Fund and no interest will accrue on such Bonds called for redemption from and after the redemption date specified in such notice. The pledge and allocation of Tax Revenues is for the exclusive benefit of the Bonds and shall be irrevocable until all of the Bonds have been paid and retired or until moneys have been set aside irrevocably for that purpose.

In consideration of the acceptance of the Bonds by those who shall own them from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Agency and the Owners from time to time of the Bonds and the covenants and agreements herein set forth to be performed on behalf of the Agency shall be for the equal and proportionate security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof, of the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

The Bonds shall be secured solely from Tax Revenues from the Redevelopment Project Area and in no event shall Bond Owners have any claim on any moneys generated from any other project area within the Merger No. 1 Project Area.

Section 5.02. Special Fund; Deposit of Tax Revenues. The Agency shall establish and hold a special fund to be known as the "Mariposa Project Tax Allocation Bonds Special Fund" (the "Special Fund"). The Agency shall deposit all of the Tax Revenues received in any Bond Year in the Special Fund promptly upon receipt thereof; provided, that the Agency shall not be obligated to deposit in the Special Fund in any Bond Year an amount of Tax Revenues which, together with other available amounts in the Special Fund exceeds the amounts required to be transferred to the Trustee for deposit in the Interest Account, Principal Account and the Reserve Account in such Bond Year pursuant to Section 5.03. On or before the second Business Day immediately preceding each Interest Payment Date, the Agency shall transfer from the Special Fund to the Bond Fund an amount equal

to the principal and interest owing on the Bonds on such Interest Payment Date and an amount, if any, necessary to increase the amount in the Reserve Account to the Reserve Requirement. Any Tax Revenues received by the Agency during any Bond Year in excess of the amounts required to be transferred to the Trustee for deposit into the Interest Account, the Principal Account and the Reserve Account in such Bond Year pursuant to Section 5.03, shall be released from the pledge and lien hereunder and may be used for any lawful purposes of the Agency.

All Tax Revenues and any other amounts at any time paid by the Agency and designated in writing for deposit in the Special Fund shall be held by the Agency solely for the uses and purposes hereinafter in this Article V set forth. So long as any of the Bonds are Outstanding, the Agency shall not have any beneficial right or interest in the Tax Revenues, except only as provided in this Indenture, and such moneys shall be used and applied as herein set forth.

Section 5.03. Bond Fund; Establishment and Maintenance of Accounts. There is hereby established a special fund to be known as the "Mariposa Project Tax Allocation Bonds Bond Fund (the "Bond Fund") which shall be held by the Trustee. The Trustee shall receive and deposit to the Bond Fund the amount specified in Section 3.01 hereof on the Closing Date and the amounts required to be deposited thereto pursuant to Section 5.02 hereof. Within the Bond Fund the Trustee shall establish an Interest Account, a Principal Account and a Reserve Account. All moneys in the Bond Fund shall be transferred and set aside by the Trustee in the following respective special accounts of the Bond Fund (each of which is hereby created to be held in trust by the Trustee) in the following order of priority:

(a) **Interest Account.** At least one Business Day prior to each Interest Payment Date, the Trustee shall transfer from the Bond Fund and set aside in the Interest Account an amount which, when added to the amount contained in the Interest Account will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No deposit need be made into the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Bonds issued hereunder and then Outstanding. The Trustee shall also deposit in the Interest Account any other moneys received by it from the Agency and designated in writing by the Agency for deposit in the Interest Account. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to this Indenture).

No deposit need be made into the Principal Account if the amount contained therein is at least equal to the principal to become due on such Principal Payment Date, whether by reason of scheduled maturity or mandatory sinking fund redemption. The Trustee shall also deposit in the Principal Account any other moneys received by it from the

Agency and designated in writing by the Agency for deposit in the Principal Account. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal on the Bonds as it shall become due and payable, whether by reason of scheduled maturity or mandatory sinking fund redemption.

At least one Business Day before each Interest Payment Date and after the deposits required pursuant to the preceding subparagraphs have been made, the Trustee shall withdraw from the Bond Fund and deposit in the Reserve Account an amount of money, if any, required to maintain the Reserve Account in the full amount of the Reserve Requirement. No deposit need be made in the Reserve Account and the separate subaccounts therein so long as there shall be on deposit therein a sum equal to at least the amount required by this paragraph to be on deposit therein. There is hereby established the Reserve Account into which there shall be deposited from the proceeds of the Bonds the amount set forth in Section 3.01 hereof. The Reserve Account is pledged to the repayment of the Bonds. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of replenishing the Interest Account and the Principal Account, in such order, in the event of any deficiency at any time in any of such accounts, or for the purpose of paying the interest on or principal of or redemption premiums, if any, on the Bonds in the event that no other money of the Agency is lawfully available therefor, or for the retirement of all the Bonds then Outstanding, except that so long as the Agency is not in default hereunder, any amount in the Reserve Account in excess of the amount required by this paragraph to be on deposit therein except as herein otherwise provided, shall be transferred to the Bond Fund. on each February 1 commencing February 1, 2004.

