

West Area Neighborhoods Specific Plan Implementation Prioritization Survey

Purpose of the Survey

The purpose of this survey is to determine which Goals are most important to West Area stakeholders. This will help prioritize implementation measures.

Q1. What is your tie to the West Area? *Please select all that apply.*

- ☐ Resident
- ☐ Property Owner
- ☐ Other: _____
- ☐ Business Owner
- ☐ Advocate

Q2. What are your cross-streets? *example: Ashlan & Cornelia*

This helps us know if we are receiving input from all over the Plan Area _____

Prioritizing Goals

Here you will see all 14 Goals of the Specific Plan. Rank
Please rank them from 1 (most important) to 14 (least important). 1-14

IPR Goal 1	Improve access, movement, and safety for all transportation modes in the West Area.	
IPR Goal 2	Provide streetscapes that are welcoming and safe to all users, instill a sense of place within the West Area, and contribute to the community’s safety and quality of life.	
IPR Goal 3	Continue to plan for, properly manage, and preserve water resources and natural habitats in the West Area.	
PF Goal 1	Develop new parks, trails, and open space within the West Area.	
PF Goal 2	Encourage the role of schools as interconnected, neighborhood-supportive facilities.	
PF Goal 3	Advocate for the expansion of educational opportunities within the West Area, especially for higher education.	
PF Goal 4	Develop public facilities for first responders that increase service efficiency and enhance community safety.	
PF Goal 5	Increase access to new and existing community centers within the West Area.	
LUH Goal 1	Promote the orderly development of the West Area.	
LUH Goal 2	Increase opportunities to retain agricultural uses and promote agritourism within the West Area.	
LUH Goal 3	Create Complete Neighborhoods in the West Area that provide a variety of amenities within walking distance to meet the daily needs of residents.	
LUH Goal 4	Identify West Area neighborhoods as a means to leverage resources and build community.	
LUH Goal 5	Provide for urban edge transitions that respect existing rural residential and agricultural uses.	
LUH Goal 6	Establish clean, safe, and stable housing opportunities that provide for a variety of housing types; are available to people of all incomes, ages, and family sizes; and strengthen the pride and identity of residential neighborhoods.
