Dear Residents' Committee Chairperson,

The enclosed information is your copy of the documents that were mailed to the mobilehome park owner. The CPI increase for 2023 is 3.2% as shown on the attached page titled Consumer Price Indexes Pacific Cities and U.S. City Average. The owner may automatically increase space rents by 75% of the CPI (0.75 x 3.2% = 2.4%). The dollar amount of the rent increase is based on the average rent of spaces affected by the Ordinance as of December of each year prior to the rent increase date.

Please complete your Residents' Committee members' information sheet, Form MRR 4-1, submit the information to your owner, and send a copy to me. You may mail the form to the address at the top of this letter or email it to <u>mobilehomeparks@fresno.gov</u>.

Additionally, we highly recommend you also send a copy of the completed Residents' Committee members' information sheet, Form MRR 4-1, to the Mobilehome Ordinance Protection Society (MOPS). MOPS is a volunteer mobilehome resident organization that can assist your Residents' Committee. You can find their contact information on the MOPS flyer included in this packet.

Should you have any questions, please call (559) 621-7368.

Best Regards,

#### SUBJECT: Rent Increase Application and Guidance

At this time each year, the City of Fresno (City) provides the mobilehome park owners and residents' committees with information regarding the City's Mobilehome Park Rent Review and Stabilization Ordinance.

The information provided this year includes:

**Consumer Price Index** – Included is a copy of the BLS Consumer Price Index (CPI), West Region B/C – Urban Wage Earners and Clerical Workers for the 12-month period between November 1, 2022, and October 31, 2023. In calculating the automatic rent increase amount, please use the following example:

- 3.2% Percent change in Consumer Price Index for the year ending October 31, 2023
- <u>X 0.75</u> Multiplied by the allowable percentage rate
- 2.4% Equals the "factor" for 2023.
- \$300.00 Hypothetical Average Rent
- X 2.4% Multiplied by the "factor" for 2023,
- \$ 7.20 Equals the affordable rent increase.

The mobilehome Park Owner is required to submit copies of the application to the Residents' Committee chair **and** the City in accordance with Section 12-2009 of the City's Ordinance. It is highly recommended that the copy to the Residents' Committee chair be sent certified mail. It is not necessary that the City's copy be sent certified. It is also advisable to verify the name of the current Committee chairperson prior to sending the application. It is the responsibility of the Residents' Committee to decide if the calculations are correct. City staff may not verify the calculations. In the event that the Residents' Committee determines the calculations are incorrect and the desired increase is in excess of the amount permitted automatically, they are to notify the Park Owner, and proceed through the process provided in Sections 12-2009 and 12-2010 for non-automatic rent increases.

The 2023 Consumer Price Index factor may be used for rent applications that are submitted to the residents' committees starting **January 1**, **2024**. The City encourages owners and residents' committees to refer to the Ordinance for details. A copy of the complete Ordinance can be viewed at <u>www.municode.com</u>, Municipal Code of the City of Fresno, Chapter 12, Article 20.

Please send your completed Forms 1-1, 1-2, and 1-3 (Rent Increase Application, Application Summary of Relevant Factors, and Rent Increase Information) as soon as possible. Submissions may be made by either of the following means:

#### Submit by mail:

Send completed forms to the following address:
