

Managing Fats, Oils, and Grease

It's Easier Than You Think!

To report overflows or backups,
call (559) 621-1496

Cool It

Let grease sit after cooking until it's cool and safe to handle.

Can It

Transfer grease to a disposable container, like a can or jar.

Trash It

Put grease inside of a trash bag and into your gray cart.

March is Fix a Leak Month!

For the month of March, toilet rebates increase from \$100.00 to \$150.00 to celebrate Fix a Leak Month! You're steps away from saving water and money!

Fixing leaks is as easy as 1-2-3!

- 1 REPLACE** your old showerhead with WaterSense labeled showerhead.
- 2 MONITOR** your faucets.
- 3 CHECK** your toilet for leaks. (toilet rebates increase from **\$100.00** to **\$150.00** during Fix a Leak Month!).
