634	I love many things about the tower. I love that I could walk to essentially anywhere I would ever need. We have markets, urgent cares, restaurants, furniture stores, affordable clothes through thrift stores, etc. It feel like our own mini walkable city. I love the sense of inclusion and community. We take SUCH pride in our neighborhoods we truly with open arms accept the people some may have forgotten ; homeless persons, LGBTQ+, you name it we accepted it. I have lived her since birth and not once have I ever felt confined or stuck because of the abundance this neighborhood provides. Whether it's skate boarding or riding bikes around city college or hamilton in the summers or walking to the chicken pie shop (RIP) for a daddy daughter date. The love and joy here is infinite.	4/29/2023 8:15 AM
635	It has such an eclectic vibe that I can't resist! I've lived all over Fresno and I've never felt so at home. 1	There are two existing historic districts in the plan area, and there are opportunities for others. Historic districts develop pride in unique neighborhoods	6/26/2023 10:47 AM
2	The tower district and Fresno high neighborhood is one of few areas in Fresno county that has chosen to retain its essence while evolving and modernizing. The tower theater is an icon of the tower community and has been a center piece to hold the district and it's identical together.	6/26/2023 6:56 AM
3	I believe that it is important to preserve historic buildings, but generally it is more important to make the tower a better place to live. There should be a balance between the two.	6/24/2023 9:01 AM
4	All historic structures and art should be protected and preserved	6/23/2023 10:21 PM
5	Some buildings are just junky and would be a terrible waste of money to preserve.	6/23/2023 7:46 PM
6	Strongly agree. As set forth in the 1991 specific plan, there were several proposed historic districts that need protecting. While the Wilson Island historic district, it is well past time the Terrace Gardens and other neighborhoods along the Van Ness and Palm corridor obtain protection to preserve the unique characteristics that continue to draw people to the area.	6/23/2023 6:49 PM
7	Yes!!! Absolutely. It is important for all areas of the city to preserve and protect the architectural history of our city.	6/23/2023 6:28 PM
8	Yes, resources should be preserved. Historical facades should be maintained where possible, but interiors should be allowed to update to address modern uses.	6/23/2023 5:43 PM
9	Historic building are what makes the tower the tower. Without them it wouldn't be the same	6/23/2023 4:57 PM
10	The architecture and its thriving community are what make the Tower unique. It's a draw that says, "were a little different over here, come and have a visit."	6/23/2023 4:09 PM

12	I would like to see stronger protections for historic homes from being torn up/remuddled	6/23/2023 3:40 PM
13	The tower has its distinct vibe and very friendly . I feel that we must preserve historic buildings as to preserve our history	6/23/2023 3:14 PM
14	The City puts their nose in too much business (fence permits FFS?) yet ignores cannibalized "remodeled" buildings	6/23/2023 2:08 PM
15	Great to save historic buildings that are in good shape, and add beauty to the neighborhood.	6/23/2023 1:32 PM
16	YES historical buildings are very important to me. They give the Tower character and preserve its rich history.	6/23/2023 12:15 PM
17	It's one of the few places that has a historic past in Fresno and should be preserved. It is also a favorite place to visit for a lot of people in and across the valley.	6/23/2023 10:26 AM
18	Fresno has a long history of disrespecting its foundations, from the workers who built it to the architecture we constantly destroy. It's embarrassing.	6/23/2023 8:46 AM
19	It's good to preserve historic buildings as long as doing so doesn't conflict with the needs we have now.	6/23/2023 12:40 AM
20	Tower theater, yes, the bakery, and pot pie, yes.. BUT not the other simple buildings that would benefit from updates.. it's so hard to be Ada compliant and also fun	6/22/2023 11:08 PM

22	Retaining the historic neighborhood feel and keeping the District's unique setting	6/22/2023 9:16 PM

24	Yes, but many people can't afford the upkeep.	6/22/2023 8:41 PM
25	In a city filled with strip malls and boring big box shopping centers, the Tower is unique in Fresno. Pedestrian friendly with historic homes and shops. It's irreplaceable.	6/22/2023 8:29 PM
26	Please keep the Tower Theater safe	6/22/2023 5:58 PM
27	Absolutely! The tower district bring so much culture and community history to Fresno, and it should be preserved in any way possible.	6/22/2023 5:33 PM
28	Yes. Places like the Tower Theater need to be physically preserved and kept the same. They are gorgeous, they are important parts of history, they are who we are. If we don't protect them, no one will. We already recently lost Chicken Pie Shop. We need to stop losing our important historical locations. We need to show them love and support.	6/22/2023 5:05 PM

32	The historic architecture of the homes in Tower are charming and beautiful and the old downtown feel of Olive should be protected.	6/22/2023 3:41 PM
33	We desperately need more housing, but there's historic buildings there that I think should stay	6/22/2023 3:27 PM
34	The tower is historically an older section of town. Few places in Fresno have been maintained so tower should definitely keep its historical significance and cohesion/look.	6/22/2023 2:17 PM
35	if it benefits the gay community yes, if it harms it no	6/22/2023 1:05 PM
36	I agree, but I strongly feel that resources & investment should also be allocated for businesses that support the community and help it thrive, as well. It should go beyond the physical and also reach community, preserving and investing within the community and the ambience that's made Tower what it is.	6/22/2023 12:25 PM

at classic buildings we all live it will no longer be the tower. I still cry that the chicken pot pie shop has to close it's doors among so many countless other wonderful timeless business and buildings closed and shuttered up. So sad.

38	City has treated us very poorly	6/22/2023 9:04 AM
39	Yes, but the historical parts of Tower District should be well maintained and functional. A lot of the historical buildings are run down and vacant.	6/21/2023 7:31 PM
40	I believe it is very important to preserve and protect historic buildings and resources because history is important and everyone should see and know about it.	6/21/2023 3:02 PM
41	Tower theater, yes...other properties not so much	6/21/2023 2:41 PM
42	What makes the Tower District unique are the historical buildings and residences; it's not a "cookie cutter" housing development.	6/21/2023 1:39 PM
43	Bigoted Christian Nationalist should NEVER be allowed in the Tower in any shape or form. NO PB!	6/21/2023 6:05 AM
44	I think also the COLORS of the historic buildings and character of the district need to be maintained.	6/20/2023 3:26 PM
45	I do agree that you should keep the home looking historic however it is important to do updates on your home. So the home will be more energy efficient. Just because the home is historic doesn't mean that the homeowner should have a high PG&E bill. Therefore the windows, doors, etc should be updated. Nobody should have a high PG&E bill regardless of their historic home.	6/19/2023 2:10 PM
46	I like the idea of keeping the historic nature of buildings, but wish the restrictions would account for the importance of allowing ADU building and conversions of existing garages into ADUs, particularly where multigenerational living is contemplated.	6/19/2023 2:06 PM

58	Tower theater NOT becoming a church has been the best news for the area. There is a sense of acceptance and freedom amongst "tower people" and that would have taken so much away from the area	6/15/2023 10:04 AM
59	Fresno has done a terrible job at preserving history. We need to do better.	6/15/2023 8:49 AM
60	I think every city has a place of historic value that should be preserved and protected.	6/13/2023 5:11 AM

72	I agree until it makes it more difficult to open new businesses in tower.	6/6/2023 9:04 PM
73	Lately, it makes me sad to see how dirty our streets look. I feel bad for businesses like CDT and Frosted cakery, and others who put such great effort into making a beautiful place to eat and just outside their door, it's filthy and smells.	6/6/2023 7:45 PM
74	Yes! Historic buildings offer unique features not found in other parts of Fresno or the valley.	6/6/2023 6:56 PM
75	Historic buildings give a neighborhood it's character and tie us to it's history. They are often way more interesting than anything that has been built in the last 50 years. We can't afford to build like that anymore so we need to preserve them.	6/3/2023 2:52 PM
76	Part of what makes the tower district so distinct is the older antique look and feel that our neighborhoods have! The tower theater is a huge player in its history as well!	6/1/2023 1:20 PM

86	i love the tower theater and my craftsman house. the houses have lots of soul and character	5/29/2023 9:47 PM
87	The architecture in the Tower District holds significant value. The architecture gives history as well as a sound financial investment for the future. Preservation and conservancy has a larger return than building new structures.	5/28/2023 8:42 AM
88	Aside from the Tower with facade, I think the movie house and most commercial buildings need modernization or replacement	5/28/2023 12:40 AM

107	I think that keeping the historical buildings is good but can keep them open to the public is good	5/25/2023 5:12 PM
108	It's important to preserve historic buildings because literally everything built in the city over the last 50 years has been ugly. Case in point are the new Granville apartments at Van Ness and Olive. I support the development because Tower badly needs more multifamily housing, but this new, aggressively bland cookie-cutter style sticks out horrifically amidst the beautiful older styles of apartment and duplex buildings along Van Ness and Wishon. Fresno only has a handful of beautiful streets as it is so it's all the more important that we preserve them. But even the tackiest Assemi designs are still way better than a large empty lot, Circle K, and a carwash like at Palm and Olive, so I will always support adding infill apartments no matter what they look like.	5/25/2023 1:31 PM
109	Tower is one of the few areas of Fresno with architecture still remaining with connections to the past	5/24/2023 11:32 PM
110	The Tower is historical and exciting. It's alive with music, friendly people. It's the most interesting sections in Fresno.	5/24/2023 6:22 PM
111	I believe every city should protect their historic buildings and preserve the history of the community	5/24/2023 5:08 PM
112	i love the tower theater and my craftsman house. the houses have lots of soul and character	5/24/2023 3:47 PM
113	The tower is historical. The character of the businesses, homes, and schools, and old trees are a sign of long-term well-being, and pride. I'm proud to continue the care of my 1924 California adobe and count it a responsibility to the neighborhood to do so.	5/24/2023 10:27 AM
114	As a small business owner in the tower of not just one but two small businesses. The city shows absolutely no support for us.	5/24/2023 12:20 AM
115	It depends on what building. I would rather see Tower flourish and be extremely successful than stick to old ways or unattractive buildings.	5/23/2023 2:30 PM
116	It's very important as keeping the history is important for future residents and visitors to appreciate tower and the community.	5/23/2023 1:48 PM

117	Si pero sobretodo que sean remodelados	5/23/2023 1:20 PM
118	Losing the tower theatre was a near catastrophe.	5/23/2023 6:31 AM
119	Would love to see grant monies for vacant spaces to be restored and occupied. A community garden would be great.. or just plant fruiting trees for our houseless friends.	5/22/2023 9:01 PM

121	Yes - in a manner that is accessible to as many people as possible, and in a way that doesn't interfere with other priorities	5/22/2023 2:11 PM
122	To an extent, not necessarily preserving the entire image and every little detail of the building. But rather preserve some of the key exterior architectural qualities of the building but allow the property owner to completely revamp the interior and bring life to the building. For example 350 Bush st in SF, a high-rise was built on a historic building, preserving the exterior components of the building.	5/22/2023 11:55 AM
123	The tower theatre must remain, regardless of ownership.	5/22/2023 11:44 AM
124	City spend too much time complaining about the neighbor's tarps and not enough time checking into actual assaults on historic buildings	5/22/2023 8:18 AM
125	Some of the unoccupied buildings are starting to look a bit shabby.	5/21/2023 10:48 PM
126	Part of the charm and flavor of this area is the architecture and the history in those buildings. Tower Theatre is the literal namesake of the District and if those protests had not been successful, this part of town would have been altered in a very negative way.	5/21/2023 9:39 AM
127	The historical bldg give the ate a a lot if character making it distinguished. Stands out from the rest of Fresno areas.	5/21/2023 1:30 AM
128	There is aged and beautiful and unique architecture in the Tower that should be valued and protected.	5/21/2023 1:11 AM
129	I think it's important to keep doors open for new ideas and experiences, but to erase treasured staples and favorites would be shameful.	5/20/2023 10:59 PM
130	This is what makes Tower unique nothing like the Tower anywhere in Fresno	5/20/2023 7:49 PM
131	It keeps the people here connected to their history. To appreciate the changes this area has been through.	5/20/2023 5:33 PM
132	It's very important to maintain its historical integrity and resources but also build and improve it to become more sustainable for the future and develop additional infrastructure to support increase businesses and living.	5/20/2023 5:05 PM
133	It's important for the Tower theater to remain a place for the arts.	5/20/2023 4:36 PM
134	I think it's important to honor the old building and whatnot in tower, but also find them enough to do updates for accessibility/modernization without losing the heart of the building	5/20/2023 4:08 PM
135	I feel that it is necessary to preserve and protect historic buildings and resources in the Tower District because these historic buildings and resources are what help define what the Tower District is. Taking them away would mean tearing apart the culture and subculture that has developed into the Tower District.	5/20/2023 1:59 PM
136	This city has not always valued older properties, with money, attention and coverage going to the next new thing. This town had some of the worst self esteem in the valley, because we spent so much of the last 60 years erasing or neglecting as much as possible.	5/20/2023 11:20 AM
137	Although as a property owner I want to retain the right to do what I need for my property, I also recognize we have a unique responsibility to respect the era, quality, and uniqueness of our area	5/20/2023 11:02 AM

1	But the homeless camped at the Tower Theatre and along sidewalks (and the mess they leave) should not be allowed. Businesses need to be more proactive in cleaning the sidewalks adjacent to their property and get creative in reducing the packaging that leaves their premises. Sidewalk systems should be completed. Producers Dairy should be required to rehab or sell their property on Belmont. Their heavy industrial operation should not be allowed in a dense residential neighborhood.	6/26/2023 10:47 AM

7	I have friends who got mugged by junkies.	6/23/2023 7:46 PM
8	We need more and better pedestrian and bike paths and lanes in the district. Also we have some extremely dangerous arterial streets and intersections (Van Ness and Clinton comes to mind). Traffic studies and engineering are likely also needed.	6/23/2023 6:49 PM
9	Yes during the day but not so much at night.... Especially near nightclub row.	6/23/2023 6:28 PM

mainly homeless and also people walking and driving by either stealing things or vandalizing property/cars etc.

12	For years I walked my dogs daily, but I stopped because of too many homeless, and loose dogs, and a neighbor who moved in next door and would taunt me every time I walked by. The neighbor moved out and now I have a rescue dog and we've started walking again. So far, so good, but it'll be a while before I really feel safe, if ever.	6/23/2023 4:09 PM
13	Too many homeless that bring out knives or pruning shears when asked to move their camp from our business doorway. Then they poop there before morning and leave tons of trash from their campsite.	6/23/2023 3:41 PM
14	Some parts of Tower would benefit from improved bike lanes. Wishon (southbound) and Olive come to mind	6/23/2023 3:40 PM
15	Cars go too fast in neighborhoods and in Olive. Too many drunks.	6/23/2023 2:43 PM
16	Security cameras demonstrate that our streets are filled with petty thieves and bad actors	6/23/2023 2:08 PM
17	Not down by Olive. Fresno High and North, more safe.	6/23/2023 1:32 PM
18	There are times when vehicles race through the neighborhood making it unsafe.	6/23/2023 12:43 PM
19	It's all about being aware of your surroundings. Most people that live and frequent the Tower are save and respectful and outnumber the troublemakers.	6/23/2023 12:30 PM

21	Yes but only during the day	6/23/2023 12:15 PM
22	It's one of the few places in Fresno where I do feel safe walking and riding my bike.	6/23/2023 10:26 AM
23	I feel safe walking in tower, but I know many people do not. Continued instances of violence and the presence of hate groups have only added to this issue.	6/23/2023 9:35 AM
24	I don't feel safe on foot or on a bike anywhere in Fresno. The infrastructure and car culture do not support safety for anyone outside of a vehicle.	6/23/2023 8:46 AM
25	I'm a tall white male so I'm an unlikely target for harassment. My opinion on this might not be as relevant.	6/23/2023 8:21 AM
26	Mostly, but with the caveat that I do have problems at night.	6/23/2023 12:40 AM
27	Most of the time I feel safe, but will not walk alone after the sun sets.	6/23/2023 12:02 AM

31	I walk the tower every morning at 4:30 AM and late into the evening without concern.	6/22/2023 9:16 PM
32	Though I've never encountered anything personally I usually walk looking over my shoulder and be aware of my surroundings.	6/22/2023 8:55 PM
33	A lot of shootings and fast drivers. Too many people speeding even in the neighborhoods. Also unhoused people living in our alley are fine, but there is no bathroom or place to put trash for them.	6/22/2023 8:41 PM

37	Lots of people on drugs or drinking walking around talking to themselves and hitting stuff. It's almost like the walking dead. Very unsafe.	6/22/2023 5:44 PM
38	Tower is very walkable, and I feel comfortable getting from one place to another.	6/22/2023 5:33 PM
39	it feels safer than other areas of town, but still feels car-dominant. I would prefer transportation planning to center pedestrians and cyclists, with slower streets for cars. More and better protected bike lanes please!	6/22/2023 5:32 PM
40	The Tower District is pretty walkable. Perhaps there could be ways to connect downtown and the Tower District in more walkable ways? Such as safer and tree-lined and beautified walkways between Tower and downtown. Otherwise, Tower feels VERY walkable and VERY safe. As someone who's lived in the Fresno area my whole life, it is *truly* the place where I feel safest to walk alone, at night, or any time of day. I hate the new bike lane on Van Ness. Having cars park between the road and bike lane means that bikers and drivers have even more danger. Bikers have just as much potential to be hit by a car, plus being hit by someone opening their door on the passenger side. Drivers trying to park can be hit by ongoing traffic in the driver side (there is NO room to step out from your car), or be hit by a bicycle in the passenger side while getting in/out of the car. It is safer If bikes just drive in the road in the correct lanes and follow traffic laws like they are *supposed* to. This new parking situation cost the city a ton of money for no reason, just to make it more dangerous and difficult for everyone.	6/22/2023 5:05 PM
41	Some curbs with tactile paving for people with vision impairments are not suitable for people who use walkers or wheelchairs. There needs to be navigational safe accessible sidewalks, parking, and curbs.	6/22/2023 4:52 PM

52	I ride my bike/walk a lot during the day, never at night.	6/22/2023 3:22 PM
53	I feel safe at certain times of the day.	6/22/2023 2:23 PM
54	Yes and no. I wish there were more on foot patrol around. My car has been broken into 4x within the past 2 years. Also, when I have walked home from the bar I have been harassed by men where I didn't have anyone to help me. Or no one to call for help.	6/22/2023 1:53 PM
55	i used to but now not so much. since they closed down the police station in tower back in the early 2000s it has gotten worse & worse. the pandemic rly made the homelessness the worst i've ever seen.	6/22/2023 1:05 PM
56	By day, I feel safe getting around by foot. By night, as a female, I never do. By bike, much less anywhere, as a lot of people like to speed down Olive. I've seen multiple pedestrians/ bicyclists almost get hit due to wreck less driving.	6/22/2023 12:25 PM
57	Walking past circle k and the car wash make me feel unsafe	6/22/2023 12:10 PM
58	I would feel safe if all the gay community was back, all the wonderful gothic music community kids, they were such lovely people, we miss them all dearly. It's so desolate walking the tower	6/22/2023 11:19 AM

these days it's like walking through an empty sad ghost town most days.