Best & Company, is also rated in the highest rating category by A.M. Best & Company. Upon the deposit with the Trustee of such letter of credit, bond insurance policy or other comparable credit facility, the Trustee shall transfer moneys then on hand in the applicable subaccount in the Reserve Account to the Redevelopment Fund to be applied for lawful redevelopment purposes for which proceeds of tax-exempt bonds can be used.

(d) Surplus. Except as may be otherwise provided in any Supplemental Indenture, the Agency shall not be obligated to transfer to the Trustee for deposit in the Bond Fund in any Bond Year an amount of Tax Revenues which, together with other available amounts in the Bond Fund, exceeds the amounts required in such Bond Year pursuant to Section 5.03. In the event that for any reason whatsoever any amounts shall remain on deposit in the Bond Fund on any August 2 after making all of the transfers theretofore required to be made pursuant to the preceding clauses (a), (b) and (c) and pursuant to any Supplemental Indenture, the Trustee shall withdraw such amounts from the Bond Fund and transfer such amounts to the Agency, to be used for any lawful purposes of the Agency.

Section 5.04. Redemption Fund. The Redemption Fund shall be held by the Trustee. On or before the Business Day preceding any date on which the Bonds are to be redeemed pursuant to Section 4.01(a), the Agency shall deposit with the Trustee for deposit in the Redemption Fund (after taking into account moneys, if any, in the Principal Account for such purpose) an amount required

to pay the principal of and premium, if any, on the Bonds to be redeemed pursuant to Section 4.01(a). Nothing herein contained shall prevent the Agency from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

Section 6.02. Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the Agency will not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and will not, directly or indirectly, approve any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded whether or not with the consent of the Agency, such claim for interest so extended or funded shall not be entitled, in case of default hereunder to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

The Agency covenants and agrees that it will not issue any other obligations payable, as to either principal or interest, from the Tax Revenues which have, or purport to have, any lien upon the Tax Revenues superior to or on a parity with the lien of the Bonds; provided, however, that nothing in this Indenture shall prevent the Agency from issuing and selling pursuant to law refunding bonds or other refunding obligations payable from and having a first lien on a parity basis with all Outstanding Bonds upon the Tax Revenues if such refunding bonds or other refunding obligations are issued and are sufficient for the purpose of refunding all or a portion of the Bonds then Outstanding.

Section 6.04. Protection of Security and Rights of Bondowners. The Agency will preserve and protect the security of the Bonds and the rights of the Bondowners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the Agency the Bonds shall be incontestable by the Agency.

Section 6.05. Payments of Taxes and Other Charges. The Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Agency or the properties then owned by the Agency in the Redevelopment Project Area, or upon the revenues therefrom, when the same shall become due. Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Redevelopment Project or any part thereof.

Section 6.06. Compliance with Law, Completion of Redevelopment Project, Amendments.

The Agency will comply with all applicable provisions of the Law in completing the Redevelopment Project including, without limitation, duly noticing and holding any public hearing required by either Section 33445 or 33679 of the Law prior to application of proceeds of the Bonds to any portion of the Redevelopment Project subject to either Section 33445 or 33679. The Agency will commence, and will continue to completion, with all practicable dispatch, the Redevelopment Project will be accomplished and completed in a sound and economical manner and in conformity with the Redevelopment Plan and the Law. The Agency will not amend the Redevelopment Plan in a manner that would impair the Agency's ability to pay debt service on the Bonds.

Section 6.07. Financial Statements.

The Agency will cause to be prepared and filed with the Trustee annually, within two hundred and forty (240) days after the close of each Fiscal Year so long as any of the Bonds are Outstanding, complete financial statements with respect to such Fiscal Year showing the Tax Revenues, all disbursements from the Redevelopment Fund and the financial condition of the Redevelopment Project, including the balances in all funds and accounts relating to the Redevelopment Project, as of the end of such Fiscal Year. The Trustee shall have no duty to review such financial statements.

Section 6.08. Taxation of Leased Property.

Whenever any property in the Redevelopment Project has been redeveloped and thereafter is leased by the Agency to any person or persons (other than a public agency) or whenever the Agency leases real property in the Redevelopment Project to any person or persons (other than a public agency) for redevelopment, the property shall be assessed and taxed in the same manner as privately owned property, as required by Section 33673 of the Law.

Section 6.09. Disposition of Property.

