THIS AT-WILL EMPLOYMENT AGREEMENT ("Agreement") is made and entered into the 31st day of July, 2023, between the CITY OF FRESNO, State of California, a municipal corporation, ("City"), and BILLY ALCORN, ("Employee"), both of whom agree as follows:

RECITALS

- A. The City Manager of the City of Fresno ("Manager") desires to employ the services of Employee as Fire Chief for the City ("Fire Chief")("Position") as authorized in Article VII of the Charter of City of Fresno ("Charter").
- B. It is the desire of the Manager to retain the services of Employee and to provide inducement for Employee to remain in such employment.
- C. It is also the desire of the Manager to provide terms and conditions of Employee's employment on an at-will basis, and set the working conditions of Employee.
- D. The term of this Agreement commences on the date as set forth above, and shall continue until the Manager decides to terminate employment, or upon Employee's resignation or retirement. All previous employment agreements between the City and Employee, including amendments thereto, are null and void.
- E. Employee desires to accept employment as Fire Chief of the City on the terms and conditions set forth in this Agreement.

THHEREFORE, In consideration of the above recitals and the mutual promises, covenants, and conditions in this Agreement, the parties agree as follows:

SECTION 1. AT-WILL EMPLOYMENT STATUS

- A. Employee's employment with the City is employment at the sole will, discretion, and pleasure of the Manager, with or without cause, subject to the provisions of the Firefighters Procedural Bill of Rights Act, under Government Code Sections 3250 et seq., including Government Code Section 3254, subsection (c), which provides that no fire chief may be removed by a public agency or appointing authority without providing that person with written notice, the reason or reasons for removal, and an opportunity for administrative appeal. The parties understand and acknowledge that the rights and protections described and afforded in the Firefighters Procedural Bill of Rights Act shall only apply during events and circumstances involving the performance of Employee's official duties, pursuant to Government Code Section 3262. Nothing in this Agreement or in any other document shall limit the right of Employee or the Manager to terminate the at-will employment relationship, and nothing in this Agreement shall be construed to create a property interest, where one does not exist by rule or law, in the job of Fire Chief. Employee may also terminate this Agreement at any time by providing 30 days written notice to the Manager.
- B. Employee's employment status with the City shall remain at-will as defined by California law regardless of the length of employment, past or current performance, raises, promotions, or representations of continued employment by any agent or employee of the City.

SECTION 2. DUTIES AND TERM

- A. Employee shall professionally perform the functions and duties of the Fire Chief as specified in the Charter, Fresno Municipal Code, other ordinances, and resolutions of the City, and perform other legally permissible and proper duties and functions as the Manager shall

assign, including appointment, training, evaluation, suspension or removal of subordinate employees as set forth in Charter Article VIII, Section 806.

B. Employee agrees to abide by all City rules, policies, practices, and procedures in the performance of Employee's duties.

C. Employee shall work a regular director work schedule, as determined by Manager.

SECTION 3. SALARY AND BENEFITS

A. The Council of the City of Fresno has adopted a Salary Resolution which provides a salary range for the position of Fire Chief. The salary set forth herein is within the range provided in the Salary Resolution.

B. In consideration for Employee's performance of Employee's duties under this Agreement, City shall pay Employee an annual salary of \$230,000, payable in installments as other employees of the City are paid, and in accordance with applicable law, rules, and other regulations, such as the City Salary Resolution. Should the City implement a wage reduction for all Non-Represented Management-Confidential employees during the life of this Agreement, Employee's base pay will be reduced by the same percentage (i.e., City-wide employee application). In no event shall Employee's annual salary be less than five percent above that of his highest paid subordinate employee.

C. City shall provide Employee use of a City issued cell phone, for business use.

D. City shall provide Employee use of a City vehicle assigned to the Fire Department, for business use to commute to and from work, and/or with permission of the Manager, in lieu of vehicle allowance. Employee's use of the City vehicle shall be consistent with the requirements of City Administrative Order 8-8.

E. Employee's normal rate of pension contribution in the Second Tier of the City of Fresno Fire and Police Retirement System shall be as set forth in Fresno Municipal Code Section 3-405, as amended.

F. Employee may participate in the City's deferred compensation plan through voluntary payroll deductions.

G. Except as may be specifically set forth in this Agreement, Employee shall be entitled to uniform allowance and all leave benefits, including Sick leave, Vacation leave, Management leave, Holiday leave, including any cash-out provisions, and to participate in the Health Reimbursement Arrangement (HRA), long-term disability, and life insurance, in the same manner as granted to the Deputy Fire Chiefs in the Fire Management Unit, and subject to the terms of the applicable health and welfare plan documents as they may be amended from time to time. Nothing herein shall be construed as requiring City to establish or continue any particular health and welfare plans or HRA plan in the discharge of its obligations under this Agreement. Uniform allowance and Sick leave, Vacation leave, Holiday leave, and Management leave time accrued shall be pensionable compensation only to the extent it is a benefit provided pursuant to the Fire Management Unit Memorandum of Understanding applicable to Deputy Fire Chiefs with the City effective at the time of this Agreement.

