d. Retirement/DROP

- i. It is the intent of this Section B.1.e. to hold members harmless from any negative impact from the following deferred salary increases. The deferred salary increases listed below shall be included, if appropriate, in any retirement benefit or DROP calculations pursuant to the applicable FMC sections for members who separate from City service by service retirement or by disability retirement, or enter DROP.

Effective January 1, 2011, One percent (1%)
Effective July 1, 2011, Two percent (2%)
Effective January 1, 2012, One percent (1%)

- ii. With respect to Sections B.1. c, members who retire or enter DROP and are credited with the January 1, 2011, July 1, 2011, and January 1, 2012, deferred salary increases in their

retirement benefit or DROP calculation shall not be entitled to also include the July 1, 2014 and July 1, 2015, salary increases to their retirement benefit or DROP calculation.

- iii. DROP Participants and Retirees (Tier 2) – In accordance with FMC Sections 3-411 and 3-424, should the CPI percentage for the more recent full calendar year decrease below the CPI percentage for the full calendar year immediately prior, that percentage decrease shall not be used to reduce retirement allowances or deposits to the members' DROP account. It shall instead be used to reduce any previously banked cost of living increases. Any decrease in excess of the members'/retirees' cost of living bank shall be accumulated in the bank and offset by future cost of living increases as occurring in succeeding years.

2. Deferred Compensation

The City will contribute to the City's Deferred Compensation Plan fifty-five dollars and thirty-nine cents (\$55.39) per employee per pay period to the City's Deferred Compensation Plan. In order for employees to receive this benefit, the employees must personally enroll in the Deferred Compensation Plan. This contribution by the City shall not be pensionable compensation; shall not be included in the calculation of retirement benefits; and payment will be prospective from the point of enrollment.

3. Pension Contribution:

The following applies to an employee's pension contribution:

- a. Employees in Tier 2 hired on or after September 11, 2014, shall pay an additional contribution equal to three percent (3%) of their pensionable compensation to the Fire and Police Retirement System, reducing the City retirement contribution by a corresponding amount. In accordance with Internal Revenue Code Section 414(h)(2) and related guidance, the City shall pick-up and pay the contribution by salary reduction in accordance with this provision to the City of Fresno Fire and Police Retirement System. The employee shall have no option to receive the three percent (3%) contribution in cash. The three percent (3%) contribution paid by the employee will not be credited to an employee's accumulated contribution account nor will it be deposited into a member's Deferred Retirement Option Program ("DROP") account. This provision will terminate on implementation of Article VII, Section B.3.c. below.

- b. Effective September 22, 2014, employees in Tier 2 who were hired before September 11, 2014, including those in DROP, who promote from the Basic Unit (Unit 4) into the Management Unit (Unit 9) will pay nine percent (9%) into the pension system.

Those employees in Tier 1, including those in DROP, who promote from the Basic Unit (Unit 4) in the Management Unit (Unit 9) will not be required to pay any additional amount, reducing the City's contribution into the pension system.

These provisions in Article VII, Section B.3.c. will terminate on implementation of Article VII, Section B.3.c. below.

- c. With the support of the Association, the City will make efforts to amend the Municipal Code to allow the additional contribution amounts above in in Article VII, Section B.3.a. to become part of the Member Normal Contribution Rate. When the Municipal Code is so amended, the City and the Association agree that, on the first pay period following the date the new FMC provision goes into effect, all of the following will apply if approved by City Council:
 - i. The Member Normal Contribution Rate for members of Tier 2 in the Fire and Police Retirement System hired on or after September 11, 2014, shall be twelve percent (12%).
 - ii. Active members in Tier 2 who were hired before September 11, 2014 including those who promoted from Unit 4 to Unit 9, shall have a Normal Contribution Rate of ten percent (10%). The City will pay one percent (1%) of the employee's Normal Contribution Rate.
 - iii. Members of Tier 1 in the Fire and Police Retirement System shall have their Member Normal Contribution Rate increased by an additional one percent (1%), which will be added to their existing Entry Age Normal Contribution Rate effective with the change in the FMC in accordance with this Section. The City will pay this additional one percent (1%) on behalf of the employee.
 - iv. Members in the DROP program who entered DROP prior to March 7, 2011, are not required to make Member Normal Contributions in accordance with the Fresno Municipal Code.
 - v. Members who entered DROP on or after March 7, 2011, are required to continue Member Normal Contributions and their

Member Normal Contributions shall be deposited into the member's DROP account.

- e. Employees who separate City employment regardless of reason and withdraw their employee contributions from the Fire and Police Retirement System between September 22, 2014 and the effective date of a Fresno Municipal Code amendment pursuant to the provisions in Article VII, Section B.3.d., will have an amount refunded by the City equal to the additional amount contributed in accordance with Article VII, Section B.3.b. above.
- f. Tier 1 DROP participants and Tier 1 retirees were previously granted a total of four percent (4%) in cost-of-living increases based on the salary deferral language in the previous MOU only; deferrals included a one percent deferred pay increase in January 1, 2011, a two percent in July 1, 2011, and a one percent in January 1, 2012.