The Agency will not participate in the disposition of any land or real property in the Redevelopment Project Area to anyone which will result in such property becoming exempt from taxation because of public ownership or use or otherwise (except property dedicated for public right-of-way and except property planned for public ownership or use by the Redevelopment Plan in effect on the date of this Indenture) if the effect of such disposition would be to cause the amount of Tax Revenues for the then current Fiscal Year based on assessed valuation of property in the Redevelopment Project Area as evidenced in a written document from the County, to fall below 130% of Maximum Annual Debt Service.

Section 6.10. Tax Revenues.

The Agency shall comply with all requirements of the Law to insure the allocation and payment to it of the Tax Revenues including without limitation the timely filing of any necessary statements of indebtedness with appropriate officials of the County.

Section 6.11. Use of Proceeds.

The Agency covenants and agrees that the proceeds of the sale of the Bonds will be deposited and used as provided in this Indenture, the Law and the Act.

Section 6.12. Further Assurances.

The Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to

carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Indenture.

Section 6.13. Private Activity Bond Limitation. The Agency shall assure that the proceeds of the 2003 Bonds are not so used as to cause the 2003 Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

Section 6.14. Federal Guarantee Prohibition. The Agency shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2003 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 6.15. Rebate Requirement. The Agency shall take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the 2003 Bonds.

Section 6.16. No Arbitrage. The Agency shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the 2003 Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the 2003 Bonds, would have caused the 2003 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 6.17. Maintenance of Tax-Exemption. The Agency shall take all actions necessary to assure the exclusion of interest on the 2003 Bonds from the gross income of the Owners of the 2003 Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the 2003 Bonds.

Section 6.18. Limit on Indebtedness. The Agency covenants with the Owners of all of the Bonds at any time Outstanding that it will not enter into any obligation or make any expenditure payable from taxes allocated to the Agency under the Law the payments of which, together with payments theretofore made or to be made with respect to other obligations (including, but not limited to, the Bonds) previously entered into by the Agency, would exceed the then-effective limit on the amount of taxes which can be allocated to the Agency pursuant to Section 3333.2(1) of the Law and the Redevelopment Plan.

Section 6.19. Continuing Disclosure. The Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Agency to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, the Trustee shall, at the written request of any participating underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Bonds, but only to the extent the Trustee has been indemnified from and against any loss, cost, expense, claim or liability, including, without limitation, fees and expenses of attorneys and additional fees and expenses of the Trustee or any Bondowner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Agency to comply with its obligations under this Section.

Section 6.20 Annual Review of Tax Revenues. The Agency shall annual review the total amount of Tax Revenues remaining available to be received by the Agency under the Redevelopment Plan's cumulative tax increment limitation, as well as future commutative Annual Debt Service. The Agency will not accept Tax Revenues greater than Annual Debt Service in any year, if such acceptance will cause the amount remaining under the tax increment limit for the Redevelopment Plan to fall below the remaining cumulative Annual Debt Service, except for the purpose of depositing such Revenues in escrow for future cumulative Annual Debt Service or to call Bonds.

Section 6.21 Subordinate Debt. Nothing herein shall be intended or construed in any way to prohibit or impose any limitations on the issuance by the Agency of bonds, notes, or other obligations or evidences of indebtedness payable from Tax Revenues on a subordinate basis to the pledge of Tax Revenues to the repayment of the 2003 Bonds.

ARTICLE VII THE TRUSTEE; INVESTMENT OF MONEYS

Section 7.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture in a manner consistent with industry standards. The Trustee shall only be obligated to perform such duties as are expressly set forth herein, and no duties or obligations not expressly set forth herein shall be implied. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Agency may remove the Trustee, at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing); or (ii) if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this Section 7.01, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Agency to the Trustee, whereupon the Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Agency and by giving the Bondowners notice of such resignation by mail at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Agency shall promptly appoint a successor Trustee by an instrument in writing. The Trustee shall not be relieved of its duties until such successor Trustee has accepted such appointment.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within thirty (30) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Bondowner (on behalf of himself and all other Bondowners), at the expense of the Agency, may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the Agency and to its predecessor Trustee a written acceptance thereof. Upon receipt by the predecessor Trustee of all fees and expenses due and payable to it, such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein. Notwithstanding the foregoing, at the Written Request of the Agency or the request of the successor Trustee, any predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection (d), the Agency shall mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds, if any, and to the Bondowners at their respective addresses shown on the Registration Books. If the Agency fails to mail such notice within fifteen (15) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Agency.

(e) Any Trustee appointed under the provisions of this Section 7.01 in succession to the Trustee shall be a corporation or other entity organized and doing business under the laws of any state, the District of Columbia or the United States of America, authorized under such laws to exercise corporate trust powers, which shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least fifty million dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such corporation or other entity publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection (e) the combined capital and surplus of such corporation or other entity shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in Section (d).

