PREAMBLE

A. PURPOSE

This Memorandum of Understanding (MOU), entered into between the City of Fresno, hereinafter referred to as the City, and the Fresno City Employees Association, Inc., hereinafter referred to as the Association **or unit**, has as its purpose: the establishment of wages, hours, and other terms and conditions of employment.

B. DEFINITIONS

Unless the particular provision or the context otherwise requires, and, except to the extent that a particular word or phrase is otherwise specifically defined in this MOU, the definitions and provisions contained in Chapter 3 of the Fresno Municipal Code (FMC), Section 3-101 of Article 1, Section 3-201 and 3-202 of Article 2, Section 3-501 of Article 5 and Section 3-603 of Article 6, shall govern the construction, meaning, and application of words and phrases used herein. The definition of each word or phrase shall constitute, to the extent applicable, the definition of each word or phrase which is derivative from it, or from which it is a derivative, as the case may be.

C. GOVERNING LAWS

The employer-employee relationship between the City and its employees and the City and the Association is governed by Chapter 10 of Division 4 of Title I of the Government Code (Section 3500 et seq., commonly known as the Meyers-Milias-Brown Act), and Article 6 of Chapter 3 of the FMC as may be amended from time to time. In the event of any conflict between said laws and this MOU, said laws shall govern.

ARTICLE II
EMPLOYEE RIGHTS

A. GENERAL

The rights of employees, except as expressly modified herein, are as set forth in Chapter 3, Article 6, Section 3-604 of the FMC. Execution of this MOU by the Association shall not be deemed a waiver of any Association or employee right unless the right is clearly or explicitly modified or restricted herein.

B. NONDISCRIMINATION

The provisions of this MOU shall apply equally to, and be exercised by, all employees consistent with state and federal nondiscrimination statutes and City policies.

C. REPRESENTATION OF EMPLOYEES

1. The City recognizes the right of employees in this Unit to be represented by the Association in their employer-employee relationship with the City. An employee whose presence is requested by management to discuss or review an action of the employee has the right to be represented by an officer, director, or designee of the Association if it appears that the discussion or review may result in adverse action. Should an employee request such representation, no further discussion or review may occur until a representative is present, except that an unreasonable delay shall not result from such a request. The presence of a representative of the employee's own choosing, who is not an officer, director, or designee of the Association, shall satisfy the requirements of this section.
2. This Section does not apply to the normal ongoing employment relationship or supervisor/subordinate relationship between the City and its employees, when such matters as, including but not limited to, work direction, scheduling, and non-disciplinary counseling or performance evaluation, are the subjects of the discussion or review.
3. The President, **or acting President**, of the Association shall be provided up to twenty-five percent (25%) release time when not engaged with the City in active successor MOU negotiations. Active successor MOU negotiations are defined as beginning six (6) months before the * * * **operating** MOU expires until Council adopts the successor MOU. During active successor MOU negotiations with the City the amount of release time shall be (50%) for the President. **The percentage of release time for the Association President shall be based on the full time equivalent of the permanent City position held by the President per fiscal year.** Release time shall be reimbursed by the Association time bank set forth in Section C, subsection 4 below, to conduct routine

Association business. The Vice President and all other Association representatives shall be allowed, subject to the approval of the employee's respective supervisor and the needs of the City, release time to conduct Association business reimbursed by the Association time bank. Release time requests should be made by the President or designee through the Labor Relations Division. The President and Vice President may be allowed not more than forty (40) hours of Leave Without Pay per **fiscal** year, for the conduct of Association business. Approval by the supervisor shall not be unreasonably withheld. Leave taken under this section shall be reported through an approved payroll process for purposes of accounting for the hours taken.

4. The City shall provide the Association an account of the time bank balance on a monthly basis. When the time bank balance falls below two hundred fifty (250) hours, and upon written notification of the Association the City shall deduct one (1) * * * hour from **the Vacation Leave bank of** all employees represented by the Association to be placed in the time bank, **regardless of if there is sufficient Vacation Leave in the employee's bank.** No more than two (2) time bank replenishments shall take place per fiscal year. It is agreed by the parties that once accrued * * * **Vacation * * * Leave** is placed in the Association time bank, the City no longer has any obligation to compensate affected members, either in cash or equivalent time off.
5. Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives, for the purpose of processing grievances or contacting members of their respective organizations concerning business within the scope of representation. Such officers or representatives shall not enter or be present at any work location without the consent of the department director or designee. Consent of the department director or designee may be given whenever the director or designee determines such access or presence will not interfere with the normal operations of the department or with established safety or security requirements. Solicitation of membership and activities concerned with the internal management of the Association, including but not limited to collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature, shall not be conducted during working hours.

D. PERSONNEL FILES

1. The * * * **Personnel Services Department**, under the direction of the Director of the Personnel Services Department, shall maintain the official personnel file for each employee. Each employee may review, or authorize in writing, its review by a designated representative, subject to reasonable rules and regulations, and receive a copy of all material placed in either their official file or departmental file. If an employee disagrees with the content of a document placed in either file, it shall be

the right of the employee to submit a response to the Director of the Personnel Services Department to be attached to the document in question and included in the appropriate file. Personnel files are considered confidential and access shall be limited.

