PORTFOLIO - EARNED INCOME YIELD

In accordance with State Law, the Finance Director certifies that the securities held in the City Investment Portfolio, comply with City policies. The Finance Director further certifies that the City has Operating Funds available to meet its expenditure requirements for the next six months.

Amortized Cost - the total amount at which investments are carried on the City books. This amount includes the amortization and accretion of premiums and discounts, respectively.

Market Value - the total amount at which investments are being sold in the market. Market prices are provided by the Bank of New York.

Maturity Value - (also referred to as "par value") the total amount of the face or stated value of the investments at maturity.

Average Days to Maturity - the average time in days left in the maturity of the investments.

Monthly Yield - the rate of return on investments as expressed in a percentage.

Earned Interest - the amount of income realized by all investments.