59	FPD keeps the unhoused and the druggies here PLUS refuses to come out when called	6/22/2023 9:04 AM
60	I do during the day; however, during the night there have been multiple incidents and instances that walking around Tower is not safe.	6/21/2023 7:23 PM
61	Being an older female , I don 't go walking by myself anywhere.....	6/21/2023 3:59 PM
62	I do but it is Tower so you do have to pay attention to your surroundings just like anywhere else but maybe just a little extra	6/21/2023 3:02 PM
63	Lived here 12 yrs...very few problems	6/21/2023 2:41 PM
64	I walk all over the Tower District. When it comes to biking, I do not feel safe riding on Olive between Echo and Van Ness. It's too narrow with too much traffic, and the dining kiosks don't help either. But putting in a bike lane doesn't seem feasible on that stretch. Finding a away to slow down traffic might help.	6/21/2023 1:39 PM
65	Lately, I do worry about safety after dark.	6/21/2023 8:19 AM
66	I feel safe on foot and by bike but don't typically walk in the neighborhood past midnight, so I cannot speak to that. But when foot traffic is lively on Olive/Wishon, I feel safe.	6/20/2023 3:26 PM
67	But not at night. Sometimes during the day I don't feel safe when there dogs off leash and when pan handlers and homeless are hanging around places I want to enter.	6/19/2023 9:17 PM
68	Depends what night it is but majority of the time I do feel safe in my neighborhood. I'm always watching my surroundings. The homeless people are crazy. People who are driving into Tower District are driving way too fast in our residential area. I see people squatting inside or outside businesses and abandoned houses.	6/19/2023 2:10 PM
69	Sometimes not at night but most other times it's safe to get around on foot	6/19/2023 2:06 PM
70	As a single mother, though I love the Tower district, I have had many experiences where I did not feel safe walking with my children. We live just south of Olive and this side doesn't feel as safe as north of Olive. There is a lot of homelessness that creates safety issues. Homes get broken into, walking on the street can be unsafe. It's a problem.	6/19/2023 10:51 AM

73	I feel safest during daylight hours. After dark, I would feel safer with other people.	6/18/2023 10:52 PM
74	We walk up and down Olive, with our dogs, for exercise and we have always felt safe and included by the shop owners	6/15/2023 9:49 PM

84	For the most part, yes. There are certain areas that aren't well lit or prone to vehicles speeding.	6/15/2023 1:54 PM
85	There are times and specific areas of tower that can become shady, but overall I am comfortable in my neighborhood.	6/15/2023 10:04 AM

86	This is not a yes or no. Sometimes.	6/13/2023 2:47 PM
87	Tower District resides in the heart of low income/impoverished peoples and unfortunately, Fresno is experiencing a high volume of active drug users as well as many unhoused individuals. With that being said, they're not always the safest beings due to their current mental status. You can walk around, but you definitely have to keep your head on a swivel.	6/13/2023 5:11 AM
88	The atmosphere attracts folks who love the setting as well as those who are not well intentioned.	6/12/2023 9:12 PM
89	Depends on what streets you are on. Belmont by the freeway doesn't not feel that safe to walk.	6/12/2023 4:14 PM
90	More trees and shade!!!	6/12/2023 1:14 PM
91	Drugs are an issue among homeless youth and due to their illness they end up making the streets unsafe. My neighbors from the neighborhood inform me of constant car break ins.	6/12/2023 12:48 PM
92	The walking traffic in and around the Tower District has deteriorated a lot	6/10/2023 10:28 AM
93	Need a bigger bike lane	6/8/2023 9:10 PM
94	We did see some homeless people going around, some people skate boarding in the middle of the busy streets and no presence of security guards or police. One time a homeless guy followed us back to our vehicle to ask for money since he saw we had bags coming from the event	6/8/2023 7:55 PM
95	Kinda	6/8/2023 7:30 PM
96	Safer than other areas	6/8/2023 5:56 PM
97	I feel fairly safe to be in tower area at daytime , not at night . Still u will see lots of homeless and drug using individuals . Also , city needs to address homelessness problem in Tower area too .	6/8/2023 5:45 PM
98	After dark it's crazy	6/8/2023 5:38 PM
99	Not weekends only weekdays	6/8/2023 5:36 PM
100	Traffic control	6/8/2023 5:23 PM
101	There is a small stretch on Olive that I feel safe- primarily the farmers market area. We were robbed on a family walk and have felt less safe in the neighborhood since then.	6/7/2023 7:15 AM
102	Fresno is a car culture, so it would be nice to promote more walk spaces. For example, I love the farmers market because everyone is free to use olive as they wish.	6/7/2023 7:05 AM
103	It's getting better. The new bike lanes & narrower lanes for cars help. It also depends on the time of day. Late nights have gotten more worrisome , esp. around the areas of certain businesses, like Bobby Salazar's.	6/6/2023 9:39 PM
104	The growing homeless population and crime makes me feel less safe. I've lived here my whole life and it's gotten pretty bad over the last ten years.	6/6/2023 9:04 PM
105	For the most part, but we are very aware of being out walking around certain times. You kind of have to know the schedule, although the transients seem to be out more and at all times of the day. Most are not confrontational but they are posting up their tents and large areas of trash.	6/6/2023 7:45 PM
106	I think north of Olive and west of Fruit is safe. The closer to Belmont and Blackstone the less safe it is.	6/6/2023 6:56 PM
107	Although I support more bike lanes, I don't support the design of the one along Van Ness.	6/3/2023 2:52 PM
108	As a resident whose lived here for 10+ years, I have seen the safety of the tower district deplete not from its residents or even so much the homeless, but from visitors who frequent the bars, especially on weekends. In the bar they are one way, but once the bars kick them out, it's no longer their responsibility, so the visitors lash out their unsafe behavior upon the community.	6/1/2023 1:20 PM

111	Somewhat! During the day yes at night no	5/31/2023 12:43 PM

116	The bike lanes could be better. But you also can't sacrifice the parking until you create an entire city that doesn't rely so heavily on cars.	5/30/2023 1:00 PM
117	Unsafe. Too many homeless. We need better lighting. Too much violence	5/30/2023 12:55 PM
118	bike i would worry a little more and definitely as a woman i don't feel completely safe walking at night to the business center from my house	5/29/2023 9:47 PM
119	Limited parking needs to be more secure. Sidewalks can get full fast during events and there is no public seating.	5/28/2023 12:40 AM
120	For the most part.	5/27/2023 1:00 PM
121	I have witnessed shootings while walking down my own street	5/27/2023 11:40 AM
122	Yes/no tower district holds lots of character and culture some of the people in and around the area seems to evolve a lil hostile and dangerous also the increase in homeless around needs to change but I wouldn't want to be around alone at night.	5/26/2023 10:47 PM
123	The Tower is a great place to walk	5/26/2023 10:06 PM

141	Wish that there was a little room for bicycles along olive ave	5/25/2023 6:46 PM
142	Lately feel it's been neglected / forgotten by city and police agencies. Bad roads and need more policing, fast cars driving through neighborhoods	5/25/2023 6:03 PM
143	We need more pedestrian and bicycle education FOR DRIVERS Rumble strips at each end of the Tower to slow vehicles to make pedestrians and cyclists safer	5/25/2023 5:36 PM
144	We walk around the Tower frequently	5/25/2023 5:27 PM
145	Generally, yes. But I prefer a walking partner.	5/25/2023 3:27 PM
146	I feel safe as an adult male but wouldn't feel as comfortable with my kids with me on bike south of Olive where bike lanes are few and side walks are less maintained. Also wouldn't be okay with my wife going around on her own south of Olive in the evening.	5/25/2023 3:23 PM
147	I don't own a car and I primarily get to Tower via FAX and get around on foot. I feel completely safe in regard to crime: all the eyes on the street make it feel like one of the safest neighborhoods in the city. The only time I feel unsafe in Tower is due to speeding cars. The yield rates at the midblock crosswalks on Olive are low, and Fresno drivers always have a hard time with pedestrian rights-of-away at unprotected left turns like at the signalized intersections on Olive. The sidewalks along Olive are weirdly thin for a pedestrian-oriented neighborhood, and all the curb cuts and parking lots means there are constantly cars pulling out in front of you. Getting rid of some of the parking lots (like the big one owned by the City at Tower Theater) and encouraging more street parking would calm traffic and slow speeds.	5/25/2023 1:31 PM
148	But maybe not all places in tower. The city has forced out in housed neighbors into particular pockets including areas of tower	5/24/2023 11:32 PM
149	Could use brighter lights for the night time.	5/24/2023 8:51 PM
150	Yes and no, depending on the time of day and whether it's a weekday or weekend. I've personally witnessed dangerous fights and unsafe situations midday on the weekend.	5/24/2023 5:08 PM
151	bike i would worry a little more and definitely as a woman i don't feel completely safe walking at night to the business center from my house	5/24/2023 3:47 PM
152	Yes, but more bike lanes are always a good thing.	5/24/2023 11:08 AM
153	The new roadwork on Van Ness and Olive, where the left lane is supposed to turn, has created some confusion. After the new roadwork was completed, I noticed that many cars in that left turning lane have continued straight up Van Ness, which has not felt safe for me in the lane that is supposed to go straight to have this other car unexpectedly join the lane. I also haven't liked the new work on Van Ness with the bike lane and parking spots off the curb. The bike lane seems more protected, but the car parking spots feel more inconvenient to get into and there are fewer places to park now.	5/24/2023 9:41 AM
154	foot- yes, by bike- limited space for bikers and drivers that are not aware of bikers.	5/23/2023 9:28 PM
155	Lot of traffic. Unfortunately a lot of homeless as well. Roads in South Fresno in general are in bad shape.	5/23/2023 3:54 PM
156	Yes, during the day. As a female I am uncomfortable walking at night.	5/23/2023 2:30 PM
157	I do though at times it seems to have gotten a little dangerous. Not as much police patrolling on motorcycles or bicycles. I think too much focus has been on downtown brewery district and businesses, that it has taken valuable police resources from Tower District.	5/23/2023 1:48 PM
158	La verdad tenemos un gran problema de seguridad, no solamente por la indigencia sino también la Falta de control de animales ya que los perros andan en las calles y son peligrosos yo personalmente no camino por esas dos razones..indigentes entiendo que no todos son peligrosos pero si algunos con problemas de adición y perros sueltos	5/23/2023 1:20 PM
159	I feel less safe than I used to due to the amount of people living on the streets.	5/23/2023 6:31 AM
160	On foot, yes, on bike, NO because I don't trust Fresno drivers.	5/23/2023 12:30 AM
161	Safe during the day definitely, not necessarily safe at night even walking home from restaurants or bars.	5/22/2023 9:51 PM

to 25 at establishments that have trouble with roudy crowds.

163	Sometimes and other times, not.	5/22/2023 8:44 PM
164	Feels unsafe due to homeless encampments and questionable characters that pass through the neighborhoods.	5/22/2023 4:22 PM
165	We should have more cops on bikes here on the weekends, it would keep the violence down due to people getting drunk and belligerent.	5/22/2023 2:53 PM
166	Usually, but not always	5/22/2023 2:11 PM
167	Depends on the night, most nights there's more homeless than people enjoying the night. (probably due to all the rehab facilities around the area)	5/22/2023 11:55 AM
168	It is safe for now, but the increase in homelessness makes me uneasy sometimes. Riding a bike on Olive can be a nightmare, but many of the other streets are ideal.	5/22/2023 11:44 AM
169	Used to. But too many wackos allowed to live on our streets and tired of getting hassled walking to dollar tree	5/22/2023 8:18 AM
170	Homeless encampment are growing.	5/22/2023 12:04 AM
171	There is always people around. It makes it feel a bit safer when a person is doing errands.	5/21/2023 10:48 PM
172	Fix the sidewalks, and get rid of the bicyclist cruising the neighbors to rob us would be nice.	5/21/2023 11:06 AM
173	Typically, daytime and evening is safe. After 10 or 11 at night and especially past midnight it gets a little iffy.	5/21/2023 9:39 AM
174	Taking power walks n riding my bike was always enjoyable, but the homeless is a problem today. Not only the homeless but the mentally ill are addicted to drugs and they prostitutes by fine street. Too many bars in the Tower with hard liquar licenses bring drugs and human trafficking to the into the area.	5/21/2023 1:30 AM
175	I have been threatened and made to feel unsafe walking the streets as a senior resident of Tower. I go outside of my own neighborhood for outdoor exercise, shopping and dining because I feel unsafe	5/21/2023 1:11 AM
176	Not safe at night	5/20/2023 11:18 PM
177	I do feel safe but I do feel that Tower needs more police presence,what happened to the bike police ? More police presence on weekends to keep club patrons safe and their cars safe	5/20/2023 7:49 PM
178	It small and walk able. Despite the homeless issues, I still feel pretty safe walking in that area.	5/20/2023 5:33 PM
179	I feel safe getting around on foot as a woman by myself during the DAY only. If I'm walking alone at night, I do not feel safe.	5/20/2023 3:45 PM
180	I used to live in the Tower District in 2015, and it was always a place where I would go for when I would do my jogging in the morning. There are many mom-and-pop shops that exist in Tower, and the people that live and work in Tower are extremely friendly.	5/20/2023 1:59 PM
181	Rarely safe on bike anywhere in Fresno. Walking is great although I am distressed by the lack of care for the walkways in the business district. The sidewalks are disgustingly dirty and I've stopped walking on Olive Ave because of that	5/20/2023 11:02 AM
182	More police presence is needed. Too many robberies, broken car windows and stolen property	5/20/2023 9:58 AM
183	I feel safe in the daytime, not as safe as I used to feel at night.	5/20/2023 9:36 AM
184	Mostly yes except at night	5/20/2023 8:27 AM
185	Walking from home to the business area leads me through lots of shade trees, beautiful homes.	5/20/2023 8:20 AM
186	But only in the daylight hours.	5/20/2023 7:40 AM
187	Yeah, the 'scary people' are a bit of a concern. But that seems to be a fact of life now, EVERYWHERE! Sad, but true! The American Empire might be coming to an end.	5/20/2023 7:37 AM