Section 7.02. Merger or Consolidation. Any bank or company into which the Trustee may be merged or converted or with which either of them may be consolidated or any bank or company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or

company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or company shall be eligible under subsection (e) of Section 7.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 7.03. Limited Liability of Trustee; Indemnification.

(a) The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the provisions of this Section 7.03(a). No provision in this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder if it shall have reasonable grounds for believing repayment of such funds or adequate indemnity against such liability or risk is not assured to it. The Trustee shall not be liable for any action taken or omitted to be taken by it in accordance with the direction of the Owners of at least 25% in aggregate principal amount of Bonds Outstanding relating to the time, method and place of conducting any proceeding or remedy available to the Trustee under this Indenture or exercising any power conferred upon the Trustee under this Indenture. The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment or defeasance of the Bonds.

(b) In consideration of the Trustee's undertakings hereunder and to the extent permissible by law, the Agency covenants and agrees to indemnify and hold the Trustee harmless wholly without regard to the culpability or fault (or absence thereof) of the Agency, for any and all loss, liability, and/or expense, including attorney's fees, incurred by the Trustee arising out of or in the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding liabilities that are due to the Trustee's gross negligence or willful misconduct, and promptly and faithfully to discharge its responsibility to the Trustee hereunder by paying the Trustee all moneys due it hereunder upon notice from the Trustee along with reasonable supporting documentation.

Section 7.04. Right to Rely on Documents. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, requisition, report, opinion, bonds or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel of or to the Agency, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a written certificate of the

Agency, which shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such written certificate.

No provision in this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder. The Trustee shall be entitled to interest on any amounts advanced by it at the maximum rate permitted by law.

The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

The Trustee may rely upon a facsimile transmission with regard to any instruction for any transfer, disbursement or investment of funds held by the Trustee. The Agency shall confirm such transmission promptly in writing by mail.

The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until it shall have actual knowledge thereof, or shall have received written notice thereof at its Corporate Trust Office. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default hereunder.

Before taking any action under Article IX or this Article at the request of the Owners, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

Section 7.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times during business hours upon reasonable notice to the inspection of the Agency and any Bondowner of at least 5% of the principal amount of Bonds Outstanding, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 7.06. Compensation. The Agency shall pay to the Trustee from time to time all compensation for all reasonable services rendered under this Indenture and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties under this Indenture.

Section 7.07. Deposit and Investment of Moneys in Funds. Moneys in the Interest Account, the Principal Account, the Reserve Account, the Redemption Account, the Redevelopment Fund and the Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as specified by the Treasurer of the Agency and shall be promptly confirmed in writing by the Agency with the

Trustee within at least one (1) Business Day. In the absence of any such direction provided by the Treasurer of the Agency, the Trustee shall invest any such moneys in Permitted Investments described in clause (D) of the definition thereof which by their terms mature prior to the date on which such moneys are required to be paid out hereunder.

Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. Whenever in this Indenture any moneys are required to be transferred by the Agency to the Trustee, such transfer may be accomplished by transferring a like amount of Permitted Investments which by their terms mature prior to the date on which such moneys are required to be paid out hereunder. All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder (other than with respect to funds held by the Agency) shall be retained in the respective funds and accounts to be used for the purposes thereof; provided, however, that all interest or gain from the investment of amounts in the respective subaccounts of the Reserve Account shall be deposited by the Trustee in the Interest Account, but only to the extent that the amount remaining in the respective subaccounts of the Reserve Account following such deposit is equal to the Reserve Requirement for the applicable series of Bonds.

The Agency acknowledges that to the extent regulations of the Controller of the Currency or other applicable regulatory entity grant the Agency the right to receive brokerage confirmations of security transactions as they occur, the Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Agency periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

Moneys credited to any fund or account under this Indenture which are uninvested pending disbursement or receipt of proper investment directions or as directed by the Agency as provided herein, may be deposited to and held in a non-interest bearing demand deposit account established with the commercial banking department of the Trustee or any bank affiliated with the Trustee.

The Trustee may make any investments hereunder through its own bond or investment department or trust investment department, or those of its parent or any affiliate.

The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder.

For purposes of acquiring any investments hereunder, the Trustee may in its discretion commingle funds held by it hereunder. The Trustee (or any of its affiliates) may act as principal or agent in the acquisition of any investment. The Trustee shall incur no liability for losses arising from any investments made pursuant to this Section 7.07. For purposes of determining the amount on deposit in any fund or account held hereunder, all Permitted Investments credited to such fund or account shall be valued by the Trustee, at least monthly, at the market value (excluding accrued interest and brokerage commissions, if any). In making any such valuations, the Trustee may utilize computerized securities pricing services that may be available to it, including those available through its regular accounting system.