2. Documents, including performance evaluations, retained in the employee's departmental file shall be forwarded to the employee's new department in a confidential manner when the employee transfers, promotes, or demotes. The file shall be forwarded in a confidential manner to the Personnel Services Department when the employee leaves City service.
3. Inquiries regarding employment references shall be administered in accordance with existing City policies.
4. Letters of Understanding shall not be placed in an employee's Personnel File unless they are attached to a disciplinary action for the purpose of demonstrating prior direction or instruction.

No employee shall be discharged or otherwise disciplined for bringing to the attention of their supervisor any unsafe condition.
1. Employees in the classes of Environmental Control Officer, Industrial Waste Inspector and Lab Technician who work at the Wastewater Treatment Plant, and Crime Scene Technicians I, II,

2. The City will provide, at no cost, to all classes of Crime Scene Technicians who are identified as having an exposure to Hepatitis B, a Hep B Surface AB, Quantitative test to measure immunity effectiveness, and an annual Tuberculosis test. Employees will make every effort to schedule an appointment for testing to occur on their day off. In no case will an employee be paid overtime compensation for attending the appointment.

M. EXCHANGE OF INFORMATION

On a timely basis, the City shall provide electronic copies via email notification to the Association of amendments to the City's Administrative Orders (AO), new and amended Salary Resolutions, new and amended Position Authorization Resolutions, and job bulletins for classes in this Unit.

On a monthly basis, the City will send the Association a list of members who left the Unit during the previous month and the reason for leaving.

Employees New to Unit 3

1. The Personnel Services Department (PSD) provides a new employee orientation program to all new City employees (i.e., NEO). PSD will notify FCEA's President and Employee Representative at least **ten (10)** days in advance of a scheduled NEO, and at the end of the work week immediately preceding the NEO if the NEO will include any individuals who will be represented by FCEA, unless the City is unable to reasonably do so because of an unforeseeable urgent need critical to City operations. Should this occur, the City will arrange, at FCEA's request, 30 minutes of time during the employees' shift to meet with a representative of FCEA. Association representatives will be invited to the NEO meeting room immediately prior to the bargaining unit session and will be introduced by a City staff member. The session will be scheduled for thirty (30) minutes at the conclusion of the City's presentation on the second day. This session will not be held if there are no new bargaining unit members attending the NEO or if Association representatives are not available.
2. The City agrees to notify FCEA's President and Employee Representative of employees entering Unit 3 who are not subject to a New Employee Orientation. The City agrees to arrange for **thirty (30)** minutes of time, during the employees' regular shift at their Department, to meet with an Association representative.

3. If Association representatives are on-duty City employees, release time will be granted pursuant to the FCEA Memorandum of Understanding MOU with the City and past practice.

Employee Information

1. The City will provide the employee information it has on file in compliance with AB 119 for all new hires in the bargaining unit within 30 days of hire, as well as unit employees represented by FCEA on a monthly basis.
2. Pursuant to Government Code §3558 (in AB 119), and *County of Los Angeles v. Los Angeles County Employee Relations Com. (2013) 56 CAL. 4th 905*, employees may elect to withhold their personal addresses, personal phone numbers, and personal email addresses. The City shall not encourage employees to opt out of providing information to the Association, but will respond to inquiries regarding those who want to opt out and provide information as to how they can opt out or change an opt out to allow the City to provide personal addresses and phone numbers to FCEA. Employees shall also be advised on how to opt back in to allowing personal addresses and phone numbers to FCEA.
3. The City shall also refer new employees who inquire about opting out of providing their personal contact information to FCEA and advise them that FCEA will discuss opting out of providing personal information at New Employee Orientation (NEO). FCEA will advise new employees of their right to opt out. FCEA will collect written requests for opt out from new employees and will provide the written requests to the City. FCEA agrees to indemnify the City for any claims from employees in Unit 3 that they were not advised of their right to opt out of providing personal addresses and phone numbers.

N. LAY-OFF PROCEDURES

Layoff of employees shall be governed by Chapter 3, Article 2, Section 3-291 of the FMC. As all employees placed into the classifications of Community Revitalization Specialist and Senior Community Revitalization Specialist effective April 28, 2011 will have the same hire date, the City and FCEA agree that seniority for the purposes of layoff for these employees will be determined by the total number of continuous years of permanent City service. Should there continue to be a tie, the determination will be made by chance in a manner agreed to by the parties. This determination of seniority does not set precedent and shall not apply to other employees hired into these classifications.

O. IN LIEU OF SUSPENSION FOR DISCIPLINARY ACTION

By mutual agreement between the department director or designee and the employee, an employee suspended from duty without pay may be allowed to forfeit accumulated holiday, CTO, and/or vacation hours equal to the number of

hours of suspension in lieu of leave without pay. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited hours. This provision is not subject to the grievance process.

