POLICY MANUAL

<p>City of FRESNO </p>	<p>NO. 02-109</p>
<p>PLANNING AND DEVELOPMENT DEPARTMENT BUILDING AND SAFETY SERVICES</p>	<p>SUBJECT: Individuals Authorized to Obtain Permits</p> <p>EFFECTIVE: June 1, 2001 REVISED: May 2, 2007</p> <p>APPROVED:  Brian T. Leong Building & Safety Services Manager</p>

PURPOSE:

Establish a uniform policy and procedure for the issuance of Building, Plumbing, Mechanical, Electrical, and Grading permits within the City of Fresno.

POLICY:

The following individuals shall be considered as having the authority to obtain Building, Plumbing, Mechanical, or Electrical permits from the City of Fresno:

1. Owner of the property for which the permit is applicable.
2. Licensed architect or engineer whose professional work product is the basis for the permit.
3. Licensed contractor who will be performing the designated work under contract or is licensed as a General Building Contractor ("B") with overall supervision of the project.
4. Licensed Specialty Contractor (Plumbing: "C-36", Mechanical: "C-20", Electrical: "C-10")
5. An authorized agent of the contractor who has written authorization to act on behalf of the license holder.
6. Other agents as approved by the director, division manager, or other designated management staff member as necessary.

The following individuals shall be considered as having the authority to obtain Grading permits from the City of Fresno:

1. Engineer of record responsible for the preparation of the site grading and drainage plan.
2. Architect of record responsible for the preparation of the site grading and drainage plan, except where such plans are pursuant to the Subdivision Map Act.
3. Licensed General Engineering Contractor ("A")
4. Specialty Grading Contractor ("C-12")
5. Licensed General Building Contractor ("B") whose principal contract is in connection with a structure built for the support, shelter and enclosure of people, animals, equipment, or movable property of any kind.

ARTICLE 22 - AT-RISK DEVELOPMENT

SEC. 12-2201. - AT RISK DEFINED.

"At-Risk" shall be defined as construction up to and including wall and roof framing.

(Added Ord. 2022-008, § 1, eff. 6-6-22).

Editor's note— Ord. 2022-008, § 1, eff. June 6, 2022, amended the Code by renumbering former §§ 12-2201—12-2205 as new §§ 12-2202—12-2206, and adding a new § 12-2201.

SEC. 12-2202. - AUTHORITY TO ISSUE AT-RISK PERMITS.

For residential, commercial, and industrial projects, after receipt of "first round" comments regarding any infrastructure improvement plans (including grading plans), and a finding the infrastructure improvement plans are substantially acceptable, or submittal of a completed application for a building permit, the appropriate official, and/or building official, is authorized to issue an "at-risk" permit for grading, sewer, water, dry utilities, buildings and structures (including model and production homes) before the relevant construction documents have been finally approved, and before the final map records. For the purpose of this article, a model home shall be a home without an identified buyer constructed for marketing purposes to show the design, structure and appearance of units in a development. A production home is a home without an identified buyer built on speculation that shall not be sold, leased, financed, or offered for sale until a final map records.

(Added Ord. 2018-17, § 1, eff. 8-2-18; Am. Ord. 2022-008, § 1, eff. 6-6-22).

Note— Former § 12-2201. See editor's note, § 12-2201.

SEC. 12-2203. - CONDITIONS OF ISSUANCE.

An applicant must pay required application and inspection fees and charges, and provide evidence of required insurance and compliance with all conditions of third party agencies (including but not limited to Pacific Gas and Electric Company, Fresno Metropolitan Flood Control District, San Joaquin Valley Air Pollution Control District, and similar agencies), all as a condition precedent to issuance of an "at-risk" permit. Up to twenty-five (25) "at-risk" permits for buildings and structures (including model and production homes) may be granted per tract, provided appropriate Fire Department approval is granted. An additional twenty-five "At-Risk" permits may be granted by the Planning and Development Director provided that Fire approval is granted and the respective Final Map for the subdivision is submitted and deemed technically correct by the Public Works Department.