Section 7.08. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with

corporate trust industry standards, in which complete and accurate entries shall be made of all transactions relating to the proceeds of the Bonds and all funds and accounts established and held by the Trustee pursuant to this Indenture. Such books of record and account shall be available for inspection by the Agency at reasonable hours, upon reasonable notice and under reasonable circumstances. The Trustee shall furnish to the Agency, at least monthly, an accounting of all transactions relating to the proceeds of the Bonds and all funds and accounts established pursuant to this Indenture, which may be in the form of the Trustee's regular monthly statement.

Section 7.09. Appointment of Co-Trustee or Agent. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, and in particular, in case of the enforcement thereof or default thereunder, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise or it finds it impracticable to exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Agency appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section 7.09 are adapted to these ends.

In the event that the Agency appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest, duty, obligation and lien expressed or intended by this Indenture to be exercised by, or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the Agency be required by the separate or co-trustee so appointed by the Agency for more fully and certainly vesting in and confirming to him or it, such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate or co-trustee.

In addition to the appointment of a co-trustee hereunder, the Trustee may, at the expense and with the prior written consent of the Agency, appoint any agent of the Trustee in New York, New York or Los Angeles, California or San Francisco, California for the purpose of administering the transfers or exchanges of Bonds or for the performance of any other responsibilities of the Trustee hereunder.

Section 7.10. Rebate of Excess Investment Earnings to United States.

(a) **Obligation to Calculate Excess Investment Earnings.** The Agency shall calculate or cause to be calculated, and shall provide or cause to be provided written notice to the Trustee of, the excess investment earnings (as defined in the Code, "Excess Investment Earnings") at such times and in such manner as may be required pursuant to the Code. The Agency shall inform the Trustee how frequently calculations are to be made, and shall ensure that a copy of all such calculations is given promptly to the Trustee.

(b) **Rebate to United States.** The Agency agrees to deposit with the Trustee, promptly upon the receipt of any calculations made pursuant to the preceding subsection (a), the amount of Excess Investment Earnings so calculated. The Trustee shall deposit all amounts paid to it for such purpose by the Agency in the Rebate Account which account is hereby established with the Trustee. The Trustee shall pay to the United States of America from the amounts on deposit in the Rebate Account such amounts as shall be identified pursuant to written notice filed with the Trustee by the Agency for such purpose from time to time. Payments to the United States of America shall be made to the address prescribed by the Tax Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Tax Regulations. Following payment in full to the United States of America of all amounts due and owing under this subsection (b) and under the Code, the Trustee shall, upon the receipt of instructions from the Agency, withdraw from the Rebate Account and transfer to the Agency all amounts remaining on deposit in the Rebate Account. The Trustee shall not be responsible for calculating rebate amounts or for the adequacy or correctness or any rebate report or rebate calculations. The Trustee shall be deemed conclusively to have complied with the provisions of the Indenture regarding calculation and payment of rebate if it follows the directions of the Agency and it shall have no independent duty to review such calculations or enforce compliance by the Agency with such rebate requirements.

(c) **Investment Transactions.** The Agency shall assure that Excess Investment Earnings are not paid or disbursed except as required in this Section 7.10. To that end the Agency shall assure that investment transactions are on an arm's-length basis. In the event that Permitted Investments consist of certificates of deposit or investment contracts, investment in such Permitted Investments shall be made in accordance with the procedures described in the Tax Regulations.

(d) **Maintenance of Records.** The Agency shall keep, and retain for a period of six (6) years following the retirement of the Bonds, records of the determinations made pursuant to this Section 7.10.

(e) **Engagement of Professional Services.** In order to provide for the administration of this Section 7.10, the Agency may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Agency may deem appropriate.

(f) **Modification of this Section.** Any of the provisions of this Section 7.10 may be amended, modified or deleted in any manner whatsoever in the event that the Agency shall cause to be filed with the Trustee written directions making such amendment, modification or deletion, which written directions are accompanied by an opinion of Bond Counsel stating that such amendment,

modification or deletion will not cause interest on the Bonds to be includable in gross income of the Bondowners for federal income tax purposes.

ARTICLE VIII MODIFICATION OR AMENDMENT OF THE INDENTURE

Section 8.01. Amendments Permitted. This Indenture and the rights and obligations of the Agency and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture and pursuant to the affirmative vote at a meeting of Bondowners or with the written consent without a meeting of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 8.04. No such modification or amendment shall (1) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the Agency to pay the principal thereof, or interest thereon, or any premium payable on the redemption thereof, at the time and place and at the rate and in the currency provided therein without the express consent of the Owner of such Bond, or (2) permit the creation by the Agency of any mortgage pledge or lien upon the Tax Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise provided in this Indenture) or reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification or (3) modify any of the rights or obligations of the Trustee without its written assent thereto.