P. THIRD PARTY PLAN CHECK REVIEW AND CONTRACTING OF PLAN CHECK REVIEW

1. Third Party Plan Check Review

- A. Planning and Development (P & D) will institute a Third Party Plan Check Review program that will allow an applicant to select a City-approved pre-qualified firm, negotiate fees and timelines directly with that firm, and return a completed set of plan documents to the City to issue building permits.
- B. The Third Party Plan Check Review program will not be utilized to privatize staff or work that could be done by employees. The City agrees that no elimination, defunding, or freezing of Unit 3 positions in P&D existing as of the effective date of this Agreement related to the Third Party Plan Check Review program will occur unless the Third Party Plan Check Review program has been discontinued for sixty (60) calendar days or more.
- C. Once discontinued, the Third Party Plan Review program will not be reinstituted unless there is mutual agreement between the City and the Association.

2. Contracting of Plan Check Review and Planning

- A. P&D may also contract out Plan Check Review and Planning work under the same terms and conditions as provided for the Third Party Plan Check Review program above. The City agrees that no elimination, defunding, or freezing of Unit 3 positions in P&D existing as of the effective date of this Agreement related to contracting of Plan Check Review and Planning work will occur unless the Plan Check Review and Planning contract work has been discontinued for sixty (60) days or more.

2. The City agrees to meet with the Association annually to discuss the volume of activity and the benefit of contracting out work in meeting the needs of the community and staff meeting timelines for service delivery.

ARTICLE VI

PROCEDURES FOR DISPUTE RESOLUTIONS

A. GRIEVANCE PROCEDURE

1. A grievance is a dispute concerning the interpretation or application of any existing City policy, written rule or regulation governing personnel practices or working conditions, including this MOU. A grievance involves the claimed misapplication or misinterpretation of a rule or regulation relating to an existing right or duty; it does not relate to the establishment or abolishment of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to appeal to the **Fresno** Civil Service Board, Retirement Board, **Public Employment Relations Board** unfair * * * **practice** charge, **or** fact-finding procedure, or as outlined below.
2. A written grievance must set forth the rule, regulation, policy, or specific section of the MOU claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Grievance Advisory Committee shall rule on the dispute before proceeding with the hearing. The Grievance Advisory Committee will be bound by the agreement of the parties regarding timeliness.
3. At the request of the grievant, the Association may represent employees covered by this MOU on grievances under the grievance procedure.
4. The parties agree that it is in their mutual interest to resolve grievances at the earliest possible opportunity. In an effort to further this goal, Association Officers and Directors designated under this MOU shall be excused without loss of compensation from their regular duties for such time as is necessary to attend and represent the grievant at grievance hearings, beginning at the first level of supervision.
5. The procedure and sequence in filing and processing a grievance shall be as follows:
 - a. The employee and/or Association representative shall discuss the grievance with the grievant's immediate supervisor before a written grievance may be filed.
 - (1) If the grievance is not settled through this discussion, it either may be discussed with the next highest supervisor or a written grievance may be filed with the grievant's immediate supervisor. A written grievance must be filed,

with a copy being sent to Labor Relations, within twenty-one (21) calendar days from the date the grievant becomes aware, or should have become aware of, the issue or incident giving rise to the problem.

- (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply within ten (10) calendar days.
- b. Should the grievant not be satisfied with the answer received from the grievant's immediate supervisor, the grievant may, within ten (10) calendar days, file an appeal to the Department Head. The Department Head shall have ten (10) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The Department Head may confer with the grievant, the grievant's representative and appropriate supervisors in an attempt to bring about a harmonious solution.
- c. The City, the grievant and/or Association may mutually agree to waive steps one (1) and two (2) and proceed directly to hearing by the Grievance Advisory Committee when the issue is one over which the grievant's supervisor or Department Head has no jurisdiction.
- d. If the grievant is not satisfied with the decision of the Department Head, the grievant may, within ten (10) calendar days after receipt of the written reply, file a request for a review of the Department Head's decision to the Grievance Advisory Committee. The review/appeal to the Grievance Advisory Committee shall be reviewed by the Association before it is delivered to Labor Relations.
- e. The City, the grievant and/or Association may agree to seek resolution of the grievance through mediation using the services of the State Mediation and Conciliation Service, prior to hearing by the Grievance Advisory Committee. Time limits for processing of the grievance are automatically extended for as long as mediation is in process.
- f. The Grievance Advisory Committee shall be comprised of three (3) members: One selected by the Association, one selected by the City, and the Chairperson. The Chairperson may be chosen either by mutual agreement of the Association and the City, or by the "strike" method from a list of neutrals provided by the State Mediation and Conciliation Service. If the Chairperson is selected by the strike method from the list of neutrals provided by the State

Mediation and Conciliation Service, then the Grievance Advisory Committee shall be comprised exclusively of the selected neutral.

