# **CURRENT CONDITIONS**

## CONDICIONES PRESENTES

# CONSTRAINTS / LIMITACIONES

- Fresno Irrigation District needs **maintenance access to one side of canal.**
- Canal travels adjacent to **private properties and individual homes** (typically backyards).
- **Trail design guidelines require a minimum 20' setback** from edge of canal bank.
- **Lack of existing trees/shade/vegetation** result in hot and dusty conditions.
- Street crossings **lack bicycle and pedestrian infrastructure.**

# POTENTIAL OPPORTUNITIES / POSIBLES OPORTUNIDADES

- **Existing, green, Shared Use Paths** along canal afford existing trail infrastructure to tap into.
- Most canal crossings in project area have **planned or existing Class I + II Bike Paths**
- Key areas next to canal offer **opportunities for accessible green space, amenities, and parking.**
- Canal travels next to areas slated for **new development.**
- Some **developments have or will be installing trail** along the canal.