H. Employee shall receive education compensation consistent with the Fire Management Unit for satisfactorily having attained a Chief Officer Certification through the California State Fire Marshal, a Chief Officer Designation through the Commission on Professional Credentialing, or an Executive Fire Officer Certificate through the National Fire Academy, for a total of nine percent (9%) above Employee's base rate of pay. The education compensation

shall be pensionable if it is deemed pensionable in the Fire Management Unit Memoranda of Understanding applicable to Deputy Fire Chiefs.

I. Except as may be specifically set forth in this Agreement, Employee shall be entitled to other fringe benefits generally applicable to Non-Represented Management-Confidential Employees of the City when and as Employee becomes eligible for them. City reserves the right to modify, suspend or discontinue any and all of the benefits provided in this Agreement at any time without notice to or recourse by Employee as long as such action is taken with respect to all Non-Represented Management-Confidential Employees in the City (i.e., City-wide employee application). Nothing in this Agreement shall be construed as requiring City to establish or continue any particular plans in the discharge of its obligations under this Agreement. This subsection shall not be interpreted or applied in a manner whereby Employee shall be entitled to dual benefits for the same category of benefit granted in this Agreement.

SECTION 4. TERMINATION AND SEVERANCE PAY

A. Employee's employment shall be subject to the absolute and sole discretion of the Manager. Employee may be removed from Employee's position as Fire Chief and employment terminated at the will of the Manager at any time for any reason whatsoever or for no reason at all, as provided in Section 1 of this Agreement. Should Employee elect to resign or retire, Employee shall provide the Manager with 30 days written notice.

B. In the event the Manager terminates Employee's employment with the City, Employee shall be paid severance pay in an amount equal to six (6) months of Employee's base salary, plus the City's portion of contributions to maintain health and welfare coverage that is provided by the City for six (6) months. Severance pay shall not be utilized for purposes of retirement credit and no additional benefits (e.g., Sick leave, Vacation leave, or Management leave) will accrue or be owed during the severance period, with the exception of the health and welfare coverage set forth herein this subsection.

C. Should Employee accept other employment at any time during the period of this Agreement, City's responsibility under this Agreement shall cease and no additional sums or benefits shall be payable, except such amounts that are due upon Employee's separation from City service. Employee agrees to notify the City in writing immediately upon acceptance of other employment, including full or part-time work whether independent contractor status or as an employee. City reserves the right to terminate this Agreement based upon the receipt of notification of the nature of employment by Employee prior to the date of resignation or retirement.

D. This Agreement shall terminate immediately and City shall not be obligated to make any severance payment upon the occurrence of any one of the following events:

- (1) Upon the death of Employee;
- (2) Upon determination that Employee is unable to perform the essential functions of Employee's position, with or without a reasonable accommodation, due to a mental, physical or other illness or disability lasting a period of six (6) months or longer;
- (3) In the event Employee is terminated because of serious misconduct or malfeasance, which the Manager determines is related to the effective performance of Employee's official duties, including but not limited to criminal conviction in office;

- (4) In the event Employee is convicted of any felony or felonies, including Employee's guilty plea or no contest plea (i.e., *nolo contendere* plea) to any felony charge;
- (5) Employee accepts other employment, as set forth in Section 4, Subsection C in this Agreement;
- (6) Upon six months written notice by the Manager to terminate the Agreement; or
- (7) Upon Employee's resignation or retirement from employment.

E. Employee agrees and acknowledges that if this Agreement is terminated, any cash settlement related to the termination Employee may receive from the City shall be fully reimbursed to the City if Employee is convicted of a crime involving an abuse of his office or position, as defined in California Government Code §53243.4, which currently defines "abuse of office or position" as either: (1) an abuse of public authority, including, but not limited to, waste, fraud, and violation of the law under color of authority; or (2) a crime against public justice, including, but not limited to, a crime described in Title 7 (commencing with Section 92) of Part 1 of the Penal Code.

SECTION 5. CONFIDENTIAL INFORMATION

A. Employee acknowledges that during the course of his employment with the City, Employee will become privy to information about the City, which the City deems private, confidential and proprietary. Employee agrees to treat all such information in strict confidence and will not disclose any Confidential Information Employee may obtain or have access to.