- (1) Fees and expenses of the Chairperson shall be paid half by the City and half by the Association or the individual grievant(s); provided, however, that the Grievance Advisory Committee may recommend that the City or the Association or the individual grievant(s) pay the total of such fees and expenses should it find that, but for the unreasonableness of that party's posture, the convening of the Committee would not have been necessary. The City and the Association shall select a Chairperson within fourteen (14) calendar days of the receipt of a grievance requesting review by a Grievance Advisory Committee by Labor Relations.
 - (2) The neutral Grievance Advisory Committee shall be bound by the language of the MOU, City Administrative Orders, ordinances, rules, and regulations, and department rules and regulations consistent therewith in considering any issue properly before it. The neutral Grievance Advisory Committee shall be expressly confined to the precise issues submitted and shall have no authority to consider any other issue not so submitted. The neutral Grievance Advisory Committee may not recommend changes in established wages or benefits, nor recommend the payment of back wages or benefits, prior to the date the grievance was timely filed.
- g. A date for the Grievance Advisory Committee to convene will be set within thirty (30) calendar days from the date that a grievance reaches Labor Relations, provided it meets all criteria for the filing and processing of a grievance.
 - h. All time limits herein may be extended by mutual agreement of the parties.
 - i. The Grievance Advisory Committee shall conduct an evidentiary hearing, interview witnesses, and consider all relevant documents prior to submitting its conclusions and recommendations to the City Manager within thirty (30) calendar days of its last meeting.
 - j. The City Manager shall review the decision of the Department Head and recommendations of the Grievance Advisory Committee, and shall render a written decision to the employee within fourteen (14) calendar days after receipt from the Grievance Advisory Committee.

- k. Failure of the grievant to file an appeal within the specified time limit shall constitute an abandonment of the grievance process. Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant.
- l. Written reprimands shall not be subject to the grievance procedure. However, a written letter of reprimand shall not be the basis for disciplinary action after three (3) years from the date the letter was issued to the employee.

B. ALTERNATIVE DISPUTE RESOLUTION PROCEDURE

The City and the Association agree that it is in their mutual interest to resolve disputes in the most expeditious and least expensive manner. In order to resolve certain disputes without resorting to litigation, the parties agree to pursue an alternative dispute resolution process in the form of mediation as set forth in this section.

- 1. Prior to the filing of an action in any court of competent jurisdiction challenging a decision of the Civil Service Board concerning Association matters or a decision of the City Manager concerning a grievance (as defined in this agreement), the party seeking to file such action (hereinafter the "moving party") must provide written notice to the other party.
- 2. Upon receipt of such written notice, the other party shall make a determination as to whether it wishes to pursue initiation of a mediation process to resolve the threatened litigation. If such party determines to pursue a mediation process, that party must notify the moving party in writing.
- 3. The parties shall jointly select a mediator and participate in the mediation so long as both parties consider it productive. Subject to their legal ability to do so, the parties shall agree that during the mediation process any statutory or legal deadlines for the filing of the subject litigation shall be waived.
- 4. Either party may file an action in court concerning the subject dispute under the following circumstances:
 - a. The mediation process is terminated by either party or upon mutual agreement.
 - b. The mediation process has not been concluded but failure to file the action shall prejudice the moving party's ability to file an action in the event the mediation process does not result in resolution.

- c. The mediation process has concluded without resolution of the dispute.

This alternative dispute resolution procedure shall also be utilized in the event either party decides to pursue an appeal of a court decision relating to an underlying decision of the Civil Service Board concerning Association matters or the City Manager concerning a grievance.

C. PAST PRACTICE

A past practice is defined as a course of conduct which by mutual agreement has been allowed to continue over a period of time. A past practice, which is inconsistent with any existing City policy, written rule or regulation governing personnel practices or working conditions, or the provisions of this MOU, shall be null and void and may be terminated upon written notice to the Association. A past practice not covered by this MOU or City policies and procedures, which is within the scope of representation, may be terminated or altered only after the City has provided the Association with written notice and completed the meet and confer process consistent with the Meyers-Miliias-Brown Act.

D. USE OF HEARING OFFICER IN DISCIPLINARY ACTION INITIATED BY CITY

Employees in this unit may select usage of a hearing officer instead of a hearing before the Civil Service Board for disciplinary actions. This usage shall be governed by the provisions of Chapter 3, Article 2, Section 3-283 of the FMC.

ARTICLE VII
DUES DEDUCTION

A. DUES CHECK-OFF

1. The City shall deduct the dues or benefit premiums, or both, following receipt of notice from the Association that authorization has been provided to the Association by an employee in the Unit. The City shall stop dues deductions or benefit premium deductions, or both, upon receipt of notice from the Association that authorization has been provided to the Association by employees in the Unit. Should there be a dispute regarding the deduction of dues, the Association shall provide the City with a copy of the authorization(s) signed by the employee.
2. The Association, in consideration for and as a condition of the City withholding and transmitting payroll and benefit deductions authorized by this Section and in compliance with * * * **Government Code Section 1157.12**, shall **indemnify and** hold harmless the City of Fresno, its officers, and employees from any liability that may result from making, canceling, or changing requested deductions.
3. Upon written authorization by a retired member of the Association, the City shall deduct credit union payments and Association dues and benefits from the retirement check of such retired member and forward same to the credit union or Association as designation in such authorization.
4. Except as authorized under sub-section 3. above, dues deductions will be discontinued when an employee leaves Unit 3.

