

December 17, 2024

There is no 2024 annual verification documentation for Council District 6. Article VI of the City of Fresno Council and Mayor Residency Act requires incumbents file annual verifications to ensure they continue to live in the district represented. The verifications are due at the end of each year in office.

Council District 6 will not have an incumbent serving for the term beginning January 7, 2025, so there is no annual verification documentation. Councilmember-elect Nick Richardson will be required to file an annual residency verification sometime in December 2025. His residency was previously verified while a candidate for the Council District 6 seat.

Sincerely,

A handwritten signature in blue ink that reads "Todd Stermer". The signature is written in a cursive, flowing style.

Todd Stermer, CMC
City Clerk
City of Fresno