This Indenture and the rights and obligations of the Agency and of the Owners of the Bonds may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Bondowners, but only to the extent permitted by law and only for any one or more of the following purposes-

- (a) to add to the covenants and agreements of the Agency in this Indenture contained, other covenants and agreements thereafter to be observed or to limit or surrender any right or power herein reserved to or conferred upon the Agency; or
- (b) to make modifications not adversely affecting any Outstanding Bonds of the Agency in any material respect; or
- (c) with the written consent of the Trustee to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the Agency and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and which shall not materially adversely affect the rights of the Owners of the Bonds.

Section 8.02. Bondowners' Meetings. The Agency may at any time call a meeting of the Bondowners. In such event the Agency is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof and to fix and adopt rules and regulations for the conduct of said meeting.

Section 8.03. Procedure for Amendment with Written Consent of Bondowners. The Agency may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this

Indenture or any Supplemental Indenture, to the extent that such amendment is permitted by Section 8.01, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Bondowners for their consent thereto, shall be mailed by the Agency to each registered Owner of Bonds Outstanding, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (exclusive of Bonds disqualified as provided in Section 8.04) and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given which proof shall be such as is permitted by Section 10.04. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed. Any revocation received by the Trustee after such notice has been mailed shall be of no force or effect.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the Agency shall mail a notice to the Bondowners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record consisting of the papers required by this Section to be filed with the Trustee shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the Agency and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 8.04. Disqualified Bonds. Bonds owned or held for the account of the Agency or the City, excepting any pension or retirement fund, shall not be deemed Outstanding for the purpose of any vote, consent or other action or any calculation of Outstanding Bonds provided for in this Article VIII, and shall not be entitled to vote upon, consent to, or take any other action provided for in this Article VIII.

Section 8.05. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VIII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations under this Indenture of the Agency and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and

all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Agency or the Trustee may adopt appropriate regulations to require each Bondowner before his consent provided for in this Article VIII shall be deemed effective to reveal if the Bonds as to which such consent is given are disqualified as provided in Section 8.04. Upon request of the Trustee, the Agency shall certify to the Trustee those bonds disqualified pursuant to this Section and the Trustee may conclusively rely on such certification.

Section 8.06. Endorsement or Replacement of Bonds Issued After Amendments. The Agency may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article VIII shall bear a notation, by endorsement or otherwise, in form approved by the Agency, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Corporate Trust Office of the Trustee or at such other office as the Agency may select and designate for that purpose, a suitable notation shall be made on such Bond. The Agency may determine that new Bonds, so modified as in the opinion of the Agency is necessary to conform to such Bondowners' action, shall be prepared, executed and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the Corporate Trust Office of the Trustee, without cost to any Bondowner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 8.07. Amendatory Endorsement of Bonds. The provisions of this Article VIII shall not prevent any Bondowner from accepting any amendment as to the particular Bonds held by him provided that due notation thereof is made on such Bonds.

Section 8.08. Notice to Rating Agency. For all purposes of this Indenture, any rating agency rating the Bonds must receive notice from the Agency of each amendment and a copy thereof at least 15 days in advance of its execution or adoption.

Section 8.09. Opinion of Counsel. Prior to the execution by the Trustee of any amendment hereto, the Trustee shall be furnished with an opinion of counsel stating that the provisions of this Article have been complied with.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES OF BONDOWNERS

Section 9.01. Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

- (a) if default shall be made in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;
- (b) if default shall be made by the Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30)

days following the receipt by the Agency of written notice from the Trustee or any Bondowner of the occurrence of such default; provided, however, that if in the reasonable opinion of the Agency the failure stated in such notice can be corrected, but not within such thirty (30)-day period, the Trustee shall not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Agency within such thirty (30)-day period and diligently pursued until such failure is corrected; or

(c) if the Agency shall file a petition or answer seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction shall approve a petition, filed with or without the consent of the Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Agency or of the whole or any substantial part of its property.

If an Event of Default shall occur, then, and in each and every such case during the continuance of such Event of Default, the Trustee may, and if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, the Trustee shall (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (b) subject to the provisions of Section 9.06, exercise any other remedies available to the Trustee and the Bondowners in law or at equity.

Immediately upon obtaining actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Agency by telephone confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clause (a) or (c) above the Trustee shall, and with respect to any Event of Default described in clause (b) above the Trustee in its sole discretion may, also give such notice to the Owners of the Bonds in the same manner as provided herein for notices of redemption of the Bonds.

This provision, however, is subject to the following conditions (1) if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Agency shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest at the net effective rate then borne by the Outstanding Bonds, (2) the reasonable fees and expenses of the Trustee shall be paid to the Trustee, and (3) any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made. Upon satisfaction of such conditions, the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences.