B. EXCEPTIONS TO DUES DEDUCTION AUTHORIZATION

The earnings must be sufficient after other legal and required deductions are made to cover the amount of the authorized dues deduction. In the case of a member who is in a non-pay status, and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made. At the request of the Association, the City shall deduct past Association dues from an employee entitled to back pay, provided the employee's earnings are sufficient after other legal and required deductions are made to cover the amount in arrears.

C. DUES DEDUCTION TRANSFER

1. All such deductions shall be provided by electronic funds transfer to an account specified by the Association.
2. The deduction electronic funds transfer will be transmitted within fourteen (14) calendar days of each pay period end date.

C. FRESNO CITY EMPLOYEES HEALTH AND WELFARE TRUST

The City and the Association agree that the Fresno City Employees Health and Welfare Trust ("Trust") has the authority to determine the benefits that will be provided during the term of this MOU. The sole responsibility of the City under this clause is to provide a set percentage of the total premium for such benefits to be contributed to the Trust by the City on behalf of the employees represented by the Association. The City contribution of the total premium shall be seventy percent (70%) and the employee share of the total premium shall be thirty percent (30%). Employees may opt to contribute the employee share through payroll deductions to make up the difference between the total premium and the City contribution to receive the maximum benefit coverage provided under the Trust, or opt not to contribute the employee share and accept a reduced coverage option.

Should any other represented bargaining unit in the City negotiate a successor MOU, or extend the period of an MOU, or have terms imposed, any of which will result in a greater contribution by the City than that contributed for Unit 3 members during the term of this agreement or negotiations for successor agreement, the City will match the higher contribution at the Association's written request.

The parties also agree to work collectively in conjunction with their Board representatives to research and recommend potential cost-saving measures for the Health & Welfare Trust, which may include a choice of health program options based on individual need or preference, including a reduced option equivalent to the City's premium contribution, a separate rate for single employees with no dependents, or other flex plan programs; mandatory generic mail order drug maintenance for employees who require prescription drug therapy for any period of ninety (90) days or more; or other measures that may be identified as this work progresses.

D. WORKERS' COMPENSATION

1. Notwithstanding the provisions of Chapter 3, Article 1, Section 3-118 of the FMC, **the percentage of wages or salary received by employees holding a permanent position who suffers from an injury in the course and scope of City employment shall be the percentage established by the State of California workers' compensation laws set forth in the California Labor Code.** * * * Should the State mandated workers' compensation rate of payment be adjusted, the City and the Association agree to a limited reopener, upon either party's request, to meet and confer regarding adjustment of the rate herein stated.

Compensation for an accepted claim of a work related injury or illness shall begin following the first three (3) days after the employee leaves work as a result of the injury or illness. However, this three (3) day waiting period shall be waived and compensation shall begin on the first day of a work related injury or illness only if:

At the employee's option, in the event the work related injury/illness pay is not provided during the first three (3) days of absence due to the work related injury or illness, the employee may, at the employee's option, take sick leave, vacation, holiday, or compensatory time off (CTO), for that period.
4. If the employee opts to use sick leave, vacation, holiday, or CTO for the first three (3) days and it is later determined that work related injury/illness pay under paragraph 1., above, beginning on the first day of a work related injury/illness is appropriate, the leave time shall be restored to the employee and the employee's pay or leave balance will be adjusted accordingly.

If the employee has been on leave without pay for the first three (3) days and it is later determined that pay is applicable from the first day, the employee shall be paid therefor.

5. If an employee is placed on sick leave, vacation, holiday, or CTO, pending determination as to whether the injury or illness is industrial, and the injury/illness is determined to be industrial, sick leave, vacation, holiday, or CTO, shall be restored within thirty (30) calendar days of such determination, and the employee placed on work related injury/illness leave as provided herein.

§§

AA. VOLUNTARY LEAVE TIME (VLT) PROGRAM

Voluntary Leave Time (VLT) is a program by which an employee, with appropriate approval, can take additional time off during the fiscal year through a corresponding adjustment in pay. Except as noted in Section 12

below, employees may be allowed to take up to ninety-six (96) hours of leave under this program. The program is intended to reduce City expenses by allowing employees to take additional leave time without being replaced. Employees would have regular adjustments to each paycheck. This program is not intended to increase City costs by offering an advantage to any employee at the City's expense. Participation in the program is subject to the following guidelines:

1. Participation in this program is not available in work units which rely extensively on the use of wages/contract employees to meet ongoing operational requirements, as opposed to special or short-term projects.
2. Participation in the program is voluntary on the part of the employee and must be approved by the appointing authority. If more than one employee in a classification submits a Voluntary Leave Time Request Form for approval and they have overlapping periods of time which precludes the appointing authority from approving all of them, approvals will be made according to seniority in that classification. An employee denied because of this reason will be allowed to modify their VLTR Form and resubmit it.
3. The employee must complete and submit a Voluntary Leave Time Request Form to participate in the program. The form must be submitted to and approved by the appointing authority and must specify the dates and amount of time off the employee is requesting.
4. The appointing authority, after reviewing the proposed leave/work schedule, may either approve, disapprove, or decrease the number of hours proposed to be taken off depending upon the operating needs of the department. If an appointing authority reduces the number of hours proposed to be taken off, the employee may withdraw the request to participate in the program.
5. The department cannot fill behind an employee working a reduced work week with overtime, temporary help, acting pay (Municipal Code Section 3-260), or contract extra help.
6. Voluntary Leave Time cannot exceed ninety-six (96) hours in a fiscal year except as noted below in Section 13.
7. Credits toward Health and Welfare and retirement and leave accruals to which the employee is entitled, shall continue as though the employee was not on the voluntary leave time program. The employee will contribute to the Retirement System as if the employee were working full-time.
8. This Voluntary Leave Time program shall:

- a. Be available to employees who are otherwise available for the normal performance of their duties;
 - b. Be available only to employees who have been employed by the City for twelve (12) consecutive months and who are either in permanent positions with permanent status or are in established unclassified positions, except as noted in Section 2 above or when waived in accordance with Section 13 below;
 - c. Apply toward time in service for step advancement and toward seniority for purposes of layoff;
 - d. Be granted without requiring an employee to first use accumulated vacation, compensatory-time-off, or other paid leave time;
 - e. Not be available to an employee who is otherwise on a leave without pay status;
 - f. Not be available to an employee who is on paid leave which is being exhausted prior to commencing other leave without pay;
 - g. Be taken on a scheduled basis that is mutually agreed upon by the appointing authority and the employee; and,
 - h. Not be available to any employee who is being counseled or disciplined under the FMC, City administrative orders, and/or City policies, procedures, rules and regulations.
 - i. Not supersede any current departments' vacation bidding process.
9. This program shall not result in overtime. However, an employee participating in this program, who is otherwise eligible for overtime, shall have overtime calculated on the basis of the MOU for the employee's unit.
10. At the end of each fiscal year, the department and the City Manager's Office will review the impact that the Voluntary Leave Time program has had on department operations and the City's financial situation. The City, in its sole discretion, can discontinue the VLT program at any time, because of operating needs, or because the program no longer is beneficial to the City's financial situation.

11. **Withdrawal from the program or a change in the number of hours requested shall only be granted if Payroll has not yet processed the request, or the appointing authority has decreased the number of hours requested, or the employee goes out on an extended medical leave of absence during the same fiscal year that the time off request was granted under this provision, or the employee is being disciplined under section 8(h) above. If the employee withdraws from the program after the beginning of the fiscal year and before completion of the 26 pay periods, appropriate adjustments will be made to the employee's pay. If such adjustments require that an FLSA non-exempt employee reimburse the City, agreement must be reached on a repayment schedule. If an FLSA non-exempt employee's employment with the City ceases prior to completion of the program, any amount due on the program will be taken from the employee's final paycheck. If an employee does not withdraw from the program in accordance with these terms and agreed upon time is not taken, the time is forfeited, and no reimbursement will be made. If the City imposes an involuntary furlough, employees may have approved VLT applied toward the involuntary furlough.**
12. **This program is not equivalent to job sharing or to PI or PPT positions.**
13. **At the discretion of the City Manager, in response to fiscal needs, the VLT maximum hours can be increased and may be extended to employees otherwise excluded in Section 8.b. above.**

 - (2) For the purposes of shift trades during the Fair only, the replacement CSO may also be an on-duty CSO, as long as the on-duty CSO is not also scheduled to work at the Fair at the same time, and provided that the on-duty

replacement is not leaving their shift assignment vacant. CSOs wishing to provide a replacement for Fair assignments will notify the department of the substitution prior to the beginning of the Fair assignment. Exceptions to the shift trade requirement must be approved by the Chief of Police or designee.

- (3) CSOs assigned to work traffic control at the Fair will not be scheduled to work traffic control more than four (4) consecutive hours.

scheduling. Said vacation shall be scheduled to be taken between January 1st following the bid and December 31st of each calendar year. The first two (2) rounds shall be limited to signups for consecutive weekly blocks. Rounds will continue until every member has had a chance to sign up for all eligible vacation hours.