	people. Unsafe and I now avoid supporting businesses. Too many bars and tattoo places.	
189	I do not always feel safe but have not had any issues	5/20/2023 6:33 AM
190	There is some unhoused individual issues but I believe more outreach and offering of mental services should attempt to mitigate or at least provide a starting point for these folks.	5/20/2023 6:22 AM
191	Unfortunately, I only feel safe walking during the day time... I stopped taking walks at night. Too many homeless, drug users, shootings	5/20/2023 6:16 AM
192	In the day I mostly feel safe but too much violence, crime at night	5/20/2023 6:01 AM
193	Don't like all the trash the homeless leave around Dollar Tree.	5/20/2023 3:56 AM
194	During the early morning to 7pm, I would walk around in the central tower area later than 8-9 on weekends due to safety concerns at this time	5/20/2023 3:36 AM
195	I think it's scarier taking your car to Tower because if you park people will break into your car	5/20/2023 2:38 AM
196	There's too many drug addicts / homeless	5/20/2023 1:46 AM
197	Overall it does feel safe to travel on foot or by bike throughout the majority of our district but there are, or can be, concerns at times related to issues of physical safety from homeless encampments or from violence that's spillover from entertainment venues particularly late night/early am hours on weekends. Gun violence can be an issue of concern, house was stuck by gunfire last year and have recently had incident in front of house where again shots were fired when group of people were fighting in early Sunday morning hours following bars closing. Broken glass remains an ongoing safety hazard on Olive and in neighborhoods that directly surround the Olive entertainment venues that ideally needs to be addressed more consistently. The new bike route through the Van Ness/Olive intersection is far from ideal as is safe bike access through Olive in general as there is simply not space for bike lanes there. Lack of contact with neighborhood residents and business owners by planning agencies and city council rep/staff remains a serious problem that too often adversely impacts quality of life/functionality of business.	5/19/2023 11:35 PM
198	This is the one downfall of the area. In all of my 30+ years living and supporting this neighborhood, there has never been a full feeling of safety.	5/19/2023 11:33 PM
199	Crime is out of control and homeless everywhere.	5/19/2023 11:23 PM
200	This area can have some diverse people (we have the perpetual pee-er (you read that right)) the unhoused often come down the streets, some minor theft/disturbances. I do not care. We understand that's part of being here. Never had any violence (knock on wood).	5/19/2023 10:53 PM
201	Crime has increased significantly and I no longer walk at night so don't go to businesses after dark	5/19/2023 10:51 PM
202	It seems the popularity of certain businesses brings in public from outside the neighborhood whom don't respect the civility we show each other and our neighbors.	5/19/2023 10:39 PM
203	Homelessness seems to increase, majority seems like drug users, broken windows on buildings also make for an unsafe feeling	5/19/2023 10:07 PM
204	Pockets of fear	5/19/2023 10:03 PM
205	At night less so.	5/19/2023 9:53 PM
206	The majority of the time but it can improve	5/19/2023 9:36 PM
207	I have been a resident for 20 years and am now moving away. Tower has gotten so filthy and unsafe. The homeless problem has taken over. There are no more shops only bars and rude drunk people from out of the area.	5/19/2023 9:34 PM
208	Along Olive, but after dark it gets a little sketch.	5/19/2023 9:31 PM
209	In most areas. There are usually lots of people out and Tower neighbors are good at watching out for each other. We do have an excessive amount of homelessness and theft then some neighborhoods. More garbage cans in the business areas would be nice. Also looking forward to our new bicycle cops. Keep up with the adding new bike lanes too!	5/19/2023 8:45 PM
210	On foot yes, on bike no.	5/19/2023 8:37 PM

211	Yes but in certain areas in tower, you have to be careful due to the homeless situation. Then at night you have to be careful because there's been a lot of gang affiliation shootings.	5/19/2023 7:29 PM
212	There are to many transients on olive, also I personally know RESIDENTS that have been robbed at night.	5/19/2023 7:20 PM
213	There needs to be more security at certain bars/resturants (EX.Bobby Salizars).	5/19/2023 7:18 PM
214	During the day most of the time feels safer	5/19/2023 7:10 PM
215	I use my scooter or bicycle a lot	5/19/2023 7:07 PM
216	Depends. Some areas at night I avoid like in front of Valero/Neighborhood Thrift.	5/19/2023 6:37 PM
217	I am a senior citizen and I walk the Tower all the time. Never any problem.	5/19/2023 6:29 PM
218	Yes. For the most part. May need more patrols to patrol and get to know the community.	5/19/2023 6:22 PM
219	Certainly didn't when the church was there though. THANK YOU county of Fresno for your efforts to help that community.	5/19/2023 6:10 PM
220	Unless it's dark	5/19/2023 6:06 PM
221	Mostly. During the day, no problem. At night you have to keep your radar on.	5/19/2023 5:41 PM
222	I've been here since 1968. I feel safe	5/19/2023 5:27 PM
223	You still can not leave anything overnight in Tower though.	5/19/2023 5:09 PM
224	The tower is more bicycle friendly than north Fresno people farms , but let's work on making a bike trail from Florida to Clovis Ave to connect to the bike trail there then Fresno would have a half loop trail where you could bike from the tower to old town Clovis and to Woodward park and the river , remember their was once a rail line that did that from downtown Fresno.	5/19/2023 4:57 PM
225	The Bermuda triangle (Bobby's, Splash, and vibes) attracts drama and fights.	5/19/2023 4:48 PM
226	Yes and no. I feel safe during the day but not at night but I really don't feel safe anywhere at night.	5/19/2023 4:45 PM
227	Aggressive panhandling. Too many drunk people and drivers.	5/19/2023 4:44 PM
228	Crime exists in every neighborhood in town.	5/19/2023 4:12 PM
229	Homeless, drug users laying in storefronts who are begging for money.	5/19/2023 4:11 PM
230	I feel safe, but many females do not with the increase in homelessness, car theft and other crime.	5/19/2023 3:51 PM
231	Yes and no. Lots of unstable homeless people hangout by my apartment complex.	5/19/2023 2:48 PM
232	My comment is about question 4 - I don't understand the terms being used.	5/19/2023 2:43 PM
233	Yes but problems should be addressed. Used to live there, still visit, but miss the days of blocked off street events like Mardi Gras and Halloween.	5/19/2023 2:41 PM
234	Dark spaces along the Tower neighborhood makes it hard to feel safe when parking further away from businesses intended to visit. I have witnessed several car accidents and hit-and-runs related to drunk-driving after leaving the bars, several fights, aggressive and erratic behavior from people abusing drugs, some unpleasant encounters from unhoused individuals, human waste and drug paraphernalia on sidewalks.	5/19/2023 2:35 PM
235	abuse from homeless, human waste on sidewalks and very bad crosswalks(except at wishon). its not that i feel terified its just so unpleasant	5/19/2023 2:22 PM
236	I feel safe during the day, but not late at night and during the weekends due to potential drunk drivers leaving the area.	5/19/2023 2:19 PM
237	I've never had a problem in tower.	5/19/2023 2:08 PM
238	I don't feel safe on a bicycle ANYWHERE in Fresno but I feel safe walking in the Tower District.	5/19/2023 1:47 PM
239	Ill walk up and down olive but not the side streets. Homeless can sometimes be dangerous.	5/19/2023 1:44 PM

	Gang members and thieves walk around.	
240	Most of the time I feel safe, however there are times it isn't safe.	5/19/2023 12:57 PM
241	Lots of homeless behind alleys and businesses. Prevalence of crime in our neighborhood near tower	5/19/2023 12:47 PM
242	During the day.	5/19/2023 12:35 PM
243	Yes provided there are no Proud Boys or Adventure Church people around	5/19/2023 12:22 PM
244	Yes, when there are other people around. Not sure about walking around in the middle of the night...	5/19/2023 12:15 PM
245	Crime is high in fresno	5/19/2023 12:02 PM
246	Safer than a lot of places in Fresno. Wish there were lower speed limits.	5/19/2023 11:56 AM
247	At least, during the day I do. At night I'm a little more skeptical of the crowd and the drivers.	5/19/2023 11:55 AM
248	I live in a nice part. But then again I'm 6'4" huge guy. I would not let my wife go certain places and definitely not a night.	5/19/2023 11:51 AM
249	It depends on the time of day.	5/19/2023 11:50 AM
250	Yes, but to a point. The infrastructure itself for the sidewalks needs updating and widening in order to accommodate the types of crowds Tower brings in for events like Pride. Disabled people in particular suffer from these lack of updates.	5/19/2023 11:48 AM
251	Maybe during the day.	5/19/2023 11:22 AM
252	Always	5/19/2023 11:21 AM
253	i walk pretty much all times thru tower i feel safe weather on the strip or thru the neighborhoods	5/19/2023 11:19 AM
254	Generally- usually at night I'll opt to drive or make sure I have another person with me. But I'd do that anywhere else in town too.	5/19/2023 11:19 AM
255	I go for walks every day and feel safe most of the time. I go for a daily walk in the evening and often walk to restaurants or events.	5/19/2023 11:05 AM
256	During the daytime. Nighttime not as much.	5/19/2023 10:43 AM
257	I've never felt unsafe in tower.	5/19/2023 10:40 AM
258	I feel safe walking from my home to work (Fresno City College) as well as to the main thoroughfare of Olive Avenue during the day if I am solo. At night I would feel safer with another person to accompany me. I am female.	5/19/2023 10:39 AM
259	However, during the evening hours, I don't always feel completely comfortable. Walking down Olive Avenue very far from the Tower Theater.	5/19/2023 10:25 AM
260	Others may feel differently. I know a few who have been jumped for their bike and long boards. The homeless are usually okay but there are times they get violent. Night time is usually okay but people get drunk and get into fights.	5/19/2023 10:15 AM
261	Much less safe at night. more lighting would help improve safety	5/19/2023 10:14 AM
262	It can be sketchy after midnight	5/19/2023 10:03 AM
263	I do but would like more accessible walkways for people with disabilities	5/19/2023 10:01 AM
264	Most of the time, People just live and let live. Then you have those, that make it bad for the rest of us	5/19/2023 9:51 AM
265	Tower has gone to hell. No accountability for the gangs, drug dealers and pimps	5/19/2023 9:47 AM
266	No bike lanes in hood areas. Sidewalks are filled with violent homeless.	5/18/2023 9:51 PM
267	To many homeless people and drug addicts	5/17/2023 8:00 PM
268	Too many vagrants/ panhandlers	5/17/2023 1:59 PM
269	During the day, evening is a little sketchy.	5/16/2023 5:56 PM

The Tower District Specific Plan Community Survey

270	But a lot of people don't.	5/16/2023 5:16 PM
271	Some parts. There are too many homeless people and drug users that make it scary to walk around alone	5/15/2023 9:14 AM
272	As a male, my views are not going to be the same for females.	5/14/2023 10:03 PM
273	The bike lanes need to be protected Speed bumps installed on van ness. Some signs in van ness that caution people about it being heavy pedestrian	5/14/2023 9:52 PM
274	Panhandlers and people that hangout in front of somekshops keep us from walking using Olive. We take back streets to get into the businesses.	5/14/2023 5:08 PM
275	If it is not on olive between van ness to palm it it not very walkable. There is open drug use happening at circle k, surrounding smoke shops, vacant building fronts. I do not feel safe walking alone. Olive and palm do not feel safe to bike.	5/14/2023 4:54 PM
276	In some parts of the neighborhood yes, and in some parts no. The homeless along Olive near Palm are very aggressive. I wish there were more resources to help them. Also the night crowd around Bobby Salazar's has gotten out of hand in terms of violence.	5/14/2023 12:17 PM
277	On Olive avenue during the day, yes I feel safe.	5/13/2023 9:35 PM
278	I generally do during the day, although wouldn't feel safe walking by myself at night. And I know a number of neighbors who have had serious issues due to drunk drivers speeding through the neighborhood.	5/13/2023 3:13 PM
279	I treat people I encounter with respect, and I find that usually they respond in kind.	5/13/2023 12:54 PM
280	Some parts are nice, but especially along and crossing thoroughfares like McKinley or Palm are very unsafe	5/12/2023 6:20 PM
281	I feel safe enough that I regularly travel on foot and by bike during the day and night.	5/12/2023 5:58 PM
282	Cars drive way too fast especially down Maroa, McKinley & Olive. I see cars speed through stop signs and red lights on a regular basis.	5/12/2023 4:48 PM
283	There's a high amount of homeless that make the area feel unsafe. I would like to see more done to help them.	5/12/2023 4:36 PM
284	I feel safe during the day, but I don't feel safe alone at night	5/12/2023 1:13 PM
285	During the day I feel safe on foot but at night I avoid walking around tower especially off of Olive.	5/11/2023 10:06 PM
286	For the most part I do feel safe walking around. I will say I have had time near the evening or at night that I would not like to walk around alone.	5/11/2023 7:31 PM
287	Aside from the homeless in the evenings and the mess they leave, the businesses do a great job keeping things up.	5/11/2023 7:28 PM
288	Better traffic along Clinton and Palm also Clinton and Wishon. Too many accidents. Make Clinton a two lane one in each direction.	5/11/2023 6:01 PM
289	In the well maintained fresno high/ central tower but not in south tower or west of palm	5/11/2023 8:30 AM
290	I always take back streets when riding my bike. Main streets like palm and olive feel unsafe to bike. I feel safe walking during the daylight.	5/10/2023 8:15 PM
291	I would not venture out at night anywhere	5/10/2023 3:38 PM
292	I would not venture out at night anywhere	5/10/2023 3:37 PM
293	I feel safe during the day and early evening. I would not walk around at night.	5/10/2023 8:27 AM
294	Some people drive way too fast or are distracted, but that's a problem everywhere. Wish we had brighter street lights in the Fresno high area neighborhood & also speed bumps.	5/9/2023 12:25 AM
295	Could have more sidewalk maintenance: tree roots in sidewalks, sidewalk repair, trash abatement, educate community on cyclist right-of-way	5/7/2023 9:59 AM
296	I feel more safe in tower than other parts of fresno but it isn't perfect. I wish palm was more	5/6/2023 7:18 PM

bike and pedestrian friendly. I used to teach at Hamilton elementary and the intersection of Yale and palm is particularly dangerous for students. It's not the only area of tower that needs to be safer for cyclists and walkers. The intersections of Clinton and Van Ness is also an area of concern too.

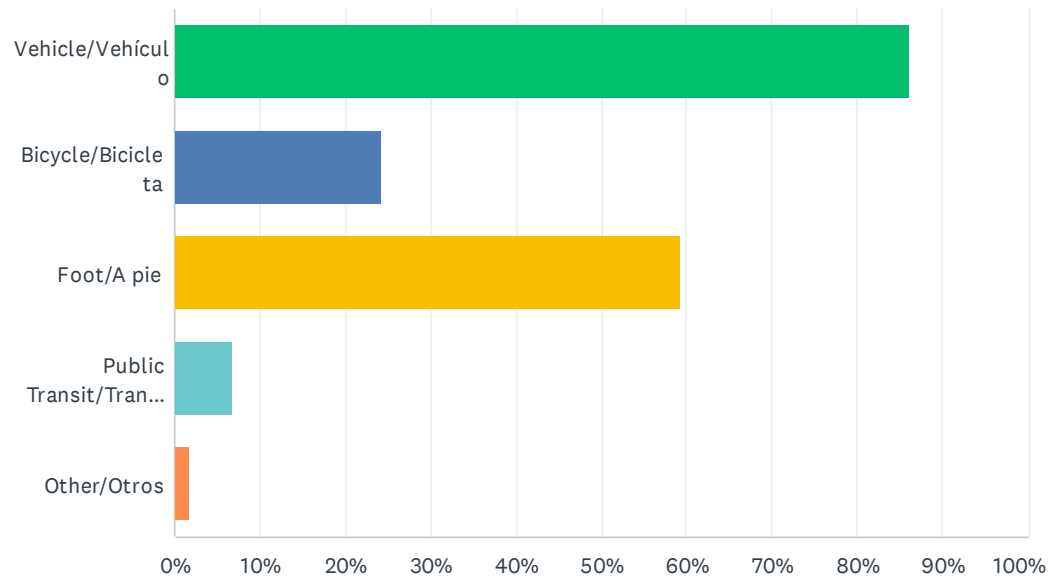

297	More so while biking. North of Olive feels safer while walking.	5/6/2023 4:29 PM
298	The only place in Fresno I feel this way about and parts of downtown	5/4/2023 7:31 AM
299	Tower already supports its businesses. New development beyond what exists would compromise the neighborhood and local businesses. Tower could benefit from better pedestrian and cyclist infrastructure. This would allow residents to enjoy the neighborhood safely AND support greater city/county visitors in a safe visit to Tower businesses.	5/3/2023 11:04 PM
300	The main olive strip could be more bike friendly	5/3/2023 7:12 PM
301	Often I know people can be hesitant because of the unhoused population but I'm more concerned with the drunk men in tower than I am with the homeless.	5/3/2023 3:50 PM
302	There are certain areas I feel comfortable walking during the day. However, as a young woman, I don't feel comfortable walking at night by myself. If i'm with my male partner, or a large group of people, i feel comfortable walking at night.	5/3/2023 3:38 PM
303	However I don't travel by foot at night unless it's a busy area. I'm not sure I'd feel safe walking the Belmont area.	5/3/2023 3:17 PM
304	Yes an no honestly. At night definitely not! But during the day yes I do walk around tower a lot.	5/3/2023 2:43 PM
305	I think it depends on the time of day whether how safe I feel .	5/3/2023 2:04 PM
306	Too much junk around, plus needs clean up, wash down, etc..facelift.	5/2/2023 3:06 PM
307	daytime, yes. night time, not by myself (as a trans fem presenting)	4/29/2023 8:10 PM

