

It's Here! The Annual Water Quality Report is Now Available.

Year after year, we're committed to maintaining a reliable water supply for the City of Fresno. We're pleased to report that the City of Fresno met all state and local water quality standards in 2022.

Do Your Part to Conserve Water — Rain or Shine

- **Recycle indoor water to irrigate your lawn or garden**
- **Use a broom to clean outdoor areas**
- **Wash only full loads of laundry and dishes**
- **Fix leaks immediately**
- **Download the EyeOnWater app**
