## City of Fresno

Are you ready for an unexpected, sudden event like a home fire or wildfire, earthquake, flooding, tornado or winter storm?

- ⇒ Have you made a plan (before the emergency happens) for your family to be safe?
- ⇒ Do you have an inexpensive “Grab and Go” kit ready if you need to evacuate?
- ⇒ Do you have supplies available if you are required to stay home and the stores are closed or the power is out?
- ⇒ Are you ready to keep your pets safe too?

Emergency Preparedness Services at the City of Fresno provides information to community members and families about how to prepare for emergencies.