Upon issuance of an At-Risk Permit, applicants shall respond within 30 days to plan review comments through the submittal of revised plans until the At-Risk Permit is converted to a formal permit, or the At-Risk Permit could be revoked. Two additional 30 days extensions may be granted by the Building Official.

(Added Ord. 2018-17, § 1, eff. 8-2-18; Am. Ord. 2022-008, § 1, eff. 6- 6-22).

Note— Former § 12-2202. See editor's note, § 12-2201.

SEC. 12-2204. - HOLDER TO PROCEED AT ITS OWN RISK.

The holder of such "at-risk" permit shall proceed at the holder's own risk, including all risk of liability, and without assurance that a notice of acceptance of infrastructure improvements will be recorded, or that a certificate of occupancy for a building or structure will be granted. The holder must receive all necessary inspections during the course of "at-risk" construction. Corrections or modifications in work performed may be required to meet the requirements of the technical codes and final approved plans. Occupancy will not be permitted until all plans are approved, all conditions of approval required for occupancy are met, and the final map, if required for the property, is recorded.

(Added Ord. 2018-17, § 1, eff. 8-2-18; Am. Ord. 2022-008, § 1, eff. 6- 6-22).

Note— Former § 12-2203. See editor's note, § 12-2201.

SEC. 12-2205. - RULES AND REGULATIONS.

The Development and Resource Management Department may set forth additional policies and procedures for the issuance of "at-risk" permits consistent with and to carry out the intent of this article. Any additional policy or procedure issued pursuant hereto shall be approved by the Council.

(Added Ord. 2018-17, § 1, eff. 8-2-18; Am. Ord. 2022-008, § 1, eff. 6- 6-22).

Note— Former § 12-2204. See editor's note, § 12-2201.

SEC. 12-2206. - ONE YEAR REVIEW.

The operation of this article shall be reviewed by the Council within one (1) year of its effective date. The City Manager shall provide a report to the Council with findings and recommendations.

(Added Ord. 2018-17, § 1, eff. 8-2-18; Am. Ord. 2022-008, § 1, eff. 6- 6-22).

Note— Former § 12-2205. See editor's note, § 12-2201.

AT-RISK PERMIT APPLICATION**

PROJECT ADDRESS: _____

GRADING PERMIT RECORD NO. _____

If the requested At-Risk building permit is issued, it is expressly understood and acknowledged that:

1. The plans for the entire building have not, at this time, been approved for compliance with applicable State and City of Fresno building regulations. No work will be performed until the at risk permit is issued and all fees are paid.
2. For multifamily residential, commercial, and industrial projects, after receipt of "first round" comments regarding any infrastructure improvement plans (including grading plans), and a finding the infrastructure improvement plans are substantially acceptable, or submittal of a completed application for a building permit, the appropriate official, and/or building official, is authorized to issue an "at-risk" permit for grading, sewer, water, dry utilities, buildings and structures (including model and production homes) before the relevant construction documents have been finally approved, and before the final map, if required, records.
3. If as a result of the plan check for the remainder of the building, it is subsequently determined that any elements constructed which are not in compliance with the pending approved plans, I/we shall assume full responsibility and all risk of loss which may result due to changes/corrections. I/we agree that the building shall conform to the approved final plans as amended, and in compliance with the California Building Code and local ordinances, without regard to the stage of construction and cost.
4. I/we are proceeding at my/our own risk without assurance by the City of Fresno that a permit for the entire building will be granted.
5. All permit fees will be paid for at the time of At Risk permit issuance. Occupancy will not be permitted until all plans are approved, all conditions of approval required for occupancy are met, and the final map, if required for the property, is recorded.
6. Indemnification. To the furthest extent allowed by law, Permittee shall indemnify, hold harmless and defend City and each of its officers, officials, employees, agents, and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by City, Permittee or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees, litigation and legal expenses incurred by City or held to be the liability of City, including plaintiff's or petitioner's attorney's fees if awarded, in connection with City's defense of its actions in any proceeding), arising or alleged to have arisen directly or indirectly out of performance or in any way connected with: (i) the making of this Permit; (ii) the performance of this Permit; (iii)