309	During day. A lot of police	4/29/2023 4:35 PM
310	I've have incidents where I have not felt safe.	4/29/2023 4:24 PM
311	SF Native	4/29/2023 4:12 PM
312	Please have more police patrolling this area.	4/29/2023 4:05 PM
313	Slightly too much crime	4/29/2023 4:04 PM
314	Lots of homeless	4/29/2023 4:04 PM
315	Not necessarily all the time especially at night, but the community makes it feel safe	4/29/2023 3:48 PM
316	Olive needs a bike lane	4/29/2023 3:23 PM
317	The new improvements to bike lanes are a move in the right direction.	4/29/2023 3:20 PM
318	Homeless	4/29/2023 3:17 PM
319	There has been shootings and that's not cool.	4/29/2023 2:34 PM
320	There's a decent amount of shootings but I hope that changes.	4/29/2023 2:33 PM
321	To many homeless and drug addicts	4/29/2023 2:24 PM
322	It has gone downhill on safety	4/29/2023 2:23 PM
323	Most of the time	4/29/2023 1:58 PM
324	Would love to see more bicycle safe areas and possibly a trolley	4/29/2023 1:58 PM
325	I've walked around here safely for the last 10 years	4/29/2023 1:52 PM
326	Sometimes, there is a large homeless population.	4/29/2023 1:38 PM
327	Need more crosswalks	4/29/2023 1:32 PM

328	Most the time, few aground jerks occasionally	4/29/2023 1:13 PM
329	Not every person in a low income area is a bad human they are trying to get by just as the rest of us.	4/29/2023 8:15 AM
330	Yes: I feel safe walking alone during the daytime when other people are out. No: Night time is a different story. This is largely affected by me being a feminine presenting queer person; I feel like an easy target. And since I live in the area I know about the crime that goes on at night.	4/29/2023 12:15 AM
331	Fresno High/Fresno City Area is better but Olive/Wishon is very unsafe.	4/28/2023 11:41 PM
332	Yes and no. There are a few safe corridors (as opposed to none in other sides of town), but a lot of our main streets are wildly unsafe and uncomfortable due to cramped sidewalks, lack of shade, lack of bike infrastructure, and unsafe intersections	4/28/2023 4:06 PM
333	Most of the time on foot but definitely unsafe when biking	4/28/2023 3:02 PM
334	In the heart of tower yes. But walking/biking/driving at the palm/Olive area feels unsafe. People drive too fast, lots of people loitering, homeless encampments in the businesses at palm/olive. Frequently harassed for money at Circle K and the car wash.	4/28/2023 2:21 PM
335	On foot I'm 50/50. But on bike not at all, I'm a avid cyclist. I ride to work about every other day, as well as ride around after work for my social life. The amount of times I nearly get hit on a weekly basis is almost equal to the days I ride.	4/28/2023 2:06 PM
336	Bike lanes have dramatically increased. Love a great clear path to get to the trail at manchester from Tower	4/28/2023 10:41 AM
337	I don't like those bike lanes on Van ness	4/28/2023 8:00 AM

11	I do go to shops in the tower for quick things, or for entertainment like bars or restaurants, but there is limited healthy food stores or family friendly things	6/23/2023 4:57 PM
12	I'm older and don't travel out of the Tower unless I need to for supplies or other, and I don't seek entertainment outside of the Tower. I also don't seek entertainment in the Tower because I don't feel safe out at night and that's just about what is offered. To many bars are an attractive nuisance and are drawing elements from outside causing a scary and toxic atmosphere at night. We need more for families and older people. Too many bars!!	6/23/2023 4:09 PM
13	I live in clovis. All my needs are in Fresno , but not in the tower. My customers are afraid to come to us for their needs.	6/23/2023 3:41 PM
14	Everyone says this because it's true: Tower needs a real grocery store (NOT overpriced food marts like the one on Belmont, or any more mini marts)	6/23/2023 3:40 PM
15	Grocery store, doctor, dentist.	6/23/2023 2:43 PM
16	Almost everything I do is outside the Tower where I live.	6/23/2023 12:43 PM
17	All Dr. visits. All grocery. All gas. Most all retail shopping. Church.	6/23/2023 12:30 PM
18	The entertainment in Tower is event based or seasonal. There is nothing there that offers year-round entertainment. We need a bowling alley, arcade, or something that is brick and mortar that we can go to anytime of the year.	6/23/2023 12:01 PM
19	While we have Tower Market, it is limited on produce. The addition of the farmers market on Thursdays has helped a lot and I hope it continues.	6/23/2023 10:26 AM
20	Tower market is the closest grocery store but it is extremely expensive. Dollar tree is helpful but doesn't have much of a food selection.	6/23/2023 10:15 AM
21	Me checking all boxes reflects the lack of services in the Tower District.	6/23/2023 9:35 AM
22	My only real grocery options are Tower Market and Smart & Final. Tower Market is overpriced; I only go there for milk or if I need something immediate. Smart & Final is a bit of a hike. When I can get a ride from family, I do most of my grocery shopping at Winco, Costco, and Grocery Outlet. There aren't really any general business services within Tower that I use other than restaurants. And entertainment, I'm involved in theatre, and go to shows in tower, but also go to movies, which are all outside of it. The only other "entertainment" I go to I can think of are a few events, also mostly outside of Tower.	6/23/2023 12:40 AM
23	My mechanic is Dennis Auto, and there's lots to do at Fresno City College	6/22/2023 11:08 PM
24	more affordable grocery options would be helpful	6/22/2023 10:33 PM
25	When I lived in Tower, I usually shopped for groceries elsewhere. Tower Market is ok & I could walk to it, but options there are limited.	6/22/2023 10:11 PM
26	Large scale grocery stores with healthy food focus. Medical, dental, and many business services.	6/22/2023 9:16 PM
27	Need to travel outside of Tower for groceries	6/22/2023 8:55 PM
28	Medical and grocery stores.	6/22/2023 8:41 PM
29	I don't really go out as much but I still appreciate what the Tower offers. I do frequent some of the small businesses in the neighborhood but it's easier to buy my groceries northwest of here. And all of my doctors are located outside of the Towee, most associated with a hospital.	6/22/2023 8:29 PM
30	Grocery store closer to the neighborhood, Trader Joe's, green space	6/22/2023 7:14 PM
31	Tower needs more options for groceries!	6/22/2023 5:58 PM
32	Healthy groceries, medical services, dental services	6/22/2023 5:33 PM
33	I mostly go to north fresno for grocery shopping, which is a shame because I'd rather not go that far, and I know many people who don't have the transportation means to to that. We need more full grocery options.	6/22/2023 5:32 PM

37	Groceries is the most needed.	6/22/2023 4:27 PM
38	Not applicable	6/22/2023 4:12 PM
39	There is one grocery store in the tower I go to for last minute items (Tower Market), but I wish there was a store that had more food options available. I don't know if there's an optometrist or a dentist in the Tower either? I have to go see my dentist and optometrist in North Fresno, which is a hassle. I also wish the tower district had its own library that's open in the evenings.	6/22/2023 4:00 PM
40	Travel to other park/ green spaces and for community events.	6/22/2023 3:41 PM

42	Need more vegan eats	6/22/2023 3:31 PM
43	There isn't much I leave the area for, but a late night diner, grocery store, and a chase bank would lead to me only leaving Tower for my job which is downtown	6/22/2023 3:27 PM
44	I really wish they would change the chicken pot pie space into a Trader Joe's.	6/22/2023 2:23 PM
45	Some of business/services are available in tower like post office, some education and child care. But I don't necessarily think tower needs a big medical facility. I would like to see more healthy food options but nothing large scale, no Walmart or grocery outlet maybe more like small businesses incentivized to open grocery stores/add more produce	6/22/2023 2:17 PM
46	There needs to be a place to buy better produce.	6/22/2023 1:53 PM
47	there's not a grocery store within a 3 mile radius of one of the most historic places in fresno what the f is that abt? We need a sprouts, a trader joe's, a local grocery store SOMETHING.	6/22/2023 1:05 PM

50	I only go back to Tower for Piemonte sandwiches and such on olive, I'd risk walking through a dystopian neighborhood/business district for Piemonte.	6/22/2023 11:19 AM
51	Tower market is great but limited options. Literally everything else is a bar, niche restaurant or a smoke shop.	6/22/2023 9:04 AM

56	Family fun activities	6/21/2023 12:11 PM
57	Much of the above is available in Tower, but I really wish we had a good healthy food grocery, and I really hope the Farmer's Market takes off (but we need both). Also would be good to have more family events.	6/21/2023 8:19 AM

Bookstores=mostly out of Tower. We're covered on bodega-style grocers, but not on full service grocers. I wish the PO had more service hours. Basically, the amenities for a nightlife district are solid, but the amenities for a day-time, walkable neighborhood could be enhanced.

59	Auto repair, groceries, dentist, doctor, gas	6/19/2023 9:17 PM
60	I shop outside of the tower district for food. I think the Tower district is a food desert and a large super market would benefit the community one that brings people from other communities into the district like a whole foods.	6/19/2023 5:26 PM

106	The tower district is full of good food and drink and little else. It used to have many more quirky shops to browse but in the last decade has become mostly a place to bar hop. The highest priority should be an affordable grocery store as the residents there have the same options now that I did in 2007. Going to foodmaxx at Fresno & C or foodmaxx at Blackstone & Barstow.	5/30/2023 1:00 PM

133	Our lack of natural, affordable, healthy grocery options often pushes me to north fresno (trader joes, sprouts, etc.) We love the auto service and postal options in the Tower, but our doctors and dentist are both in Old Fig.	5/24/2023 10:27 AM

135	only place to get groceries realistically is Tower Market, or Rite aid	5/23/2023 3:06 PM
136	Tower definitely needs better grocery stores, but more importantly they need to be secure and feel safe to go to. All of the current options feel sketchy and uncomfortable to shop at.	5/23/2023 2:30 PM
137	Again, without the previous police presence, at night walking around and some days it doesn't feel safe.	5/23/2023 1:48 PM

142	We need a decent grocery store, a library, and a park. Also consider a roller rink or other family-friendly recreation.	5/22/2023 2:11 PM
143	Tower Market is great but the city need to make it bigger and more like Whole Foods. There should also be a concept similar to gazebo gardens on the Tower District Strip. We also need to have more food options for nicer dinners and Higher end clubs for entertainment.	5/22/2023 11:55 AM
144	There seem to be a lack of serious businesses in the area. Everything is centered around wild nightlife. entertainment. I would like more bakeries, more mom and pop shops, and more family oriented places. There are also no parks in the area.	5/22/2023 11:44 AM
145	Many things can be found in the neighborhood but many things are more affordable outside if the Tower.	5/21/2023 10:48 PM

147	Medical...none of the 5 doctors are easily accessible. Uber for 1 of a 3 day test was \$88 round trip...that's \$300 because it would take 6 hours and walk 1/4 mile with my cane to fulfill one medical test.	5/21/2023 11:06 AM
148	Most of the business services listed above are found outside of Tower. No necessarily a bad thing. For me, only a movie theater can't be found in the entertainment sector	5/21/2023 9:39 AM
149	I go outside of Tower for misfit thing. The Tower on Olive had too many cement walls. Who are these businesses tring yo keep out. Who? The people who make this area their home. Been in the Tower nearly 40 years. Moved to area because it was quiet and peaceful. And, I could feel the change when it came to the ambiance thAt one could only find in the Tower District. Today. Conjested n people yell and harass from their car when they see a women enjoying a morning walk.	5/21/2023 1:30 AM
150	All. I live in the Tower but travel outside of it for pretty much everything: gas, groceries, services, etc because as a single senior woman I do not feel safe in Tower. I drive to Fig Garden for banking, groceries, gasoline, shopping and restaurants because it is clean and safe. I tire of getting asked for money every time I walk down the street or go to buy groceries or gas. And although I favor the nightlife, the super loud music and the violence must stop. It's ridiculous. Really? Just provide an overt police presence continually until the violence isn't the tone and acceptable. It should be the responsibility of any business that serves alcohol to provide security as well.	5/21/2023 1:11 AM
151	I don't know of a go to grocery, that includes healthy produce, within your parameters. However, I don't travel too far to find them.	5/20/2023 10:59 PM

157	The addition of a farmer's market is appreciated, I hope it continues to grow so that we can rely on fresh produce in our neighborhood. I use the local post office, but the hours are unreliable. We need a county library!	5/20/2023 8:20 AM
158	I live in Exeter. I come to The Tower for music, food and watching The Freak Show! I actually managed the old KFC when in college, early 70s!	5/20/2023 7:37 AM
159	I live near the boundary, so the closest grocery and drug stores are just out side the district (at Blackstone and Clinton). Similarity, I've lived in town for decades, so my hair stylist lives outside the district, even though there are plenty in district.	5/20/2023 7:29 AM
160	More grocery options	5/20/2023 6:33 AM
161	All of the aboce. The Tower District doesn't really offer any of the above	5/20/2023 6:16 AM
162	Bring Trader Joe's	5/20/2023 6:01 AM
163	I use the Tower Post Office but my doctors are around CRMC and in Clovis, my attorney is in Clovis and my accountant is on Ashlan and the Chestnut Bypass. I go to the Tower for food and entertainment. I hate it when my women friends are afraid to go with me to the Tower District.	5/20/2023 3:56 AM
164	Lack of grocery stores except smart n final, the farmers market has sparse healthy offerings (sad), limited business except for restaurants and bars.	5/20/2023 3:36 AM
165	I shop at Whole Foods, sprouts, and Trader Joe's food. Costco for gas. Woodward Park for exercise.	5/19/2023 11:23 PM
166	I live uptown	5/19/2023 11:17 PM
167	We could use more bodega-like places similar to Moto restaurant.	5/19/2023 10:53 PM

172	My families Drs are in SW Fresno, we usually shop at Walmart, and we do visit the malls and movie theatres.	5/19/2023 9:31 PM
173	A real grocery store would be the best improvement. A postal place would make a killing down here too. I had to go pretty far out of the area to find one. Or even if our post office had full business hours I would have used them. The trash and homelessness I think keeps many regular businesses out of here.	5/19/2023 8:45 PM

206	The new Farmers Market needs more farmers, LESS FOOD TRUCKS!	5/19/2023 11:56 AM
207	Some of these services are naturally going to be outside of an entertainment district. However I think we need a better option for grocery stores.	5/19/2023 11:51 AM
208	Cramming a ton of bars and restaurants in one space means it's only a space for these things. Countless businesses that should thrive in the district barely make it one year because landlords get mad that the non-bar business makes less money, but that's because Tower has a reputation business-wise that no one seems to want to fix. A place cannot thrive on alcohol/food sales alone.	5/19/2023 11:48 AM

218	Everything. Too many bars and not enough good places to eat healthy meals	5/18/2023 9:51 PM
219	There are no full grocery stores and the farmers market doesn't have adequate vendors to shop at. There are also not enough basic services to keep me from leaving the neighborhood.	5/18/2023 8:20 PM
220	I grocery shop outside of the tower. My dentist and physician are also outside of the tower.	5/17/2023 1:59 PM
221	Usually going to winco as tower market has insane prices	5/15/2023 9:14 AM
222	A real grocery store.	5/14/2023 10:03 PM

225	We need more grocery stores (trader joes would be nice!). We need more green spaces west of palm. We need more family friendly/non-drinking businesses.	5/14/2023 4:54 PM
226	We need regular grocery stores. We don't have any standard groceries. We only have close	5/14/2023 12:17 PM

access to big box stores like Smart & Final or cultural stores. And even those are outside of the neighborhood.

