

Smart Irrigation Controller Program

Smart irrigation controllers allow you to manage your outdoor water use anytime and anywhere.

In partnership with the Bureau of Reclamation: WaterSMART Efficiency Grant Program, you can apply online to receive an irrigation controller for FREE! Scan the QR code or visit [Fresno.gov/Water](https://fresno.gov/Water) for eligibility requirement and terms and conditions.

(Smartphone not included. Actual smart irrigation controller unit may vary.)

February 2025

When is Operation Clean Up coming to your neighborhood?

Use the Operation Clean Up Lookup Tool

Operation Clean Up (OCU) is a program provided by the City of Fresno. Once a year, residential solid waste customers are allowed to place items too large for regular trash collection at the curb. Use the lookup tool to find out when OCU will be in your neighborhood.

Scan the QR code, visit
Fresno.gov/SolidWaste or
call **3-1-1**