However, no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Subject to the provisions of this Indenture, the Trustee agrees to enforce by mandamus, suit or other proceeding at law or in equity the covenants and agreements of the Agency.

Section 9.02. Application of Funds Upon Acceleration. All of the Tax Revenues and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration (other than the Rebate Account) as provided in Section 9.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the several Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and incurred in and about the performance of its powers and duties under this Trust Indenture, including reasonable compensation to its agents and counsel, and thereafter of the Bondowners in declaring such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, with interest on the overdue principal and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority of principal over interest, or interest over principal, or of any installment of interest over any other installment of interest, or any Bond over any other Bond, ratably to the aggregate of such principal and interest.

Section 9.03. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 9.04. Limitation on Bondowners' Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding

in its own name; (c) said Owners shall have tendered to the Trustee indemnity acceptable to the Trustee, against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of thirty (30) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder, it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 9.05. Non-waiver. Nothing in this Article IX or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Agency, which is absolute and unconditional, to pay from the Tax Revenues and other amounts pledged hereunder, the principal of and interest and premium (if any) on the Bonds to the respective Owners of the Bonds on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Bondowner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Bondowners by the Law, the Act or by this Article IX may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Bonds.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Bondowners, the Agency and the Bondowners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 9.06. Actions by Trustee as Attorney in Fact. Any suit, action or proceeding which any Owner of Bonds shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners of Bonds similarly situated and the Trustee is hereby appointed (and the successive respective Owners of the Bonds issued hereunder, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the respective Owners of the Bonds for the purpose of bringing any

such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners of the Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney in fact; provided, however, the Trustee shall have no obligation to exercise any rights or remedies hereunder unless it has been indemnified to its satisfaction by the Owners from any liability or expense, including attorneys' fees. All rights of action under this Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of the Owners of such Bonds, subject to the provisions of this Indenture.

Section 9.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners of Bonds is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law, the Act or any other law.

ARTICLE X MISCELLANEOUS

Section 10.01. Benefits of Indenture Limited to Parties. Nothing in this Indenture, expressed or implied, is intended to give to any person other than the Agency, the Trustee and the Owners of the Bonds, any right, remedy, claim under or by reason of this Indenture. Any funds thereafter held by the Trustee which are not required for said purpose or for any remaining fees or expenses of the Trustee shall be paid over to the Agency.

Any request, consent, declaration, or other instrument which this Indenture may require or permit to be executed by Bondowners may be in one or more instruments of similar tenor and shall be executed by Bondowners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Bondowner or his attorney of such request, consent, declaration or other instrument or of such writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act that the person signing such request, consent, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer.

Section 10.09. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Indenture shall for any reason be held illegal or unenforceable such holding shall not affect the validity of the remaining portions of this Indenture. The Agency hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the Trustee is rendered unable to perform its duties hereunder all such duties and all of the rights and powers of the Trustee hereunder shall be assumed by and vest in the Treasurer of the Agency in trust for the benefit of the Bondowners. The Agency covenants for the direct benefit of the Bondowners that its Treasurer in such case shall be

The REDEVELOPMENT AGENCY OF THE CITY OF FRESNO, a public body, corporate and politic, duly organized and existing under and by virtue of the laws of the State of California (the "Agency"), for value received hereby promises to pay to the Registered Owner stated above or registered assigns, on the Maturity Date stated above (subject to any right of prior redemption hereinafter provided for), the Principal Amount stated above in lawful money of the United States of America and to pay interest thereon at the Interest Rate stated above in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this

Bond (unless (i) this Bond is authenticated after a Record Date (as hereinafter defined) and on or before the following Interest Payment Date in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or prior to January 15, 2004, in which event it shall bear interest from the Dated Date stated above; provided, however, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond) until payment of such Principal Amount in full, payable semiannually on each February 1 and August 1, commencing February 1, 2004 (each an "Interest Payment Date"), calculated on the basis of a 360-day year composed of twelve 30-day months. Principal hereof at maturity and premium, if any, upon earlier redemption hereof are payable upon presentment and surrender at the corporate trust office of BNY Western Trust Company, the trustee under the Indenture (as hereinafter defined) (the "Trustee"), in Los Angeles, California or such other place as designated by the Trustee. Interest hereon (including the final interest payment upon maturity or earlier redemption) is payable by check of the Trustee mailed on the Interest Payment Date by first class mail to the Registered Owner hereof at the Registered Owner's address as it appears on the Bond registration books maintained by the Trustee at the close of business on the fifteenth day of the month preceding each Interest Payment Date (the "Record Date"), or by wire transfer to an owner of \$1,000,000 or more in aggregate principal amount of Bonds at such wire transfer address in the United States as such owner shall specify in a written notice requesting payment by wire transfer delivered to the Trustee not later than the Record Date for such payment.