227	I do use the local post office and go to Smart&Final on Shields/Blackstone regularly but wish there were more options closer. Occasionally I'll pick things up at Tower Market, but it's too small to carry all the things I need regularly. Our doctors' offices are all in N Fresno, and it would be great to have movies closer to home, although we usually go to Manchester, which isn't too far. I have nothing against the bars, but it would be great to have more entertainment options that are great for families with kids.	5/13/2023 3:13 PM
228	Groceries, clothing, hardware and yard supplies, doctor, dentist, nails,	5/13/2023 12:54 PM
229	My answer reflects the fact that I enjoy visiting different parts of town to do business. That being said, the type of establishment that I feel like does not currently exist in Tower is a quality grocery store/supermarket. For almost all of my grocery shopping, I feel like I HAVE to travel outside of Tower to find what I'm looking for.	5/12/2023 5:58 PM
230	The new farmer's market is great but we need more local produce there. We could really use a grocery store that has more options. A Tower Grocery Outlet location would be awesome or a local heath food store.	5/12/2023 4:48 PM
231	Always head out of tower for groceries. Tower needs a grocery store with variety of foods at an affordable price. Would be great if a store like Trader Joe's opened up in or near tower.	5/11/2023 10:06 PM
232	There aren't enough grocery stores or green areas. We could use more family entertainment during the day.	5/11/2023 8:06 PM
233	I like to go to Trader Joe's for produce since there isn't much selection in the area. We only have Tower Market and they do the have a wide variety of produce. My current doctor and dentist are outside of the area since I haven't moved here for very long.	5/11/2023 7:31 PM
234	There are no drugstores in the tower	5/11/2023 7:28 PM
235	Every week up the 41 to Trader Joe's	5/11/2023 8:30 AM
236	There are very limited options for groceries in the tower district. Our one grocery store does not carry quality produce or a wide variety of items.	5/10/2023 8:15 PM
237	Would love more pantry/dry goods options	5/7/2023 9:59 AM
238	An Aldi's or Trader Joe's would be life changing. More activities that don't require alcohol! I love boozin' but want a "watering hole" that doesn't require you to get hammered.	5/6/2023 4:29 PM
239	Lack of grocery in Tower	5/3/2023 11:04 PM

242	For typical shopping trips, I travel to the nearest grocery store that is outside of Tower. For medical needs, I travel outside. I like to go to the movie theater which is also outside of Tower.	5/3/2023 3:38 PM
243	Groceries. Movies. Medical and professional. Retail.	5/3/2023 3:17 PM
244	We desperately need a bigger grocery store! Like ALDIs or Trader Joe's.	5/3/2023 2:43 PM
245	Environment (Bars and restaurants) that I can't experience in other parts of Fresno	5/3/2023 1:59 PM

247	tower needs more grocery stores, affordable NEW housing, and LOWER RENT. i live in tower right now and trying to find a new apartment was HORRIBLE	4/29/2023 8:10 PM

260	No large grocery store in the area, entertainment is here but no movie theater.	4/28/2023 5:25 PM
261	Access to quality groceries is hard to find in the area. I find myself having to do multiple trips to find what I need because no one store has everything.	4/28/2023 4:06 PM
262	There's a real lack of decent grocery stores and you have to leave Tower for just about everything but bars or restaurants	4/28/2023 3:02 PM
263	Tower has a great night life. But for those of us who don't drink or like to do day time activities we almost always have to go outside of tower.	4/28/2023 2:21 PM
264	It would be nice to have a grocery store in Tower. As well as some businesses that is not a bar. Maybe some more family friendly ones like a library or paint room.	4/28/2023 8:29 AM
265	I don't live in Tower but I do recognize there is only ONE grocery store which is more of a specialty store, not enough food diversity.	4/28/2023 8:00 AM

#	RESPONSES	DATE
1	The original plan encouraged the arts and entertainment venues, which are good. But in recent years, tattoo joints and loud nightclubs have proliferated. I feel we need a better mix of residential services for surrounding neighborhoods. Merchants should be more responsible for the trash and waste generated by their businesses, which ends up on the street and in the neighborhoods. This is often very unpleasant food waste. You should walk the Tower on a Saturday or Sunday morning!	6/26/2023 10:47 AM
2	The new bike lanes are useless. Not many bike. Need more parking.	6/25/2023 11:26 AM
3	More art and history oriented spaces, less bars and nightclubs	6/24/2023 10:09 PM
4	A Tower District Public Library.	6/24/2023 4:01 PM
5	Boutiques and specialty shops	6/24/2023 2:52 PM
6	Better public transportation, more protected bike lanes, and more green spaces/parks.	6/24/2023 9:01 AM
7	More support for local business. The majority in the area if they are not bars or sell alcohol struggle.	6/24/2023 8:33 AM
8	Dog park!	6/24/2023 8:13 AM
9	More green spaces, better housing/housing prices, help the unhoused, better control of the drunken disorderliness on the weekends.	6/23/2023 8:30 PM
10	More parking	6/23/2023 7:46 PM
11	More affordable (and green) housing	6/23/2023 6:36 PM
12	More family friendly with a boardwalk atmosphere like it had a long time ago.	6/23/2023 6:32 PM
13	A park or at least more small green areas Less crime...	6/23/2023 6:28 PM
14	Upzoning and permission to build taller buildings, particularly mixed use buildings along primary streets, to diversify business and entertainment options and increase housing.	6/23/2023 5:43 PM
15	I would like to see more green spaces! A few more parks would be amazing. Not a bunch of concrete but an actual park with plants, trees, maybe even some edible plants?!	6/23/2023 5:23 PM
16	More patrols in terms of crime, we have huge issue with theft and vandalism. Also homeless has become a huge issue. Maybe more family friendly events/businesses, medical offices, healthy grocery stores	6/23/2023 4:57 PM
17	More green space. More patrolling of the areas of entertainment. More code compliance.	6/23/2023 4:09 PM
18	Clean it up, don't let night taco vendors set up and cook greasy tacos on sidewalks. Makes a greasy mess. Nobody cleans up. South west corner wish on & Olive. We do appreciate the gentlemen that clean up trash.	6/23/2023 3:41 PM
19	Can we get rid of some of the smoke shops??? Is there no restriction on these the way there are restrictions on opening bars and liquor stores? They are magnets for crime and displace businesses that are more friendly to the neighborhood.	6/23/2023 3:40 PM
20	More parking	6/23/2023 3:14 PM
21	More bicycle lanes. More ability to eat drink socialize outside. Better concert venue	6/23/2023 2:51 PM
22	Green spaces. Plant more trees. Grocery store.	6/23/2023 2:43 PM

23	Mixed use is great except for actual residents. Because RESIDENTS have to cede their peace to whatever is convenient for business. Noisy businesses aren't told to be quiet, the City tells residents to "move if they don't like it" instead of enforcing the rules that are supposed to apply to everyone. Why are we the cleanup/janitorial for Olive businesses?	6/23/2023 2:08 PM
24	Reinvestment by the city for parks, groceries and safety, would be great to have a beat cop on Olive.	6/23/2023 1:32 PM
25	More family friendly with a boardwalk atmosphere like it had a long time ago.	6/23/2023 1:21 PM
26	We need strategic infusion of capital to business owners and property owners that are not currently contributing to the sprawl in other parts of our city.	6/23/2023 1:09 PM
27	Find ways to lesson the amount of homeless and what they leave behind.	6/23/2023 12:43 PM
28	Some way to curb the street and homeless. Better retail dept. & grocery stores.	6/23/2023 12:30 PM
29	I want a safe way to get to roeding park, I want to be able to walk olive without feeling afraid	6/23/2023 12:20 PM
30	more ADA ramps more green spaces	6/23/2023 12:15 PM
31	I would like to see permanent outdoor seating, even if that means removing street parking.	6/23/2023 12:01 PM
32	More social services for the unhoused.	6/23/2023 10:26 AM
33	A safe park would be nice. More things that are kid friendly.	6/23/2023 10:15 AM
34	Continued upkeep. Bringing in more business options. While I feel safe walking in Tower, I know many people who do not, so I would also say increased security or law enforcement visibility.	6/23/2023 9:35 AM
35	Close some streets down to make big public green spaces.	6/23/2023 8:46 AM
36	I love the idea of mixed use zoning, businesses with multi family housing above would suit tower really well, much better than downtown.	6/23/2023 8:21 AM
37	Security	6/23/2023 8:16 AM
38	More community green spaces shaded with trees. A grocery store,	6/23/2023 3:47 AM
39	There's definitely a growing safety issue, or at least the feeling of one. I don't know what the solution to that is other than a long-term fix of the core issues, or just throwing more cops at it. I think we need some better basic shopping options (groceries, hardware other than Harbor Freight)	6/23/2023 12:40 AM
40	More accessible walkways, more parking areas, more lights	6/23/2023 12:02 AM
41	More music, more dance clubs, more street entertainers.. the tax/fees on live entertainment killed Manchester Steakhouse's ability to hire Jaz, piano players, etc... the amount of money took away all the profit and went into the negative. People are gifted and talented, but cannot share the music	6/22/2023 11:08 PM
42	ADA Compliance on olive avenue especially for private business owners	6/22/2023 10:33 PM
43	Would love to see a library! Either in Tower, or Tower adjacent. A library in the area would be helpful to residents, & students at Fresno High & FCC	6/22/2023 10:11 PM
44	Better overall maintenance of roads and sidewalks. Better streetlights especially along Van Ness.Shade from trees would also be great.	6/22/2023 9:16 PM
45	A broader array of businesses. There is a concentration of bars, tattoo parlors, and similar industries. We've lost the gallery and shops that we used to have in abundance. Better street lighting, more full-growth trees (think midtown Sacramento).	6/22/2023 9:16 PM
46	A public library	6/22/2023 8:55 PM
47	I want a grocery store/ co-op grocery on the corner of Palm and olive. I want lighted crosswalks. I want green spaces and for the city to replace our trees they cut. I want movies in the tower and perhaps during the stupid "farmers market" we can have an outdoor movie on the side of the theater. I want less smoke shops and bars. I want Broadway Parque to get started and finished. I want the roads fixed. Not just the pot holes. I want the alleys cleaned up	6/22/2023 8:41 PM

The Tower District Specific Plan Community Survey

and fences put up. I don't want producers in my neighborhood. I want a Tower branch library. I want water fountains or refillable water stations for people and pets. I want more trees. I want less slum lords who don't fix up their homes. Homeowners need help with maintenance on older homes. City should provide cheap interest rate loans.

48	More disabled access to shops. Some green spaces. Better parking.	6/22/2023 8:29 PM
49	More variety of businesses	6/22/2023 7:14 PM
50	Our district representative should be ashamed of himself. For the way he treats local small businesses in his district & lack of respect for the disabled. Tower district is forgotten. No money is allocated for helping small businesses be Ada compliant. Or making Tower a safer, inclusive place for all to access.	6/22/2023 6:49 PM
51	Shuttles to area. Street improvements. Too many potholes, uneven pavement.	6/22/2023 6:46 PM
52	Safety! Please! At night it is not safe to walk through the Tower District because of the bars.	6/22/2023 5:58 PM
53	I would like to see the city build tiny homes so the homeless people don't have to sleep on the sidewalk or bus stops.	6/22/2023 5:44 PM
54	A clear dedication to longstanding tower residents. Investment in current Tower business.	6/22/2023 5:33 PM
55	Add dispensaries and incentivize commercial property owners to make sure their storefronts are not vacant.	6/22/2023 5:32 PM
56	--add green spaces ie PARKS --small ALWAYS OPEN NON FENCED PARKS --replace some of those dirt spaces or unused roped off parking lots (like corner of Van Ness and Olive) for small NON FENCES public parks --where EVERYONE IS WELCOME INCLUDING THE HOMELESS --community garden inside the park(s) ---SHUT DOWN ANY ANTI-HOMELESS RHETORIC BY ANYONE. Stop being so hateful and unhuman. If you don't want homeless people, add cheap housing, add more multi-level (5 stories+) CHEAP apartments, welcome them into your home. They are human. They are fine. They are just like you and me. Stop being so anti-homeless. The anti homeless stuff and people who are afraid of homeless people or make assumptions about the morality of homeless people are wrong. Their fear hurts our community. Stop believing NIMBY paranoid lies.	6/22/2023 5:05 PM
57	Accessibility for older buildings/businesses	6/22/2023 4:52 PM
58	More police presence	6/22/2023 4:43 PM
59	I would like to see more green space for recreation (parks, places to gather that are not bars/places where consuming something is necessary to be there). I also would love to see more mixed use zoning that is amendable to urban agriculture	6/22/2023 4:37 PM
60	Stop pandering to the gay community so obviously	6/22/2023 4:35 PM
61	I would like more focus on the businesses. For instance the farmers market recently openend there is fun but it has way to many food trucks that are taking money away from our local business operators. There are way to many permanent temporary food vendors on the street also. I would like for businesses also to be a little more wide ranging and for their to be more of connection to van ness and to City College.	6/22/2023 4:30 PM
62	Less homeless	6/22/2023 4:29 PM
63	More green space would be fantastic	6/22/2023 4:27 PM
64	The completion of Broadway Parque!!	6/22/2023 4:27 PM
65	Less crime Cleaner and spruced up	6/22/2023 4:12 PM
66	I'd like to see more services available for our homeless population. I see a lot of folks who are in desperate need of food, a shower, and most importantly, safe shelter. If we could expand those services in this area, that would be wonderful. Also, our tower farmers market is wonderful, but I do wish there were more veggie and fruit vendors available.	6/22/2023 4:00 PM
67	More green spaces and resources. A large community garden as a shared food/social space.	6/22/2023 3:41 PM
68	More green spaces/ public park spaces with seating and shade. A dog park would be amazing.	6/22/2023 3:41 PM
69	ADA compliant buildings	6/22/2023 3:31 PM

70	-wider, and more sidewalks would be awesome -dense, affordable housing! The idea of having to leave here cause of rent is horrifying - more separate bike lanes!	6/22/2023 3:27 PM
71	More green spaces, activities and events for all community members, more healthy food facilities (grocery stores, popups)	6/22/2023 3:17 PM
72	More parks, a library, incentivizing small businesses, rent protection or rent cap so that it remains a mixed income neighborhood and folks aren't prices out.	6/22/2023 2:17 PM
73	Dessert store fronts! Also more fresh produce options.	6/22/2023 1:53 PM
74	id like to see the homeless given resources so they can get off the streets and out of tower, NOT ARRESTED AND HARASSED BY MY TAX PAYING DOLLARS. we need a grocery store, a decent one. we don't need anymore bars opening up, we need more restaurants. STOP LETTING PRICE GOUGING HAPPEN IN OUR BEAUTIFUL TOWER DISTRICT. we need HARSH rent control. no more ugly Grandville or property management like them building in tower. Create laws that require upgrading appliances and central/heating cooling in current residents. they should not be allowed to raise rent if they haven't done a substantial upgrade and even then they shouldn't be allowed to raise rent much or at all. why is it so expensive to live there now? Ridiculous do your f [REDACTED] job.	6/22/2023 1:05 PM
75	More small business, more green space, cleaner environment	6/22/2023 1:03 PM
76	MORE SUPPORT FOR YOUR EXISTING BUSINESSES. ALOCATE MORE FUNDS/ GRANTS SO WE CAN MAKE ADA IMPROVEMENTS. Put your money where your mouth is and support the people trying to create accessible services for ALL community. Enlighten Arias on what an ableist mindset is invest in community and doing the right moral thing, not just what puts more money in your pockets. Make the time to talk to neighbors and businesses to ask them what they truly see and experience day to day. We're not ABOVE IT. We're actually IN IT.	6/22/2023 12:25 PM
77	I would like to see the businesses supported and business encouraged west of Palm. Right now many of the businesses sit empty and are blighted.	6/22/2023 12:10 PM
78	Edible greenery, edible flowers, an entire garden FOR THE PEOPLE like we tried to keep it going and the city destroyed it in what 2003 -2007. Tower district many years ago , in my humble opinion, was the embodiment of a close knit community, everyone looked out for one another, gays, goths, gay straight alliance, ECT everyone got along, and with the garden most days the community garden's and ate together it was truly a beautiful sight to see.	6/22/2023 11:19 AM
79	Nightclubs held to standard, improved security, more trash cans or someone picking up business litter from residences, zero tolerance for parked car parties, address the night walkers stealing every night, unhoused camping on sidewalks. You know, treat us more like fresNorth.	6/22/2023 9:04 AM
80	I would like to see a larger verity of restaurants and shops, as well as more pedestrian friendly walking paths.	6/21/2023 7:31 PM
81	More policing at night, more retail , not so many food trucks at the farmers market.....	6/21/2023 3:59 PM
82	Keeping church people out of tower would be ideal	6/21/2023 3:02 PM
83	Cleaner, steam clean the side walks, clean broken glass...more colorful, bright, cheerful...a happy place!	6/21/2023 2:41 PM
84	A continued effort is needed to make Olive Ave walkable, bike-friendly, and safely driveable. There are sections that are now dangerous for pedestrians to cross (at Echo and at Lucerne). It's too easy for cars to speed in sections. The restaurant seating kiosks (can't remember what those are called) need to be removed as they cause limited visibility (especially at the crosswalk at Echo & Olive) for drivers plus a loss of parking spaces. I wish we weren't so car-dependent in this city, but it is the reality. And very importantly, more solutions should be explored for our homeless population. The trash/destruction of property by the homeless continues to be one of the biggest issues, and one that makes me consider moving away from my beloved 'hood.	6/21/2023 1:39 PM
85	More active businesses, shops and galleries open, bring back movies and 1st rate live entertainment to the Tower Theatre (and other locations), security at late night events and around clubs. We really need more green space--the dedicated trail planned for Wishon sounds like an excellent start!! We also need it to be even more bike and pedestrian friendly.	6/21/2023 8:19 AM

86	2 times in the last month I have witnessed big fights outside strummers where the police drive by and do nothing. The police are lazy and uncaring.	6/21/2023 6:05 AM
87	More bookstores. I know we have 1.5 used bookstores, but an intentionally well-curated bookshop is a level-up. Same with a small library branch. Better lighting or added market lighting to enhance safety and ambience. Grants or financial incentives to encourage small businesses to take some of the empty storefronts.	6/20/2023 3:26 PM
88	I would love to see a branch of the library in the neighborhood.	6/19/2023 10:26 PM
89	Eateries, fine dining	6/19/2023 9:35 PM
90	An anchor restaurant like the Daily Planet, more and better parking	6/19/2023 9:17 PM
91	improve the roads.	6/19/2023 5:26 PM
92	I'd like to see a late night coffee and dessert diner open. I'd like to see more shopping stores like clothing, novelty stores home goods, hardware store....	6/19/2023 2:10 PM