D. ABSENT WITH SUBSTITUTE (AWS)

1. AWS With Trade - In accordance with Section 7(p)(3) of the Fair Labor Standards ACT (FLSA), as discussed in 29 CFR 553.31, Community Services Officers (CSO's), Identification Technicians, Emergency Service Dispatchers, and Administrative Clerks assigned to the Records Bureau may substitute for one another when staffing levels do not permit these employees to take time off. Any employee in the classes noted above that seeks to have a substitute cover a shift will be responsible for finding an off-duty replacement to work the shift. The substitution must be during scheduled work hours and in the performance of work in the same capacity. The hours worked are excluded by the City in the calculation of the hours for which the substitute employee would otherwise be entitled to overtime compensation under the FLSA and under the overtime provisions of this MOU. When one employee substitutes for another, the employee being substituted for will be credited as if the employee had worked their normal schedule for that shift.
2. AWS With Compensation - When one employee substitutes for another, the employee being substituted for will be credited as if the employee had worked their normal schedule for that shift. If the substituting employee wishes to be compensated for the substitute shift worked at the base/straight time rate of pay, then the employee being substituted for shall transfer the applicable number of holiday leave, vacation, or CTO hours to the substituting employee's "like" account. The employee being substituted for may only select one account from which to take hours for transfer, and those hours shall only be transferred to the volunteer substitute's "like" account. If the substituting employee's selected account is at the maximum allowable balance, the substituting employee shall be compensated at the base/straight time rate of pay from the transferred hours.
3. AWS Notification to Department - Employees wishing to provide a substitute must notify the department at least 24 hours in advance of the substitution on a form provided for that purpose. The substitute must be satisfactory to the department. If the substitute is determined to not be a satisfactory substitute, the employee's supervisor shall provide the

reason(s) in writing within one hour of personal notification to the supervisor. The responsibility of seeking a suitable substitute remains with the employee regardless of when an employee notifies the department of the substitute.

4. Employees on probation may utilize forty (40) hours of AWS to take time off during any calendar quarter, with no restrictions on how many hours of AWS can be worked during a calendar quarter. Probationary employees who desire to utilize more than forty (40) hours of AWS may do so with Commander approval.

Employees who have completed probation may utilize one hundred-twenty (120) hours of AWS to take time off during any calendar quarter, with no restriction on how many of hours of AWS can be worked during a calendar quarter. Non-probationary employees who desire to utilize more than one hundred-twenty (120) hours during a calendar quarter may do so with Commander approval.

FCEA LEAVE OF ABSENCE POLICY - Addendum I

GENERAL PROVISIONS

Employees shall complete an Employee Request for Leave of Absence Form no less than 48 hours in advance of the leave. Such leaves shall be approved by the employee's supervisor or departmental designee with due regard to the needs of the City and the desire of the employee. Emergency leaves or leaves that result from injury or illness that could not have been reasonably anticipated or predicted shall constitute an exception to the procedure mandating prior notice of the need for leave.

SICK LEAVE and Special LEAVE [for absences other than FMLA/CFRA related]

1. Members of this Unit shall not be subject to the provisions of Administrative Orders (AO) 2-19, 2-19.1 or 2-20, however,
 - a. Sick Leave and Special Leave shall be administered in accordance with the provisions of FMC Section 3-107.
 - b. The use of Sick Leave and Special Leave is a benefit provided to the employee under FMC Section 3-107 and therefore is a privilege and not a right, **and is intended to be used for the purposes consistent with California Labor Code Sections 233 and 246.** It is the employee's responsibility to ensure observance of the provisions of FMC Section 3-107.
 - c. Sick Leave shall be administered in accordance with the provisions of FMC Section 3-107, Sick Leave and Special Leave. Sick Leave shall be accumulated at the rate of one working day for each completed calendar month of employment. Sick Leave shall accumulate during the probationary period but may not be used until the employee has completed ninety days of employment.
 - d. All other applicable provisions of the FMC shall apply.
2. The following requirements shall apply to the use of Sick Leave:
 - a. A supervisor may require a physician's verification of illness for any employee who is absent from work for more than five (5) **consecutive** working days. Departments/Divisions may establish practices requiring employees to present medical verification regarding the employee's ability to resume work after a medical absence.
 - b. Employee sick leave absences which exceed fifteen (15) calendar days shall require the employee to provide a physician's statement to their department no later than three (3) calendar days following the 15-day period. The physician's statement shall verify the employee's inability to

work, the estimated period of further anticipated disability, and include a description of the employee's limitations or restrictions which may be necessary for the Department/Division to consider reasonable accommodation. If the length of absence exceeds the stated estimated period of disability, a new physician's statement must be provided to the department within three (3) calendar days following the expiration of the original estimated date of return.

- c. If eligible, an employee must use accumulated Sick Leave before leave without pay for illness will be granted.
- d. In the event of a work stoppage in the form of a sick out as identified by the City Manager, it shall be the policy and procedure of all supervisors to require a physician's verification of all employees who claim to be ill or injured and request such leave. The City shall retain the discretion to allow or disallow paid Sick Leave and may request the employee to be examined by a physician of the City's choosing. The physician's verification shall identify the name and address of the doctor, the period(s) of employee incapacity to work, and the date(s) examined by the physician.

SPECIAL SICK LEAVE

- 1. Where Special Leave charged against Sick Leave accumulation is used during the hospitalization of a member of the immediate family, as outlined in FMC Section 3-107(d), verification by the attending physician that the member's presence was required shall be presented to the Department/Division immediately upon return to work by the employee.
- f. It is the department/division's responsibility to ensure the implementation of FMC Section 3-107, and to take appropriate action when necessary as set forth in AO 2-14.

