

**CITY OF FRESNO  
PLANNING AND DEVELOPMENT DEPARTMENT**

**2023-2024 ANNUAL ACTION PLAN  
HOUSING AND COMMUNITY DEVELOPMENT NEEDS  
NOTICE OF PUBLIC HEARINGS AND PUBLIC COMMENT OPPORTUNITIES**

The City of Fresno will receive approximately \$11.7 million of federal funding from the U.S. Department of Housing and Urban Development Office of Community Planning and Development (HUD CPD) to fund programs and projects to implement the City's housing and community development strategies to benefit low- and moderate-income persons. The funds will be sub-awarded to programs and projects operated by City Departments or eligible non-profit organizations to address the most critical community needs outlined in the City's adopted 5-year Consolidated Plan available at [www.fresno.gov/housing](http://www.fresno.gov/housing).

**The City requests input to identify the most effective activities to implement the following strategies:**

- Provide assistance for the homeless and those at risk of becoming homeless through safe low-barrier shelter options, housing-first collaborations, and associated supportive services.
- Improve access to affordable housing for low-income and special needs households by partnering with interested developers to increase development of low-income and affordable housing in high opportunity areas, and by promoting the preservation and rehabilitation of existing affordable housing units.
- Promote quality of life and neighborhood revitalization through improvements to current public infrastructure and facilities, and by closing gaps in areas with aging, lower quality, or nonexistent public infrastructure and facilities.
- Provide services to low-income and special needs households that develop human capital and improve quality of life.
- Provide services to residents and housing providers to advance fair housing.
- Plan and administer funding for community development, housing, and homelessness activities with improved transparency, increased community involvement, and full compliance with federal regulations.

The City expects to receive the following funds for fiscal year 2023-2024:

- \$7,184,218 – Community Development Block Grant (CDBG)
- \$3,289,681 – HOME Investment Partnerships (HOME)
- \$714,258 – Housing Opportunities for Persons with AIDS/HIV (HOPWA)
- \$606,586 – Emergency Solutions Grant (ESG)

Community Needs Workshops and a Public Hearing will be held to request input about which eligible activities residents would like to see funded, and how those activities can be most effectively implemented.