This Bond is one of a duly authorized issue of Bonds of the Agency designated as "Redevelopment Agency of the City of Fresno, Tax and Allocation Refunding Bonds (Mariposa Redevelopment Project) Series 2003" (the "Bonds"), in an aggregate principal amount of Five Million Five Thousand Dollars (\$5,005,000) all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates, or redemption and other provisions). The Bonds are issued pursuant to the provisions of Section 53570 and following of the California Government Code (the "Act") and pursuant to a Trust Indenture, dated as of August 1, 2003, entered into by and between the Agency and the Trustee (the "Indenture"), authorizing the issuance of the Bonds. Reference is hereby made to the Indenture (copies of which are on file at the office of the Agency) and all indentures supplemental thereto and to the Act for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Tax Revenues, as that term is defined in the Indenture, and other amounts pledged under the Indenture, and the rights thereunder of the Owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Agency to (i) refund prior bonds of the Agency; (ii) fund a reserve account; and (iii) pay costs related to the issuance of the Bonds.

The Bonds are special obligations of the Agency, and this Bond and the interest hereon and on all other Bonds and the interest thereon (to the extent set forth in the Indenture) are payable from, and are secured equally and on a parity, without distinction as to series, by a charge and lien on the Tax Revenues derived by the Agency from the Redevelopment Project and other amounts pledged under the Indenture. There has been created and will be maintained by the Agency a Special Fund (as defined in the Indenture) into which Tax Revenues shall be deposited and from which the Trustee

shall thereafter deposit to the Bond Fund for the purpose of paying the principal of, any redemption premium and the interest on the Bonds when due. Subject to the foregoing, as and to the extent set forth in the Indenture, all such Tax Revenues (together with all of the moneys in the Reserve Account, as defined in the Indenture) are exclusively and irrevocably pledged to and constitute a trust fund, in accordance with the terms hereof and the provisions of the Indenture and the Law, for the security and payment or redemption of, including any premium upon early redemption, and for the security and payment of interest on, the Bonds. Notwithstanding the foregoing, in accordance with the Indenture, certain amounts out of Tax Revenues may be applied for other purposes as provided in the Indenture. Additional Bonds payable from Tax Revenue may be issued on a parity basis with the Bonds, but only subject to the terms and provisions set forth in the Indenture.

This Bond is not a debt of the City of Fresno, California, the State of California, or any of its political subdivisions, and neither said City, said State, nor any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those of the Agency. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

Bonds maturing on or before February 1, 2013 are not subject to optional redemption before their stated maturities. The Bonds maturing on or after February 1, 2014 shall be subject to call and redemption prior to maturity, at the option of the Agency, as a whole or in part, on any date, among maturities as shall be determined by the Agency, and by lot within each maturity (each Bond being deemed to be composed of \$1,000 portions with each such portion being separately redeemable), from funds derived by the Agency from any source, on or after February 1, 2013, at the redemption price for each redeemed Bond equal to the principal amount thereof, with accrued interest to the date of redemption.

The Bonds maturing on February 1, 2020 and February 1, 2023, are subject to mandatory redemption in part, by lot, on each August 1 commencing on February 1, 2019 and February 1, 2021, respectively, as further provided in the Indenture, at a redemption price equal to the principal amount thereof to be redeemed plus accrued interest, if any, to the date fixed for redemption, without premium, from mandatory sinking payments in the amounts and on the dates required to be made by the Agency under the Indenture.

As provided in the Indenture, notice of redemption shall be given by first class mail no less than thirty (30) nor more than sixty (60) days prior to the redemption date to the respective Owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books maintained by the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption; and provided that any optional redemption notice in the case of a redemption from the issuance of refunding obligations may be rescinded if the refunding obligations are not issued and proceeds thereof are not received by the Trustee.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered bonds without coupons in denominations of \$1,000 or any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing at said offices of the Trustee, or such other place as designated by the Trustee, but only in the manner and subject to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of authorized denomination or denominations for the same aggregate principal amount and of the same maturity, will be issued to the transferee in exchange therefor. The Trustee shall not be required to register the transfer or exchange of Bonds (i) between the date which is fifteen days before selection of Bonds for redemption and the date of mailing notice of redemption, and (ii) as to any Bond selected for redemption.

The Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Agency and the Owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond, or of any installment of interest thereon, or a reduction in the principal amount or the redemption price thereof, or in the rate of interest thereon, without the consent of the Owner of such Bond, or shall reduce the percentages the consent of the Owners of which is required to effect any such modification or amendment.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law, the Act and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Agency, does not exceed any limit prescribed by the Law, the Act or any laws of the State of California and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Redevelopment Agency of the City of Fresno has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Chairperson and attested by the facsimile signature of its Ex-Officio Clerk, all as of August 1, 2003.
