

FORESTRY SUPERVISOR I

DEFINITION

Under direction, plans, coordinates, and supervises the activities of Fresno Municipal Tree Maintenance crews.

SUPERVISION RECEIVED/EXERCISED

The Forestry Supervisor I receives supervision from a Parks Supervisor II or Forestry Supervisor II. This class exercises supervision over assigned staff.

DISTINGUISHING CHARACTERISTICS

Forestry Supervisor I is the first-line supervisory class in the Forestry Supervisor series. The incumbent in this class will have direct public contact concerning municipal tree care and will provide field supervision to crews engaged in planting, trimming, removal, pest control and other tree maintenance operations. Forestry Supervisor I is distinguished from Forestry Supervisor II in that the latter classification is the program supervisor of the Fresno Municipal Tree Planting and Maintenance Program. Forestry Supervisor I is distinguished from Tree Trimmer Leadworker in that the latter is the advanced tree trimmer class in which incumbents provide lead direction to a tree trimming crew.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

(May include, but are not limited to, the following:)

Assigns and supervises the activities of work crews engaged in tree maintenance operations.