B. The term "Confidential Information" shall mean any and all documents, materials and information (whether oral or written) which is revealed to Employee directly or indirectly and whether specifically designated as "Confidential" or which ought reasonably be regarded as confidential under or in connection with the employment of Employee.

C. Employee further agrees the Confidential Information will not be used by his in a way detrimental to or to the disadvantage of the City. Employee further acknowledges the disclosure of Confidential Information may be harmful to the City and agrees to hold such Confidential Information in the strictest confidence and not to disclose the same or release it to any other party, except as authorized by the Manager to employees of the City or other individuals having a need to know as part of their official duties with the City.

D. In the event the Employee becomes legally compelled (by deposition, interrogatory, public request for documents, order, subpoena, civil investigative demand, or similar process issued by a court of competent jurisdiction) to disclose any of the Confidential Information, prompt written notice of any such requirement shall be provided to the Manager so the Manager may seek a protective order or other appropriate remedy and/or waive in writing compliance with the terms of this Agreement. In the event that such protective order or other remedy is not obtained, and irrespective of whether or not compliance with the provisions hereof is waived, Employee agrees only that portion of the Confidential Information which Employee's legal counsel advises it is legally required to be disclosed shall be disclosed and reasonable efforts shall be made to obtain assurance that confidential treatment will be accorded such Confidential Information.

SECTION 6. PROFESSIONAL DEVELOPMENT

A. City shall pay for Employee's attendance at two (2) professional organization conferences per year, which may include attendance at a California League of Cities

Conference. Attendance at additional professional conferences, classes, or meetings may be approved in advance by the Manager, subject to budgetary constraints.

A. In the event of any dispute involving any provision of this Agreement, or any dispute regarding Employee's employment with the City or termination from the City, including, but not limited to, a claim of constructive discharge, retaliation, wrongful termination, discrimination, or harassment (with the exception of claims for workers' compensation, unemployment insurance and any matter within the jurisdiction of the California Labor Commissioner, and those claims established by the California Fair Employment and Housing Act and the California Labor Code), Employee and the City agree to submit any such dispute to non-binding arbitration, pursuant to the provisions of the California Code of Civil Procedure, commencing at Sections 1280 et seq. (or any successor or replacement statutes).

B. Employee shall have the opportunity to seek all relief that would otherwise be available in law or equity.

C. The arbitration provision shall not relieve Employee of Employee's obligation to timely pursue an administrative or governmental tort claim within the jurisdiction of any administrative or public agency (e.g., the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the City of Fresno, etc.) before asserting any such claim against the City.

D. If Employee and the City are unable to agree on the selection of a neutral arbitrator, the City at its discretion and cost, shall obtain a list of at least three arbitrators from the State Mediation and Conciliation Service or American Arbitration Association. Employee (first) and then the City, will alternately strike names from the list until only one (1) name remains; the remaining person shall be the arbitrator. Arbitration proceedings shall be held in California at a location mutually convenient to the Employee and the City, but not outside of Fresno County unless mutually agreed to by the Employee and the City.

E. Employee and the City agree that each party shall be entitled to pursue discovery, including written discovery and depositions, which is sufficient to adequately arbitrate their claims. However, absent consent from the arbitrator for good cause shown, discovery initiated by each party shall not exceed three (3) depositions, 35 interrogatories, 35 requests for production and 35 requests for admissions, save and except requests to authenticate any document. The arbitrator shall hear and resolve any discovery disputes between the parties, and is empowered to award discovery sanctions pursuant to the California Code of Civil Procedure.

F. Following a hearing conducted by the arbitrator, in a manner mutually agreed to by the parties or as determined by the arbitrator, the arbitrator shall issue a written opinion and award, if applicable, which shall be signed and dated. The arbitrator shall be permitted to award only those remedies in law or equity which are requested by the parties and which the arbitrator determines to be supported by credible, relevant evidence.

G. The arbitrator's opinion will be subject to judicial enforcement or review pursuant to California Code of Civil Procedure Sections 1285 et seq.

H. Except as provided by statute, Employee and the City shall each bear their own costs incurred for legal representation as part of any such arbitration. The City shall bear all reasonable costs of the arbitrator, court reporter, if any, and any related costs of arbitration, except to the extent that Employee would have been required to pay such costs (e.g., filing fees, court reporting fees at deposition and at trial, or discovery sanctions) if said claim were to be litigated in a court of law.

I. Employee and the City hereby agree that this Section 6 shall survive the termination of Employee's employment and shall survive the termination and/or expiration of this Agreement.

J. The failure or delay of City at any time or times to require performance of, or to exercise any of its power, rights or remedies with respect to any term or provision of this Agreement or any other aspect of Employee's conduct or employment in no manner (except as otherwise expressly provided herein) shall affect City's right at a later time to enforce any such term or provision.