100	Keep big corporations out, including those with religious intent.	6/18/2023 8:51 PM
101	More safe parking spaces along olive and along van ness by businesses (such as spokeasy & root access) Cleaner parking lots (lots of glass near deli, detention tower blendz, and piemontes) More trees and plants along van ness by spokeasy and root access Extend tower district to fruit & olive (map, overhead string lights, venue spaces, nightlife, etc) and not have it stop at olive & palm	6/18/2023 8:44 PM
102	Parks	6/18/2023 6:50 PM
103	letting small crafts and arts people set up and do more nighttime events to promote their art	6/18/2023 6:00 PM
104	More activities, produce vendors on the sidewalks.	6/18/2023 1:02 PM
105	The side walks need maintenance and more recreation is needed in the area	6/16/2023 1:41 PM
106	More housing	6/16/2023 12:24 AM
107	Getting control of the homeless camps! While also providing options for them.	6/15/2023 10:26 PM
108	Leave us alone.	6/15/2023 8:50 PM
109	More green space.	6/15/2023 7:47 PM
110	I want to see an area to have a hot tub me rent, spa. More grommet coffee.	6/15/2023 7:34 PM
111	More care for the houseless that is compassionate. More green spaces	6/15/2023 7:30 PM

137	Cleaner streets, more resources for the houseless,	6/14/2023 8:33 PM
138	Bring more mixed use development with additional housing to support local businesses. Add more green space. Maybe green space could double as event space for larger events.	6/14/2023 9:11 AM
139	Gay bars shouldn't discriminate against people who are perceived to be heterosexual. In San Francisco mostly bars are just bars	6/13/2023 2:47 PM
140	More activity. More opportunity. Less clubs and bars? More options. Tower is most alive at night and I think it would be nice to see it thrive in the day time where others especially with children can feel like they're in a safe space and can enjoy themselves without having to travel far like to Riverpark or more developed, nicer areas. Many residents in the area, even those currently living in Parkside motels only have a means of transportation by foot or bus and it can be a lot to just enjoy themselves. Maybe a park? Looking forward to the Tower Farmer's Market.	6/13/2023 5:11 AM

177	Less smoke shops, less Mexican restaurants (we already have 5 just on Olive), and more grocery stores. If we could get a Trader Joe's (or similar grocery store) and a Starbucks I would never leave Tower District!	6/6/2023 6:56 PM
178	Less police & hate from conservative patrons	6/4/2023 10:10 AM
179	Pleae move the Farmer's Market to Tues or Wed. I think it is pulling customers/foot traffic away from other small businesses even those downtown and other outlying areas by having it on Art Hop night. Having it on Thursdays is bad idea and not well thought out on how that effects the other areas near the Tower. A Tower specific neighborhood shuttle so people can park elsewhere and have greater access to the whole Tower area. Also, a citywide issue is more mental health & other services for the homeless. Enough is enough!	6/3/2023 2:52 PM

Route 28 that disconnected it from all the student housing around Fresno State. The 28 buses going to and from Tower used to be packed but now ridership has cratered since it was rerouted a few years ago to a strip mall in Clovis. Increase FAX route 26 frequency. Thirty minute bus headways are unacceptable in a city of over half a million people. Build a large affordable housing complex with ground floor retail on the empty lot at Palm and Olive. Add curb bump-outs at Olive and Van Ness like at Wishon. Turn the midblock crosswalks on Olive into raised speed tables.

244	We have stopped going to all Tower District activities. We are deeply disappointed by the non-welcoming enviroment of anyone who doesn't agree with the LGBTQ+ agenda. nice restaurants.

263	I would like olive to be much cleaner, since it can get very dirty sometimes, with trash and dust.. I would like more parks. Less nightclubs. I have no problem with bars. More family oriented venues. Less tattoo shops.	5/22/2023 11:44 AM
264	Mixed use doesn't work when only one side gets priority. The folks who LIVE here have been treated badly and that continues because the City pits residents against business. Why should we have to make specific complaints for action to be taken when city KNOWS exactly who is breaking noise/liquor laws and ignores it because the business owner is chummy with electeds.	5/22/2023 8:18 AM
265	A few more cheaper restaurants. A library branch would also be welcomed. Also a few nonalcoholic options that were open later after shows at the Tower theatre or after a performance from Good Company.	5/21/2023 10:48 PM
266	Road repair	5/21/2023 8:58 PM
267	Get Granville out of the Tower! His building are f[REDACTED] ugly, and our historic neighborhood don't need to be financially r[REDACTED] for his bottom line.	5/21/2023 11:06 AM
268	I've been in most major cities in the country from Seattle to Chicago, Boston NYC, LA San Francisco San Diego New Orleans Miami etc. The best thing they have in common is a district, neighborhood or community with a multitude of restaurants and other night spots that are more than just a few blocks and a packed with foot traffic. Fresno's downtown just never seems to get there so Tower became that place almost by default. Nurture the spirit of an inclusive community unlike any other in Fresno. Embrace the Weird and keep the Spirit of Tower alive!	5/21/2023 9:39 AM
269	More performing arts venues.	5/21/2023 9:00 AM
270	How about applying some of those ideas from the Plan of 1991: bookstores, artist Lofts, craft shops, clothes stores that sell retro, more places to show case local talent. Get rid of those cement walls.	5/21/2023 1:30 AM
271	Cleaner. No homeless sleeping around. No crazies walking the streets and screaming. Cut the loud music earlier that is near homes. More security. Pay for clean up exterior/interior of businesses in Tower. Profits would be returned because businesses would be frequented more often if they felt approachable and desirable.	5/21/2023 1:11 AM
272	Fix potholes	5/20/2023 11:18 PM

276	A green space like the hopefully in-the-works Broadway Park would be amazing.	5/20/2023 4:36 PM
277	more love for small businesses and mixed use buildings to provide affordable living for younger people and the people that work at places in tower. Also, a nice shady place for homeless to be able to camp without being harassed or being in the way of streets and side walks, being able to provide them a space will halve everyone in the community, and would also allow for more help for those who need it	5/20/2023 4:08 PM
278	More parks, more grocery stores, more non-alcohol based entertainment	5/20/2023 3:45 PM
279	I would love to see late night public transportation from downtown fresno to tower, north fresno to tower. I would also like to see tower district to have alcohol free late night spaces. Tea shops, coffee shops, book stores etc. tower district is in great need of experiences that are outside of the club scene. An open local "food court"! Options that include local eats, drinks, vendors LIVE MUSIC!!! and places for all ages to enjoy with outdoor indoor seating	5/20/2023 3:24 PM
280	I would like to see an area where there could possibly be some green space used for a pocket park. Also, I would like there to be affordable housing in the area so that way people can move and live closer to the Tower District.	5/20/2023 1:59 PM

281	I want to see our vacant buildings put to use (e.g. BofA and Chicken Pie Shop) and I would like a grocery store with better options than "Tower Market." Cleaner sidewalks... I also think there should be a crosswalk installed at Fern and Wishon.	5/20/2023 1:18 PM

286	I would like to see more trees and park or parks for kids	5/20/2023 10:38 AM
287	Monitor and remove homeless and their encampments.	5/20/2023 9:58 AM
288	Things we need: Farmers market that sells mostly fresh local fruits and vegetables. Tower Theater offering movies frequently. More police presence weekend evenings. More unhoused outreach. Maybe mobile healthcare and mental and drug treatment outreach. Sidewalk sanitation.	5/20/2023 9:36 AM
289	More green spaces, more police presence (safety, maybe without police), more affordable housing options	5/20/2023 8:42 AM
290	Definitely no churches.	5/20/2023 8:27 AM
291	The top of my wish list is a county library.	5/20/2023 8:20 AM
292	Safer to be out and about. Better options for homeless people.	5/20/2023 7:40 AM
293	Don't let it deteriorate. Keep it weird.	5/20/2023 7:37 AM
294	Maintain the current character and vibrant collection of homes and businesses, but steadily increase density with more mixed use and redevelopment as older stores close.	5/20/2023 7:29 AM
295	More police presence.	5/20/2023 6:34 AM
296	More bike patrols, volunteer neighborhood watch/patrols/clean ups, more speed bumps	5/20/2023 6:33 AM
297	For Tower to feel more safe, especially at night. & bars regulate alcohol serving better, not over serve patrons, especially those who cause problems. More police presence day & night thru out the week.	5/20/2023 6:22 AM
298	I'd like to see "healthy" market similar to Whole Foods concept. A community room/center would be amazing!	5/20/2023 6:22 AM
299	Get rid of the homeless population. They leave trash everywhere, they make the businesses less appealing, people are afraid to go out at night because of them...put them somewhere on the empty lots in downtown.	5/20/2023 6:16 AM
300	Less violence and crime	5/20/2023 6:01 AM
301	I like the neighborhood vibe. I would like it cleaner but the main problem is the homeless and that is a huge issue all over the city unless one goes north.	5/20/2023 3:56 AM
302	Outdoor cafes, rooftop bars, cleanliness, more business open late, more specialty shops	5/20/2023 3:42 AM
303	More community minded family friendly businesses/organization storefronts focused on enriching youth, and all generations. A library satellite, a youth center, less bars (or moratorium) less smoke/vape shops. I don't really shop in the tower but do like the "feel" of neighborhoods and the people who live here. Multi-generational and diverse.	5/20/2023 3:36 AM
304	Keep it small business.	5/20/2023 3:34 AM
305	More green space! More kid friendly areas. Safer parking	5/20/2023 2:38 AM
306	Honestly, cleanliness. Cleanliness on the sidewalks, streets. Sidewalks and streets need some serious powerwashing and bleaching.	5/20/2023 1:46 AM

307	Less homeless and addits that steal from houses and break into cars.	5/20/2023 1:46 AM
308	Seguridad y alumbrado	5/20/2023 12:23 AM
309	Would like to see better communication between city council representatives and residents that is more than sending flyer highlighting claimed achievements. As ex to have lost over 1000 feet of curbside parking between Elizabeth to Home Ave, with more loss to come, without prior notification and without means for businesses and residents, particulary those in multi unit complexes and mixed use residences, to have their needs for accessible parking acknowledged remains a source of frustration for the those impacted. An updated Tower District Specific Plan needs to address these issues and clarify the process for how these types of changes could occur.	5/19/2023 11:35 PM
310	A focus on safety	5/19/2023 11:33 PM
311	LESS bars and nightclubs...more green space...more healthy options, restaurants, cleanliness.	5/19/2023 11:23 PM
312	More restaurants and entertainment venues.	5/19/2023 11:17 PM
313	We need to have more modes of public transport. Maybe some sort of bicycle tourist carts for the tower area. And make sure Dyer includes tower area for the new trolley system, and that it is regular and timely. It would be awesome to have better public transit in Fresno, and it's a shame that we don't have a less car centric city- I would love to see the railroads that go through the city be used for transporting people within the city.	5/19/2023 10:53 PM
314	Cleaned up. Olive cleaned up, pressure washed. It's grungy	5/19/2023 10:51 PM
315	Eliminate vacant properties that attract homeless and drug users	5/19/2023 10:44 PM
316	Speed bumps and street lighting	5/19/2023 10:39 PM
317	Cleaner, places to exercise or take kids too	5/19/2023 10:07 PM
318	I want a huge skilled nursing facility built with multiple recording studios and stages so the founders and following musicians can get back to creating new original music and put an end to the endless slog of blues and cover bands	5/19/2023 10:03 PM
319	More tree planting for shaded sidewalks.More mixed use on Olive, Belmont and Blackstone, store fronts with apartments above.	5/19/2023 9:53 PM
320	More services to house homeless residents. Graffiti removal.	5/19/2023 9:42 PM
321	More parks and things to do with kids!	5/19/2023 9:36 PM
322	Clean it up. Can't even walk my dog around the block constantly dodging human feces and vomit, discarded bones and food for my dogs to choke and get sick on. It's so sad how disgusting tower has become.	5/19/2023 9:34 PM
323	I can't say a full grocery store enough times. We drive out to the Vons at king canyon and clovis or the west fresno save mart store. It amazes me with the density of houses we don't have one.	5/19/2023 8:45 PM
324	Senior Center - Old Chicken Pie shop	5/19/2023 8:43 PM
325	Better bike lanes	5/19/2023 8:37 PM
326	Help business owners update storefronts. Resources for sidewalk/trash clean up.	5/19/2023 8:36 PM
327	Better security at night. outside painting and maintenance of buildings. More color! Flowers, murals,flags and green space. A compassionate solution to the homeless issue.	5/19/2023 7:52 PM
328	The homeless situation to make it safer for families.	5/19/2023 7:29 PM
329	Add some greenspace. Community gardens. Food gardens.	5/19/2023 7:20 PM
330	More police or security, parking availability	5/19/2023 7:20 PM
331	Less fights at Bobby Salazar's and the other clubs.	5/19/2023 7:18 PM
332	The new Farmer's Market actually needs to have more fruits and vegetables! We need more green space. Why is it taking so long for Broadway Parque. There is so much potential for	5/19/2023 7:18 PM

services and programs at Ted C Wells. Why are programs and services not being promoted and developed at that location?

333	Less crime, more bike lanes, a dog park	5/19/2023 7:12 PM
334	We need help with homeless population	5/19/2023 7:10 PM
335	I'm not sure	5/19/2023 7:07 PM
336	Better management of traffic, especially around the Dollar Tree.	5/19/2023 6:43 PM
337	the new bicycle lanes/bus lanes or whatever are a disaster.. lots of parking spaces lost	5/19/2023 6:37 PM
338	More entertainment venues	5/19/2023 6:34 PM
339	Parks	5/19/2023 6:29 PM
340	Safety, healthy food stores, more lighting at night.	5/19/2023 6:22 PM
341	Less food trucks, more small business. Ive noticed it always smells like gas now. The crowd that bobby salazars brings isn't good for the neighborhood. Id love to see Tower Districts small businesses expand further down that street. Having a, "green area." I don't think a park would be possible, but somethinggg. Also have y'all considered having a marijuana friendly restaurant like they do down in LA? I don't smoke anymore but dang, that would be a huge hit!	5/19/2023 6:10 PM
342	A return to the artsy stores	5/19/2023 6:06 PM
343	The new parking on Van Ness needs to be put back how it was.	5/19/2023 5:53 PM
344	Benches in the business district, foot or bike police patrols, pass and enforce noise ordinances (i.e. ticket vehicles with loud sound systems passing through the business district)	5/19/2023 5:51 PM
345	I'd like it to be safer and cleaner	5/19/2023 5:50 PM
346	I just want it to be kept clean with small unique shops. I would like to see more events at the Tower.	5/19/2023 5:46 PM
347	More venues that promote original music.	5/19/2023 5:41 PM
348	My street needs some attention	5/19/2023 5:27 PM
349	Speed bumps in residential neighborhoods. More green spaces (parks).	5/19/2023 5:25 PM
350	More parking. The empty lot on the corner of Van Ness and Olive needs to be purchased from it's "do nothing" owner and then upgraded and utilized.	5/19/2023 5:12 PM
351	A bike trail that connects to other bike trails or Woodward Park. Or improve Roeding park	5/19/2023 5:09 PM
352	More bike lanes	5/19/2023 5:00 PM
353	More bicycle friendly and parks , but I would love the tower to have a public library location this would be great for Fresno High students and city college students.	5/19/2023 4:57 PM
354	Less shooting	5/19/2023 4:48 PM
355	A Trader Joe's Walking patrol Tiny homes on some of the empty lots	5/19/2023 4:45 PM
356	Fewer bike lanes. Regulation of giant yard sales. Bathroom facilities provided for the huge influx of people attracted to block sales. Parking regulations enforced. I think the people sponsoring the block sales should be taxed in order to pay for a police presence. These sales create litter and traffic congestion.	5/19/2023 4:44 PM
357	Promotion from the city of events in tower district. Small businesses have little to no money for advertising or event promotion, so having the city reach out to the community to directly help them get the word out.	5/19/2023 4:31 PM
358	more live music venues.	5/19/2023 4:30 PM
359	Bring back those evening movies at the Tower Theater - not the blockbusters, but alternative and international films.	5/19/2023 4:12 PM
360	A real farmers market not the food truck market that's currently operating on Thursdays.	5/19/2023 3:51 PM

