

ANIMAL SERVICES REPRESENTATIVE II**DEFINITION**

Under general supervision, provides clerical and administrative support for clients in the Animal Center; greets clients and assists with check-in/check-out at the front desk and lobby including directing to complete appropriate forms; answers inquiries, evaluates calls and determines appropriate routing and response according to established policies and procedures; provides information regarding Animal Center resources, events and programs; performs data entry and updates records and animal profiles in the kennel management software system; accepts and processes payments and issues receipts; and performs related work as required.

SUPERVISION RECEIVED/EXERCISED

Receives supervision from the Animal Center Supervisor. Exercises no supervision.

DISTINGUISHING CHARACTERISTICS

Animal Services Representative II is the experienced level classification in the Animal Services Representative classification series. Incumbents are typically the first point of contact and are focused on greeting clients and directing the completion of appropriate forms; responding to inquiries and evaluating calls to determine appropriate routing and response; providing information on Animal Center procedures and programs such as the intake process, adoptions, licensing, spay/neuter, vaccines, foster, volunteers, owner surrender, rescue and special events; processing payments and issuing receipts for services; and entering information into the computer system and maintaining logs and records of activity.

Animal Services Representative II is the experienced level in the Animal Services Representative classification series. Incumbents are sufficiently trained and experienced in the performance of Animal Services Representative duties. Animal Services Representative II differs from Senior Animal Services Representative in that the incumbents of the latter provide lead direction and training to assigned staff and volunteers and perform the most complex duties.

Incumbents will be required to work nights, evenings, weekends, and holidays and respond to after-hours emergencies as needed; will be exposed to a working environment with animals (primarily dogs and cats) which may lead to possible exposure of unpleasant odors and noises, allergens, interactions with animals, and possible exposure to zoonotic diseases; and will be required to handle and restrain animals humanely and safely using approved protocols and practices.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

May include, but not limited to the following:

Greets clients and directs the completion of appropriate forms; answers inquiries, evaluates calls and determines appropriate routing and response according to

established policies and procedures; provides information on Animal Center procedures and programs including in the intake of stray or deceased animals, trap-neuter-release, owner surrenders, adoptions, licensing, spay/neuter, vaccinations, foster, volunteer and rescue; refers clients to staff and resources for low cost food, training, medical care and animal enclosures to assist in retaining pets in their homes.
