0, 2, 4, 6, and 8
can water on
SUNDAYS

Avoid watering
between
10am and 6pm

NOVEMBER 2022 • DIVCOF-145256

Need help adjusting your sprinkler timers? Call 559-621-2489 during regular business hours.

Keep the Fats, Oils, and Greases Away from Drains

Fats, Oils, and Greases (FOG) stick to the sides of sewer lines causing expensive blockages and backups. To avoid unexpected overflows or increasing treatment costs, follow these simple rules:

Never put FOG down your drain

Avoid using the garbage disposal

Place FOG in a jar and dispose of it in the gray cart