The Tower District Specific Plan Community Survey

361	Higher bike police presence. Events where olive closes.	5/19/2023 3:51 PM
362	Animal waste trash bins with bag dispensers within the neighborhoods.	5/19/2023 2:48 PM
363	Focus on bringing the same level of services and quality of life to east tower. I would recommend splitting these questions up so that people can talk about the different parts of tower. I think parts of tower have enough green space and other don't.	5/19/2023 2:43 PM
364	Control gangs and hateful groups. Keep the hateful churches and Proud Boys OUT. Embrace diversity and love.	5/19/2023 2:41 PM
365	More lighting along the residential streets along the main strip, intentional, supportive and humane action to address unhoused individuals in the area, accountability and support for business owners to maintain business-front standards/upkeep.	5/19/2023 2:35 PM
366	Less vandalism, less fights/assaults, add additional decorative lights for evening hours, increase in PD foot/bike patrols.	5/19/2023 2:29 PM
367	generally working on cleanliness and public safety . i think a lot of others things would fall in place if we had clean and well kept streets and an actual way to deal with the homeless issue . i think the mayor is doing well working on the homeless services etc but the truth is too much is tolerated in the Tower. i feel it really is a public health issue on many levels . i dont live in Calcutta and should not be walking on human refuse or seeing people relieve themselves in the street .and of course, there is the issue of Bobbys and the kind of barfight mentality . we need things enforced.	5/19/2023 2:22 PM
368	The Tower District could use a decent, affordable grocery store and more green space	5/19/2023 1:47 PM
369	More police presence	5/19/2023 1:44 PM
370	More green space. Make neighborhoods more distinctive like van ness Ave.	5/19/2023 12:58 PM
371	Green Park areas	5/19/2023 12:57 PM
372	I would like to see more brick and mortar businesses be able to make money and not see a dozen vendors out on the streets on the weekend. I would also like to see the historic look preserved as well as keeping the rent decent.	5/19/2023 12:39 PM
373	Diverse Community events	5/19/2023 12:37 PM
374	A trolley service so people could park at Fresno City College on weekends and nights and use the trolley to get to restaurants and theater venues.	5/19/2023 12:34 PM
375	Make it cleaner, more lgbt friendly. Kick Bobby's out of tower	5/19/2023 12:25 PM
376	Enforcement of basic city curb aesthetic requirements-why is Circle K allowed to be such a dump? Why aren't they required to keep up their street landscaping, like homeowners are? The new gas station on Belmont/Van Ness was required to conform to aesthetic requirements. I get that Circle K wasn't, at the time, for their building, but why do we let them keep their curb looking like garbage? This doesn't happen in north fresno. But the company knows the city doesn't care about this location.	5/19/2023 12:23 PM
377	More low income housing that actually gets people moved in, especially if it prioritizes disabled and/or queer people.	5/19/2023 12:22 PM
378	Add more green space, bring in a variety of businesses to come in to fill empty store fronts, incentivize a grocery store that provides good quality food that is affordable for residents. Bring in more trees and make Fresno/Tower a tree city. Hire arborists to trim trees correctly, ensuring healthy trees instead of allowing trees to be cut back incorrectly. Provide protection for trees to prevent landowners/businesses from cutting down trees that are not sick/diseased. Parking lots should be transformed into green parking lots to decrease the amount of heat during the summer.	5/19/2023 12:06 PM
379	Bicycle lanes	5/19/2023 12:02 PM
380	More daytime activities	5/19/2023 11:57 AM
381	More infrastructure for non motor transportation. More parks. More activities for kids.	5/19/2023 11:56 AM
382	Maybe an option for a more upbeat nightclub. Something more wholesome but still fun!	5/19/2023 11:55 AM

The Tower District Specific Plan Community Survey

383	I think a huge improvement needs to be parking. The lot on Van Ness and Olive could be developed for this. Even though I live in to community, the congestion and trash left behind by visitors is overwhelming sometimes. I think if you set up a few Uber/Lyft hubs along the strip can help cut done traffic. One thing I always liked was the pedicabs that ran around tower.	5/19/2023 11:51 AM
384	More street cleaning of sidewalks and more planting of trees/shrubbery on main biz streets.	5/19/2023 11:50 AM
385	More daytime activities for families. More events not centered on alcohol or bars. More daytime queer events to show that it is not a culture that only exists in the shadows. More free art events like classes in community spaces. Actual community spaces where one can exist and not spend money. Safe off-street parking. Larger street signs with solar lighting.	5/19/2023 11:48 AM
386	The farmers market to be once a month as it is detrimental to tower business owners losing revenue	5/19/2023 11:44 AM
387	Tower theater movies in the lot!	5/19/2023 11:42 AM
388	None	5/19/2023 11:35 AM
389	Clean and spruce. Its just kind if ragged anymore.	5/19/2023 11:22 AM
390	Fix/clean the sidewalks. Touch up and clean the buildings regularly for a more inviting atmosphere. HELP the houseless get housing, don't just kick them out and trash their belongings.	5/19/2023 11:21 AM
391	family fun entertainment	5/19/2023 11:19 AM
392	Keep out developers like Granville, home flippers from out of area, etc that drive up prices. Keep out chains unless they go through process where community gets to speak for/against them. That Farmer's Market is great but it shouldn't come at the expense of local businesses on Olive. No church rezones, period.	5/19/2023 11:19 AM
393	More trees on some streets	5/19/2023 10:43 AM
394	Less bars. There are too many in the area.	5/19/2023 10:40 AM
395	I'd like to see a grocery store that has fresh produce. And we need more parks. There are no green spaces here.	5/19/2023 10:40 AM
396	I would like to see more attention given to the unhoused population and cleaning messes and trash. I tend to avoid the Tower at night due to past incidents (fights) at places like Bobby Salazar's.	5/19/2023 10:39 AM
397	Maybe a little more crowd control at some of the venues and control over all the street loitering on the weekends. I feel if they're not attending an event going inside an establishment to eat or going in to hear music then they shouldn't be allowed to just loiter the streets of the tower especially under age persons.	5/19/2023 10:25 AM
398	More bookstores, a decent grocery store, more green spaces.	5/19/2023 10:19 AM
399	More of a police presence, bike or vehicle. More small businesses. More street lights for night activities. Affordable housing	5/19/2023 10:15 AM
400	Increased lighting, more affordable housing, grocery and pharmacy	5/19/2023 10:14 AM
401	More lighting in streets.	5/19/2023 10:03 AM
402	Affordable housing, social services for diverse communities, especially the LGBT community	5/19/2023 10:01 AM
403	Well, it could use a little Polish. Keep it safe. Offer more Event's.	5/19/2023 9:51 AM
404	Get rid of the methodone clinic, get rid of WestCare.	5/19/2023 9:47 AM
405	Less smoke shops. Less violent homeless. More green spaces and less night clubs/ bars.	5/18/2023 9:51 PM
406	Grocery stores! More bike lanes, more up to date restaurants and services for the homeless community.	5/18/2023 8:20 PM
407	Clean up the tower district all the bumps on olive and palm	5/17/2023 8:00 PM
408	Parks, parking- I know they do NOT go hand in hand.	5/17/2023 1:59 PM

410	Going a good direction with summer events. More late night events.	5/16/2023 5:16 PM
411	Encourage more restaurants, small businesses. More green space & public areas.	5/16/2023 8:44 AM
412	More trees in the areas without any, business development down the rest of olive past palm, please help the homeless get into shelters, we need to take back our sidewalks and clean up all the trash	5/15/2023 9:14 AM
413	Streets in many neighborhoods have severe cracks and potholes that make for a rough ride in the neighborhoods.	5/14/2023 10:03 PM
414	More walk/bike friendly. True barriers protected bike lanes (van ness would be excellent for this) along with speed bumps on van ness. More outdoor events and emphasis on community. Farmers market is an excellent example of this. More green spaces like the echo/Weldon park. One is certainly needed south on McKinley. Considering developing the fresno city college green space. Perhaps making the high school fields public access etc Attracting more talent to the tower theater. Eventually Making olive avenue closed to traffic on weekends could promote better nightlife with street performers etc Getting quality grocery store. Quality gym. Valley fitness is ok but old, musty, run down not good equipment. Dry cleaning and other regular services	5/14/2023 9:52 PM
415	More police	5/14/2023 7:48 PM
416	More string lighting between palm and fruit. Improvements on green spaces. Attractive store fronts and businesses that make the residents want to shop in their neighborhood.	5/14/2023 5:08 PM
417	Clean up the trash. Promote walkability west of palm. Fill the vacant business west of palm on olive. Remove circle k. Remove the car wash on palm/olive. Decrease number of smoke shops. There is no need for 3 smoke shops at palm and olive.	5/14/2023 4:54 PM
418	The roads in the neighborhoods are in terrible condition. I live on Arthur and the the whole neighborhood has cracked/damaged roads.	5/14/2023 12:17 PM
419	Façade improvements on Olive and Wishon. Business improvement district marketing efforts (maps/signage on all trash cans/a logo to show presence) in all small businesses. Temporary/rotating public art installations.	5/13/2023 9:35 PM
420	Would love to see things that encourage more time spent outside and walking. Looking forward to the parks being completed. We also need more public seating/outdoor tables for restaurants. And more grocery stores would be great. Would also love Fresno as a whole to embrace more healthy living options like encouraging gardening, backyard chicken, dwarf goat, and beekeeping, etc. as most large cities do.	5/13/2023 3:13 PM
421	We must keep our quirkiness but at the same time offer more than eating and drinking establishments. The Tower needs to grow up and not just cater to people who want to play bohemian.	5/13/2023 12:54 PM
422	Mixed-use, dense development (rowhomes would also be nice)Increased walkability. Increased transit access and availability. Protected bike and transit lanes.	5/12/2023 6:40 PM
423	More and better bike lanes and sidewalks. More and cheaper housing, more community space, shutting down olive more (farmers market has been great!)	5/12/2023 6:20 PM
424	Replace blighted single-story office buildings with denser mixed-use building that fit the character of Tower. Promote redevelopment on Belmont to improve connectivity and synergy between Tower and downtown. Add tabletop-style crosswalks on Wishon to help calm traffic and provide for better pedestrian crossings.	5/12/2023 5:58 PM
425	Use the Chicken Pie shop as a space to offer community services, CSA boxes and other resources. More safety measures for pedestrians and cyclist.	5/12/2023 4:48 PM
426	We need better options for grocery stores.	5/12/2023 4:36 PM
427	The Tower District is not a district. A designated	5/12/2023 4:23 PM
428	Dog park	5/12/2023 1:13 PM
429	Would like to see some of the empty buildings, like the old Bank of America, full circle, and chicken pot pie shop, be occupied. Hate seeing the graffiti at these locations and vandalism.	5/11/2023 10:06 PM

The Tower District Specific Plan Community Survey

430	Cleaner and clearer pathway's and sidewalks. Spaces for the unhoused community.	5/11/2023 8:06 PM
431	Underground parking	5/11/2023 7:54 PM
432	A park	5/11/2023 7:49 PM
433	I think the Tower Farmer's Market is a great start but I would like to see a way for the community to have more opportunities for fresh produce. A grocery store for the area would be really important and is needed considering we are a food desert.	5/11/2023 7:31 PM
434	Listen to city staff & NOT the city council. Listen to the businesses.	5/11/2023 7:28 PM
435	More arts from all over the world.	5/11/2023 6:21 PM

441	Less homeless	5/11/2023 5:24 PM
442	More parks, safer walking and biking conditions	5/11/2023 5:23 PM
443	Keep it local and queer friendly	5/11/2023 5:22 PM
444	More community events	5/11/2023 12:28 PM
445	I would like to see more trees, sidewalks better maintained, a solution to the high number of homeless gathering near the palm olive smoke shops, and the business section west of palm revitalized with shops and dining. Run down properties should also be maintained.	5/11/2023 8:30 AM
446	Want a bookstore, parks / plazas for events, more street/utility/building improvements in south and west tower district.	5/10/2023 9:51 PM
447	I would love to have more shops/businesses/restaurants west of palm on olive. Many of the store fronts are empty and frequently vandalized. I would also like to see Circle K and the car wash at Palm/Olive gone. They do not fit within the zoning.	5/10/2023 8:15 PM

510	I would like to see our farmers market provide more produce for our community and less food trucks. We have our first market and 80% if the venders we're different food trucks. Fresno and tower as a whole have an abundance of food trucks, we're great in that department. Let's get so veggies and fruits to our community.	4/29/2023 8:15 AM
511	More community gardens would be cool	4/29/2023 12:15 AM
512	Safety. Less rowdy establishments.	4/28/2023 11:41 PM
513	More green spaces, dog park, grocery store, smooth streets.	4/28/2023 5:25 PM
514	We need improved safety and multimodal infrastructure on our main streets, especially the ones that pass in front of schools. McKinley and Palm come to mind. There are no bike lanes and the design speed is way to high for safety of students who walk to school. The high speed results in frequent collisions and folks losing control on turns and hitting houses and businesses. We also need some way to curtail "investment" property owners who sit on empty lots and vacant properties. It's hurting the neighborhood, causing fires, and not great for public safety.	4/28/2023 4:06 PM
515	Improved cleanliness, fewer empty businesses, affordable housing, actual enforcement of the multiple code violations at the abandoned building located at [REDACTED] N Wishon Ave	4/28/2023 3:02 PM
516	Add a grocery store (trader joes would be nice!). Less smoke shops. More local businesses between Fruit and Palm.	4/28/2023 2:21 PM
517	1) safer walking and cycling paths. For instance: I love van ness' protected lanes but no one who drives can seemingly figure out how to park and not block a bike lane. As for walking the sidewalks often have glass, debris, human or animal droppings. And often during the day some of our houseless community are aggressive or unpredictable. 2) we need a park or more green area like the community around ampersand, but we need more of that around olive and the area around true-tower.	4/28/2023 2:06 PM
518	more parking areas	4/28/2023 1:51 PM
519	More green space in our neighborhood. Empty spaces be filled. (Chicken Pie as example)	4/28/2023 10:41 AM
520	Better up-keeping of old homes. also more green space. Maybe a park.	4/28/2023 8:29 AM

1	Dangerous neighborhood traffic going to and leaving bars on Olive Ave. has become a serious safety concern. Extremely fast traffic on Wishon and cutting through Wilson Island. Noticed removal of signature green trash containers especially along Wishon. We more trash containers not fewer. Merchants and property owners must be more proactive in cleaning their sidewalks daily. Stepping over feces on the sidewalk is not a good look. City needs to keep the homeless from camping on public and private property by finding them stable accommodations. There should be a RAPID response to reports of trespassing. Why was the bus bench /shelter removed from the FAX stop at Wishon/ north of Olive. We need better public transit infrastructure.	6/26/2023 10:47 AM
2	I would like to add a Public Library to the Tower District.	6/24/2023 4:01 PM

5	We appreciate all the work done to protect and develop our beautiful community! Thank you!	6/23/2023 8:30 PM
6	I love the Tower District! I can not even imagine living elsewhere in Fresno. It is home.	6/23/2023 6:28 PM
7	The Tower District is the most unique in all of Fresno, a real jewel. It's old, it's thriving, it's diverse. Negative elements are creeping in that are changing the face of it, and not for the better. We shouldn't try to pack it with more people for the sake of affordability, and we need fewer bars, at least no more of them. Let's try to keep the balance here, that's what makes it desirable.	6/23/2023 4:09 PM
8	Unsightly people walking around half dressed,ie...lately prostitutes beginning to walk around. EVERY DAY, there are at least one or more homeless camps under the tower theatre entry way. Always yelling profanities and enjoying the echo of their voice.	6/23/2023 3:41 PM
9	Broadway park needs to be built now! More green spaces and health FOOD store.	6/23/2023 2:43 PM
10	Our traffic SUCKS. why don't WE get "slow streets" too? Plus. Y'all act like Tower ends at Olive, south of Olive we don't even get the "fancy" street signs, just the methadone clinic and Beal liquor stores and the unhoused encampments. "Onefresno" is BS on this side of Shaw	6/23/2023 2:08 PM
11	This survey is a start to seeing the necessary changes that I have highlighted.	6/23/2023 12:43 PM
12	Thank you for this survey. I hope & believe that my wife and I in our retirement years will see positive and ongoing change in this part of Fresno.	6/23/2023 12:30 PM
13	Please do all you can to ensure historic home owners, especially low income, seniors, and Black and indigenous people stay in their homes. Remove slumlords	6/23/2023 12:20 PM
14	Please listen to local business owners. Business grants are important.	6/23/2023 12:15 PM
15	Great job! Maybe get a water park in the area.	6/23/2023 12:01 PM
16	I love this community, it is one of the only places in Fresno that I would want to live in. I hope we can continue to build and healthy and loving environment down here for everyone who calls it home.	6/23/2023 10:26 AM
17	I love tower district. I just wish there was more to do with kids. I think a library would be nice.	6/23/2023 10:15 AM
18	Keep Tower District as the accepting place it is. There is no room for hate groups. Places of worship do not belong there either. There is plenty of space for places of worship across Fresno, but there is only one place in town for the Tower community/supporters to feel fully accepted.	6/23/2023 9:35 AM

