A grievance involves the claimed misapplication or misinterpretation of a rule or regulation relating to an existing right or duty; it does not relate to the establishment or abolition of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to, appeal to the Civil Service Board, Retirement Board, State of California Office of Administrative Hearings, or unfair employer-employee relations charge fact-finding procedure.
2. A written grievance must set forth the rule or regulation claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Committee shall rule on the dispute before proceeding with the hearing.
3. The Association may represent employees covered by this MOU on a grievance under the grievance procedure.
4. An Association Officer designated by the Association in writing shall be excused from regular duties without loss of compensation for such time as is necessary to attend and represent the grievant at a grievance hearing, beginning at the first level of supervision.
5. The procedure and sequence in filing and processing a grievance shall be as follows:
  - (a) The grievant and/or Association representative shall discuss the grievance with the grievant's immediate supervisor before a written grievance may be filed.

- (1) If the grievance is not settled through this discussion, it either may be discussed with the next higher supervisor or a written grievance may be filed with the grievant's immediate supervisor. A written grievance must be filed within twenty-one (21) calendar days from the time the grievant becomes aware or should have become aware of the issue or incident giving rise to the problem. Copies of correspondence shall be sent to Labor Relations.
  - (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply, with a copy sent to Labor Relations, within nine (9) calendar days.
  - (3) Prior to moving to the next level, the grievance shall be referred to the Association for review and recommendations.
- (b) Should the grievant not be satisfied with the answer received from the immediate supervisor, the grievant may within nine (9) calendar days file an appeal to the Fire Chief. The Fire Chief shall have twenty-one (21) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The grievant and/or representative shall have the opportunity, if desired, to present to the Fire Chief the position regarding the grievance. Copies of correspondence shall be sent to Labor Relations.
- (c) The City and Association may mutually agree to waive steps 1 and 2 and proceed directly to hearing by the Committee when the issue is one over which the grievant's supervisor or Fire Chief has no jurisdiction.
- (1) If the grievant is not satisfied with the decision of the Fire Chief, the grievant may within nine (9) calendar days after receipt of the written reply, file a request for a review of the Fire Chief's decision to the Grievance Advisory Committee, with a copy sent to Labor Relations.
  - (2) The City and the Association may agree to seek resolution of the grievance through mediation using the services of the State Conciliation Service, prior to hearing by the Grievance Advisory Committee. Time limits for processing of grievance are automatically extended for so long as mediation is in process. The fees and expenses of the mediator shall be paid half by the City and half by the grievant and/or Association.
  - (3) From the date a grievance, otherwise meeting all criteria for the filing and processing of a grievance, reaches the Labor Relations Division, the Grievance Advisory Committee will attempt to convene within thirty (30) calendar days in order

to hear the grievance.

- (4) The Grievance Advisory Committee shall conduct a hearing and make a recommendation to the City Manager within thirty (30) calendar days of their last meeting. Any fees and expenses for the GAC shall be paid half by the City, and half by the grievant and/or Association.

The Grievance Advisory Committee shall be bound by the language of the MOU, City Administrative Orders, ordinances, rules and regulations, and department rules and regulations consistent therewith in considering any issue properly before them. The Grievance Advisory Committee shall be expressly confined to the precise issues submitted and shall have no authority to consider any other issue not so submitted. The Grievance Advisory Committee may not recommend changes in established wages or benefits, nor recommend the payment of back wages or benefits to a date prior to the date of the incident.

- (5) The Grievance Advisory Committee shall be composed of three members, one selected by the Association, one selected by the City and one member mutually agreed to by the parties.

- (d) The City Manager shall review the decision of the Fire Chief and recommendations of the Grievance Advisory Committee and shall render a final written decision to the grievant within twenty-one (21) calendar days after receipt from the Grievance Advisory Committee.
- (e) Failure of the grievant to file the grievance or an appeal within the specified time limit for any step of the procedure shall constitute an abandonment of the grievance.

Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant. All time limits herein may be extended by mutual agreement of the parties.

Should there be a dispute regarding the deduction of dues, the Association shall provide the City with a copy of the authorization(s) signed by the employee.

A dues deduction authorization may be revoked by a member of the Unit, and dues or benefit cancelled by representation to the Association.

In the case of a member who is a non-pay status during only a part of the pay period and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.

### D. DUES DEDUCTION

#### D. HEALTH AND WELFARE

The City and the Association agree that the Fresno City Employees Health and Welfare Trust has the sole authority to determine the benefits that will be provided during the term of this MOU. Effective August 1, 2014, the City will contribute seventy-five percent (75%) of the premium established by the Fresno City Employees Health and Welfare Trust Board, and the employee may opt to contribute the amount necessary to make up the difference of the premium established by the Fresno City Employees Health and Welfare Trust Board, through payroll deductions, or accept a reduced coverage option.

After August 1, 2014, the cost of any future increases in the health and welfare premium will be shared on a fifty percent (50%) basis by the City and employees, except that employees will be required to pay no more than thirty percent (30%) of the premium established by the Fresno City Employees Health and Welfare Trust Board. At such time as the employee share is set at 30%, the City shall pay 70%.

Should any other represented bargaining unit in the City negotiate a successor MOU, or extend the period of an MOU, or have terms imposed resulting in a greater contribution by the City (including maintenance of percentage contributions) the City, upon the Association's request, will match that benefit.

The City and the Association shall meet and confer on proposed modifications to the Health and Welfare Trust; and proposed alternative health plans. The process may include other represented bargaining units. It is understood that the

continuation of the Side Letter on the Health & Welfare Trust dated February 24, 2009 shall be included in this process.

The parties also agree to work collectively in conjunction with their Board representatives to research and recommend potential cost-saving measures for the Health & Welfare Trust, which may include a choice of health program options based on individual need or preference, including a reduced option equivalent to the City's premium contribution, a separate rate for single employees with no dependents, or other flex plan programs; mandatory generic mail order drug maintenance for employees who require prescription drug therapy for any period of 90 days or more; or other measures that may be identified as this work progresses.

#### E. UNIFORM ALLOWANCE

Employees who are promoted from the Basic Unit (Unit 5) to the Management Unit (Unit 10) shall receive a one-time non-pensionable \$500 stipend for the purchase of the appropriate service uniform required for the higher classification. Employees shall receive one thousand five hundred dollars (\$1,500) per year prorated for uniform purchases and maintenance allowance, paid in semi-annual installments on the last pay period in December and June.
