If you believe this is not an issue come on out here around 9 p.m. and take a big whiff of this foul air.
P-R Farms	10/21/2018	C-1810-115	This odor started on 10/19 and continued till yesterday. The smell is so bad I felt sick. I understand it's the fertilizer on almond farm on Shepherd and Minnewawa, but it is unbearable. I lived in this area since 1999 and it has never been so bad. Closing the windows won't do the job and leave the whole house smelling like waste until the next day. Please, please do something about it. This new human waste fertilizer they are using is really affecting the area.
Chestnut And Nees	10/22/2018	C-1810-118	Chemical smell in the air been for couple of weeks, tingling and coughing.

Odor Complaints in City of Fresno Planning Area 2015-2019

Location	Date	Complaint Number	Findings
P-R Farms	10/29/2018	C-1810-145	Very bad, awful, noxious, and heavy smell in the north east Fresno area that I believe is emanating from P-R farms on Chestnut and Shepherd.
Chestnut/Copper	11/2/2018	C-1811-005	Foul fertilizer smell.
Peach/Minnewawa	11/6/2018	C-1811-016	Foul smell of fertilizer which is causing health issues.
Ocs Shepherd/Willow	11/7/2018	C-1811-019	I wrote in several weeks ago (C-1810-111) to talk about the strong odors coming from PR Farms on Shepherd. Someone called back and nicely explained that the Air Pollution Control Board didn't feel it was detrimental to our health. I usually have barely noticeable asthma, but for the last month, it has been extreme. I still have it. I think you should re-evaluate. This asthma and the horrible order should be addressed. From hearing the reports of all the people that are having breathing problems, and from the fact that the odor gets in your house as well as being outdoors, I find it hard to believe that this is somehow OK for your health. I think you should re- evaluate because this cannot possibly be ok for our lungs. You need to hear all the people and how it affects them, rather than just say it is ok. It is obviously not ok.
P-R Farms	11/7/2018	C-1811-020	Toxic smell.