19	Fresno deserve progressive solutions to its problems. It's a shame we can't elect any actual progressives.	6/23/2023 8:46 AM
20	Tower is maybe the only place in town that people feel free to be their true selves, even cishet white dudes like me. There's nowhere else I like to hang out in town as much as Tower	6/23/2023 8:21 AM
21	Please support our local businesses, they are the ones that keep me visiting tower	6/23/2023 12:02 AM
22	Regulations, taxes, & fees hurt profits. Fresno people aren't big spenders.. profits come by working hard and collecting pennies. Slow and steady wins the race in this town. However, in Santa Barbara, the businesses go up and make trends.. get their money, close up, and start a new trend, get loans, make the money, then close up.. you see the same business owners starting trendy businesses then closing up and opening a new business... Fresno locals are more fearful of risks and filing for bankruptcy. It's different	6/22/2023 11:08 PM
23	keep tower lgbtq safe	6/22/2023 10:33 PM
24	The Tower is always a cycle of ups and downs but it has always reflected the overall health of Fresno. Help the Tower and you help Fresno	6/22/2023 9:16 PM
25	This is the only part of Fresno I would live in. We've been here for decades and we love the District. It goes through its highs and it's lows, it deserves love and respect and a chance to be it's own little weird jewel, like it always has been.	6/22/2023 9:16 PM
26	We need the trees that were cut by the city replaced! We need more trees that do not drop pollen. We also need light up cross walks on olive because too many cars don't stop for pedestrians. We need a true farmers market and not this food truck extravaganza. It's too loud and expensive for my neighbors who don't make as much as me. We need less smoke shops and more mom and pop stores, not big chain. We need to provide loans for BIPOC businesses to open shops and cafes. Not just rich people from up north. We do NOT need Granville junk apartments.	6/22/2023 8:41 PM

29	Love the Tower, let's make it safe and have more centrally located options like grocery stores available with healthy options.	6/22/2023 6:46 PM
30	Please enforce the laws in the Tower District regarding the homeless population. They vandalize businesses, brake the law, camp out, rob people at night, and make everyone feel unsafe.	6/22/2023 5:58 PM
31	Stop taking the seats out of bus stops you are punishing the disabled people. Need more tiny homes or safe camps.	6/22/2023 5:44 PM
32	Tower is an amazing part of the Fresno community. Residents and community members of the Tower district absolutely deserve to be prioritized.	6/22/2023 5:33 PM
33	-put up at least 2 or 3 parks with grass, trees, shade, native plants, and toys for kids -24/7 non fenced public access, just like the one downtown on Fulton by Tokyo Gardens	6/22/2023 5:05 PM
34	Enforcement of existing laws would go a long way toward cleaning up Tower	6/22/2023 4:35 PM
35	We love Tower. I have lived in Tower 15 years and my wife has been in Tower 35 years. Married at St. Therese and bith of us went to City College. We love the walkability of it and want that increased more than anything. Expanding from Blackstone and continuing to palm and eventually west would be great also. Oh and shade! Plant trees!!! Thanks!	6/22/2023 4:30 PM
36	There is so much potential to foster a shared sense of community and still boost local/entrepreneurial business without exploitation by chains/big business.	6/22/2023 3:41 PM
37	I would love to see more affordable housing combined with mixed use buildings. I'm excited to be part of the process for the Tower District Specific plan.	6/22/2023 3:41 PM
38	I want Miguel arias to put his money where his mouth is when it comes to helping homelessness and ADA compliance in his district	6/22/2023 3:31 PM

40	Business grants that promote ADA accessibility should be made available to small business owners especially in tower as it is an older district. This would support small business owners in being compliant with federal law while also helping businesses that run on smaller margins or come from marginalized communities make changes they wouldn't otherwise be able to. accessibility for all!	6/22/2023 2:17 PM
41	Give Color me Chula funding for their ramps and business you weirdos.	6/22/2023 1:05 PM
42	Love the committee to improve Tower! I would love to see cleaner spaces and more plants/green space. Would love to see more opportunities to get involved and volunteer in the community.	6/22/2023 1:03 PM
43	Do what's right for the soul. Not your ego.	6/22/2023 12:25 PM
44	I love to see a trader joes. I also would like to see less smoke shops and palm and olive and more family friendly businesses.	6/22/2023 12:10 PM
45	Please actually help the Tower.	6/22/2023 11:19 AM
46	Just enforcing existing laws would help lots. Why is criminal activity ignored here? Cops only show when a business calls	6/22/2023 9:04 AM
47	I have no clue who came up with this survey, but there are some loaded and unclear questions on this survey. Questions for this survey needed some revision. Also, the committee might need to get some data from qualitative research to determine what is best for the community in the Tower district. Survey data is not enough and getting a research consultant would be helpful for the committee and community to determine what is needed for Tower and how to make those changes happen.	6/21/2023 7:23 PM
48	Thank you for engaging residents and friends of the Tower!	6/21/2023 1:39 PM
49	Get rid of all the street bums	6/21/2023 1:33 PM
50	Many streets are dangerous for pedestrians--we need marked crossings, signage, lights. We need to feel safe walking in the whole district.	6/21/2023 8:19 AM
51	It was a good move to deny the Adventure Church purchase of the Theater. At least that's a good start to remove harmful bigots from the community.	6/21/2023 6:05 AM
52	To keep Tower diverse, it needs to stay affordable AND useful for both residents and visitors.	6/20/2023 3:26 PM
53	I don't appreciate the pop up food vendors outside the Tower Theater when I come out from attending an event. There are too many bars and bar fights.	6/19/2023 9:17 PM
54	We need to address the drug and homeless problem in the Tower district.	6/19/2023 5:26 PM
55	The Tower can be so much better. I'm from Sacramento california and move here about a year and a half ago. Tower should copy some of the things that worked well in for the downtown area of Sacramento. They have way more homeless than here in Fresno. So if it works for them it'll work here. Look how they cleaned up K street mall and R street. We need more in Tower. And the biggest thing we need improvement with is the bike lane directly on Olive street. It's very dangerous to bike on Olive.	6/19/2023 2:10 PM
56	absolutely no high rise buildings	6/19/2023 12:55 PM
57	More coffee and dessert shops	6/19/2023 12:24 PM
58	The tower is beautiful. We would like less marijuana stores, more green spaces, and an overall feeling of safety.	6/19/2023 10:51 AM

64	I think that we should start neighborhood watch patrols to make people feel safe. The violence of the city spills over into the Tower District, but it does not originate her, nor do I think we are the targets	6/15/2023 9:49 PM

75	Thank you for including stakeholders who don't live in The Tower in this survey. Recent preservation efforts spoke much of "Tower Rats" focusing on Tower residents. I believe the Tower has value to Fresno residents, County residents and important landmarks like The Theaters should be treated like the nationally significant buildings they are. Preservation, please. Also it is increasingly youth driven and I believe a true inclusiveness will welcome elders to the table.	6/13/2023 2:47 PM
76	Tower has the potential to target every individuals interests, not only a certain group. While it's important to keep it a place of inclusiveness, as a Fresno born and raised, Tower district resident, I would like to see Tower become more diverse and a place of excitement to visit. Thank you for considering the people!	6/13/2023 5:11 AM
77	The tower has become a stereotype of something it is trying to be. It's pretentiously trying to edgy and weird. When a community works had to be something contrived it losses authenticity. A truly authentic Fresno neighborhood is a complete neighborhood that attracts and supports the broad section of Fresno's diverse residents.	6/12/2023 9:12 PM
78	Empty storefronts by strummers and chicken pot pie shop are sad to see in disrepair. Would be cool if businesses could be encouraged to utilize those.	6/12/2023 4:14 PM

88	I am grateful that business still come and stay open despite declining crowds. I am concerned about how much more they can take and we'll be left with empty buildings and more crime.	6/6/2023 7:45 PM
89	Please help develop the empty lots and promote health habits via quality food and safe neighborhoods. We also have some of the worst residential streets in the city; there is literal grass growing in the cracks of the street I live on!	6/6/2023 6:56 PM

90	Invest in tower!	6/4/2023 7:54 AM
91	Seems like there are several buildings that have great locations but are out of code/dangerous. It would be nice for those to become available to businesses. Any idea why there is such a delay on opening cannabis businesses in our area? Also, our income is irrelevant.	6/3/2023 2:52 PM
92	Tame the survey monkey	6/2/2023 7:18 AM
93	It would be great if we could have some speed bumps in the street of olive. It's such a busy street and many cars blow through our neighborhood going so fast! Especially right on the corner of olive and Blackstone in the small 2 lane section of the street.	6/1/2023 1:20 PM
94	I would like to thank all of the protesters and citizens for getting our Tower Theater straighten out. We want to use our Theater as a house of entertainment.	5/31/2023 1:55 AM
95	Finding the balance of creating a thriving community that allows people to receive services, shop for healthy food options such as local produce & local meats & other local food options. and maintaining affordability. 98	The tower district could be so great. But it needs to be planned by and for the people who love it, and not developers who just see it as a way to get richer. Literally, our whole city could be so much better if we just got rid of the [REDACTED] family.	5/30/2023 1:00 PM

103	We love the farmer's market! It brings families, people of all ages, and offers a friendly, welcoming environment which helps build a positive image for our neighborhood as a safe and fun place to come to. 130	I like that this survey included a mixed-used development example photo. I think surveys like this should use more pictures when asking people what type of neighborhood they find most appealing. Presented with just a list of isolated options it's easy for respondents to default to choices like high road speeds in the absence of added context about how these factors relate to the larger design of the neighborhood. People might reconsider if they saw photos of what roads built to prioritize speeds actually look like. I think if future surveys ask people whether they feel safe in Tower then they should also ask whether the person has ever actually been the victim of a crime there, in order to distinguish perception from reality. My hunch is that the perspectives about Tower being unsafe are driven more by fragile suburbanite North Fresnans being terrified of the sight of homeless people than by any actual danger. If the reason Fresnans feel unsafe in Tower is just that they've never travelled anywhere so they find urban art districts weird and scary in general then that shouldn't be taken as indication that Tower has a crime problem.	5/25/2023 1:31 PM
131	i have lived in tower more than 10 years off and on and seen it revitalize and fall into disrepair multiple times. it has a lot soul. rogue, porch fest. more festivals and things that make it a destination for more than partying.	5/24/2023 3:47 PM
132	There is a major problem with feral cats in the neighborhoods in Tower District. I would like to propose a push toward requesting our city council take initiative in implementing a catch spay, neuter release program to curb the population growth like many other cities have done.	5/24/2023 11:08 AM
133	I love the Tower. I'd love to see the Farmers Market move less in food truck/vendor direction and offer more vegetable, herb, and fruit farmers that are indicative of the valley (similar to vineyard farmers market).	5/24/2023 10:27 AM

141	Bring Pride festival back to Tower. Granville gentrification has us banned to City College. Thought we were LGBTQ+ friendly here. Tower residents pick up a lot for business owners, but only business gets response from the city. Mixed use means we matter too. It's also frustrating how the city ignores how these road changes affect the people who live here by redirecting commuter traffic onto residential streets where kids are walking to school. Feels like no one listens to residents while business gets whatever they like - no one getting permits for their events with outdoor amplified music eg.	5/22/2023 8:18 AM

148	I would also like to see more trees planted in the Tower District so that way people are able to walk in places where it isn't so hot outside. Having trees that provide shade helps add to the overall culture of Tower District.	5/20/2023 1:59 PM
149	I visited the Temple Bar district in Ireland and was so impressed with the daily cleaning done on the building, sidewalks and the cobblestone roadway. It matters! I am also struck by my sister's hometown, Thousand Oaks, where they have trees EVERYWHERE. our town is also named for a tree, yet we do a poor representation of appreciating that and using that to make our area stand out and contribute. Fresno could take some lessons from other areas and improve itself dramatically	5/20/2023 11:02 AM

Don't let it be destroyed by prejudice and hate.	5/20/2023 3:56 AM

179	I am thrilled that the work we did on the original Specific Plan is being updated rather than ignored.	5/19/2023 5:23 PM
180	We loved living in the Tower for ten years, but then our garage got broken into and we no longer felt safe. Crime and homelessness are issues that need to be addressed. There needs to be an active restaurant business where the Daily Planet used to be. This is the PREMIUM site in the entire neighborhood. Painted Table catering is great, but it needs to be an open and operating restaurant which contributes light and an ambiance of activity to the community, instead of closed and shuttered doors.	5/19/2023 5:12 PM
181	Build a bicycle path on the Florida Rail line or next to the rails it's a perfect route from the tower to Clovis or Clovis to the tower but the Florida street needs work to make it more bicycle friendly, right now it's friendly because few cars use it but not friendly because the street needs repaving and on and around the tracks.	5/19/2023 4:57 PM

184	I've lived in the Tower since the early 80s (own my home all paid off) and my mother grew up in the Tower since the 1930s. The aesthetic difference between all other Fresno neighborhoods must be preserved and encouraged. I love the Tower, no matter what the haters say.	5/19/2023 4:12 PM

186	I think that a good effort was put into this survey but it should've been tested before you started marketing it. The questions are very leading. It's as if you already know the answers you want. Also, the area you're talking about is so big so I recommend asking about specific areas.	5/19/2023 2:43 PM

190	We really need affordable housing that's actually affordable.	5/19/2023 1:44 PM
191	When you say "mixed use" that usually means a generic hipster looking apartment development like is now all over downtown. Hopefully if mixed use were allowed in our "Main Street" environment, it would be required to conform to the neighborhood aesthetic.	5/19/2023 12:23 PM
192	I would love to move back to Tower but we have been priced out for over a decade. Please prioritize mixed use low income housing that will prioritize people coming back to their childhood neighborhood.	5/19/2023 12:22 PM

195	Tower is fun! Somebody to help keep the streets clean from trash and bottles would be a good investment too.	5/19/2023 11:55 AM
196	I think Tower has a homeless problem that needs to be addressed. Also. Myself and many other residents have voiced the concern that Fresno police department tends not to make their presence felt until Thursday-Saturday hit. So they hit that DUI quota. Tower is still affordable and unique, this culture makes it a special place for music and art. I would like to preserve cultivate that and keep tower the special place it is.	5/19/2023 11:51 AM
197	Too many sandwich boards and displays blocking sidewalk access and old banners/signage left to rot on buildings makes area look uncared for.	5/19/2023 11:50 AM
198	Please. Please. More events without alcohol at all. Fresno is 90% alcohol-based activities and sober people have nowhere to go that isn't rife with reminders of their disease.	5/19/2023 11:48 AM

203	We definitely need parks.	5/19/2023 10:40 AM
204	Since I lived in the Tower District in the 70s, I've seen a lot of changes. Some not for the better. Especially the element of people that like to cause trouble to where people don't feel safe down there. They quit having the Halloween events down there many years ago because of a few troublemakers. They shouldn't be allowed to ruin things for the majority of us	5/19/2023 10:25 AM

213	I've live here 10 years, west of palm has gotten worse over those years. It is being ignored.	5/14/2023 4:54 PM
214	I like the locally owned businesses in the Tower District. It is what gives us the charm of our space. But it would be nice to have SOME (not a lot) of access to SOME corporate owned business like a Jamba Juice or a Trader Joes.	5/14/2023 12:17 PM
215	I would add on the transportation that I put vehicle because it's necessary for how far we need to go for things like groceries for our whole family, work, etc. We do usually walk or bike to things that are within about a mile if we're going out as a family and don't need to bring lots of things home.	5/13/2023 3:13 PM
216	We need more homeowners to care about the curb appeal of their homes and the behavior of whom they rent to. We need the city to clean up vacant spaces that attract vandalism or squatters and force owners of long empty buildings to either tear them down, or fix them up so a viable business can occupy them. And there needs to be active enforcement.	5/13/2023 12:54 PM

228	The same energy that saved fresno high and central tower / olive needs to be spread south and west. Why did fresno high get a park when they already have plenty of green space in the Vanness boulevard? It's time to revitalize other parts of tower	5/11/2023 8:30 AM
229	I feel Palm/olive is a major issue. West of Palm is frequently ignored. It is the primary entrance into Tower District when coming from the zoo. It would be a great area to encourage family friendly events and businesses.	5/10/2023 8:15 PM
230	I'm new to Fresno and don't understand why so many people talk poorly about the Tower. It's the only place in Fresno that seemingly isn't overran by big developers and box stores. I love all the small shops and hopefully other businesses invest in the area.	5/10/2023 8:27 AM
231	Thank you for caring about Tower! It's hard to find creative spaces in the valley and we should protect it.	5/6/2023 4:29 PM
232	Tower has a lot going for it, but it needs better outdoor activity spaces, indoor art spaces, and collaborative environments to make locals have a reason to spend time here when the sun is out.	5/6/2023 4:28 PM
233	we were under the impression that the design guidelines for the tower specific plan would offer protection for residents who chose this area for historic preservation and unique history. we are saddened it is not always the case and hopeful for more clarity in future revisions of the plan.	5/3/2023 6:58 PM

266	The community knows what it wants, but the city listens to exploitative businesses who are not operating in good faith instead of residents with legitimate needs. Don't let Producers make the south part of the district into their own personal industrial park. Partner with community orgs for visioning at all stages of the process. Emphasize small-scale solutions instead of overbuilt big-money projects. Connect the disparate parts of the district with good multimodal infrastructure so it connects with the zoo and the Van Ness Village, and eventually a revitalized Belmont and beyond	4/28/2023 4:06 PM
267	I love the tower district I'm always there, I work there, I drink, eat, and socialize there. I live on the fruit edge of tower but I proudly rep tower district and just want the best for it and its people.	4/28/2023 2:06 PM
