PLANNING & DEVELOPMENT FEES

MUNICIPAL RESTORATION ZONE - SPECIAL RATES

II. Building Permit Fees and Development Entitlement Fees

One time maximum cumulative fee reduction of \$50,000 for each Eligible Business Property including any additions of property to the site. The reduction may be available one-time only and apply to a single project, and a single Eligible Business Property, e.g., establishing the business facilities or expanding the business facilities at the Eligible Business Property.

An Eligible New or Expanding business, which is certified during an Incentive Period, and applies for the incentive, may receive a one-time reduction of up to 50 percent of building permit fees and development entitlement fees. Such reductions of fees will apply to items contained in Planning & Development Sections, " Minor Additions and Alterations, Land Use and Zoning, and New Construction" of the Master Fee Schedule. Such reduction shall not apply to impact fees. Where such fee reductions are available under a different program or policy, such as the Enterprise Zone, or under the City's "inner city fee reduction policy", an Eligible Business in the MRZ may choose the fee reduction that provides the greater benefit. Where such fee reductions are available under a different program or policy, such as the Enterprise Zone, or under the City's "inner city fee reduction policy," an Eligible Business in the MRZ may choose the fee reduction under the program that provides the greater benefit but may not receive multiple overlapping fee reductions.

Documentation or other certification process will include a provision notifying the business that such fee waiver or reduction may result in the work being conducted under the permit or other entitlement for which fees are reduced or waived being determined to be a public work for prevailing wage purposes, thereby requiring the business or other party contracting for the work to pay prevailing wages (see California Labor Code sections 1720, 1726, 1771 and 1781). The business receiving the incentive shall be solely responsible for determining the application of and paying prevailing wages and complying with any other duties arising from such determination.

Application for Reduction - Qualified businesses may receive a reduction, by submitting the application to the City of Fresno Development and Resource Management Department, Attention: Director; 2600 Fresno Street, Room 2156 Fresno, California 93721-3608.