VACATION LEAVE

- 1. Vacation shall be accumulated and administered in accordance with FMC Section 3-108. The use of vacation is discretionary and must be approved by the appointing authority, or their designee, prior to the taking of the leave. Vacation Leave shall be approved by the employee's supervisor or designated representative with due regard to the needs of the City and the desire of the employee. Emergency leaves or leaves that result from injury or illness that could not have been reasonably anticipated or predicted shall constitute an exception to the procedure mandating prior notice of the need for leave.
- 2. Employees who have an accumulated vacation balance, but have been denied the use of such leave by the appointing authority or designee, may be subject to Leave without Pay unless other leaves are available and approved.

MILITARY LEAVE

1. Section 3-111 of the Fresno Municipal Code states that every employee shall be entitled to military leave of absence as provided for in the Military and Veterans Code of California, Division 2, Part 1, Chapter 7.
2. The following requirements apply to military leave:
 - a. A completed City of Fresno “Request for Leave of Absence” form shall be submitted to, and signed by, the department director.
 - b. Formal active duty orders shall be attached to the form. Formal orders are those orders directed to the employee that state type of duty, reporting date, length of duty, duty station, and permanent order numbers, and that bear an authorized signature.
 - c. A military memorandum addressed “To Whom It May Concern” and signed by or for the commander, will allow an employee to commence military leave. However formal orders must be submitted within thirty days (30) after such leave is taken. Failure to so submit formal orders shall cause such leave to be converted to vacation leave, or to be taken without pay, unless extenuating circumstances cause the formal orders to be unavailable within the 30-day limit, and an explanatory letter signed by or for the commander is submitted to, and approved by the City Manager.
3. Ongoing resolutions provide continuing Salary Differential to City employees on active duty as a result of the ongoing Middle Eastern conflict. The employee is eligible to receive the difference between his/her City salary and Military pay as well as the continuation of Health and Welfare benefits upon submission of military orders and military pay statements.
4. For purposes of determining a public employee’s right to a paid military leave of absence, all prior military service will be counted as public agency service when calculating if the employee has been employed by the public agency for a minimum of one year at the time of taking the military leave. To provide documentation regarding this prior service, the employee must submit a Form DD 214, Certificate of Release or Discharge from Active Duty showing the dates of prior service.
5. Employees returning from active military leave will be allowed to commence a Leave without Pay for a period of time as specified by the Military and Veterans Code before resuming City employment.

LEAVE OF ABSENCE WITHOUT PAY

Department directors are authorized to grant leave of absence without pay for periods of ten consecutive working days or less. Leave of absence without pay is otherwise administered in accordance with Section 3-104 of the Fresno Municipal Code. Employees exempt from overtime shall not be subject to deductions of Leave without Pay in increments of less than a work day or shift. Employees with medical restrictions may be placed on a part-time basis and will receive the pro-rated salary during the time of restriction.

OTHER TYPES OF LEAVES

All other types of leaves not specifically mentioned above will be administered according to the appropriate section under Article 1 of the Fresno Municipal Code, or pursuant to applicable provisions within the MOU.

UNAUTHORIZED ABSENCE AS RESIGNATION

In accordance with Fresno Municipal Code Section 3-115, an employee who, without prior authorization, is absent or fails to discharge their regularly assigned duty for three consecutive days, or two shifts in the case of a member of the City fire-fighting force, shall be deemed to have resigned effective as of the end of the day on which he last performed any of the duties of the position. The employee shall not be deemed to have so resigned if he renews the performance of their regularly assigned duties at the commencement of their next regular working day or on-duty shift following the expiration of the aforementioned period of absence or failure to discharge duties. Upon written request of the employee, the appointing authority may reinstate the employee upon finding there is good cause for absence or failure to perform duties, such as bona fide illness, injury, or circumstances beyond the control of the employee, and that the employee is ready and able to resume discharge of their duties.

FCEA ATTENDANCE POLICY - Addendum II

POLICY

A primary requirement for continued employment is regular and timely attendance. While the City recognizes some absences and tardiness may be unavoidable, City departments and the employees have an obligation to the public that demands regular and prompt attendance.

Although it is recognized that excessive absenteeism and tardiness is a proper reason for corrective action, it is the policy of the City to identify problem areas by keeping proper records, exploring avenues of available assistance, and encouraging compliance with attendance standards.

Statutorily protected leaves are outside the scope of this Attendance Policy.

It is the employee's responsibility to observe the established rules and regulations in relation to attendance.

It is a supervisor's responsibility to ensure the implementation of Administrative Order 2-14 (AO), Guide to Corrective Action, and the applicable provisions of the Fresno Municipal Code (FMC) and to take appropriate action when necessary.

DEFINITIONS AND PROCEDURES

1. An approved leave is defined as scheduled leave time prearranged, approved, and authorized. An approved leave must be documented by a Request for Leave of Absence Form submitted prior to commencement of the leave and signed by the employee and appropriate appointing authority.
2. An employee's use of Sick and Special Leave shall be administered pursuant to "FCEA Leave of Absence Policy", Addendum I.