On July 1, 2014, active employees received a two percent (2%) salary increase which offset two percent (2%) of the four percent (4%) deferred salary increases that were credited previously as cost-of-living increases. The remaining two percent (2%) deferred cost of living increase for Tier 1 DROP participants and retirees will be offset by the July 1, 2015 salary increase they received.

The cost-of-living calculation for FY 2017 for Tier 1 DROP participants and Tier 1 retirees will include the December 31, 2016 salary increase in accordance with the cost of living calculation provisions in the Fresno Municipal Code.

4. Health Reimbursement Arrangement (HRA)

At separation from permanent employment with the City of Fresno by service retirement or at disability retirement if the employee is otherwise eligible for service retirement, the value of the employee's accumulated sick leave, holiday leave, special holiday leave, and cashable vacation leave shall be credited to an account for the employee under the Health Reimbursement Arrangement (HRA) as follows:

- For employees hired before September 11, 2014, and any employees who do not enter DROP, all accumulated sick leave hours multiplied by fifty percent (50%) of the employee's then current hourly base rate of pay at the time of retirement, except that an employee who retires within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of, an application for disability retirement, if otherwise eligible for a service retirement, or

an application for service retirement (not having submitted an application for disability retirement), shall have all accumulated sick leave hours upon retirement multiplied by eighty percent (80%) of the employee's then hourly rate of pay.

- For employees in DROP hired on or after September 11, 2014, accumulated sick leave hours multiplied by fifty percent (50%) of the employee's then current hourly base rate of pay at the time of retirement, except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP.
- Employees in DROP hired on or after September 11, 2014, who retire within sixty (60) calendar days of receipt by the City of Fresno Fire & Police Retirement System of an application for disability retirement if otherwise eligible for a service retirement, or an application for service retirement (not having submitted an application for disability retirement), shall have all accumulated sick leave hours upon retirement multiplied by eighty percent (80%) of the employee's then hourly rate of pay, except that the accumulated sick leave hours shall not exceed the number of sick leave hours which the employee had at the time of entry into DROP.

All payments noted above are conditioned on the employee's satisfaction of the eligibility requirement as set forth in the Retirement Attendance Incentive provision under Sick Leave in Section G.1., paragraph c, below, and

- If the member opts not to cash out all of the member's accumulated holiday leave, special holiday leave, or vacation leave hours at the time of separation for retirement purposes, the remaining hours shall be credited into an HRA account for the employee at one hundred percent (100%) of the member's then current hourly base rate of pay.
- The hourly base rate of pay shall be the equivalent of the monthly salary for an employee as reflected in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

At the City's option, HRA accounts may be book accounts only – no actual trust account shall be established for any employee. A book account means that no actual trust account shall be established for any member. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

Pursuant to the City of Fresno Retiree HRA Plan Document, the HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents as well as other qualified medical expenses as defined in Internal Revenue Code Section 213(d), and further detailed in Internal Revenue Service Publication 502. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

It is the intent of the parties to delete the following phrase "if the member is otherwise eligible for service retirement" from the first paragraph of section (4) provided that removal of such language will not result in any material detriment to the plan or the City, its plan participants, or to the tax status of the plan. In the event that such detriment exists, the City will notify FPOA within 90 days of the effective date of this MOU with an explanation in writing. It is understood that a change in the plan document will require meet and confer with all affected bargaining units.

Sick Leave Benefit at the Time of Election to Enter the Deferred Retirement Option Program (DROP) or at Retirement – An employee who meets the criteria as outlined below will receive only one of the following benefits based on whether or not the employee enters the DROP program before retiring from City employment.

For an employee who has reached the minimum service retirement age and who has elected to enter the DROP Program, the calculation of the employee's monthly DROP amount shall include an amount equal to fifty percent (50%) of the employee's unused sick leave balance as of the DROP entry date, with the sum calculated by multiplying fifty percent (50%) of the hours of unused sick leave by the hourly base rate of pay for the employee in effect as of the DROP entry date. The employee's pension contribution on this amount will be calculated at the date of DROP entry by multiplying the lump sum described above in this subsection a by the employee's pension contribution rate and that amount will be deducted from the employee's DROP account. The City will also be required to make a corresponding pension contribution to the retirement system based on the additional pensionable compensation created by the Sick Leave Benefit. The employee's retirement contribution will be calculated at the date of retirement by multiplying the lump sum described above in this subsection b by the employee's pension contribution rate and the employee agrees to have this amount withheld from the employee's first retirement benefit payment from the Retirement System as the employee's retirement contribution for this additional amount of pensionable compensation. This provision shall not apply to employees who retire prior to age 50 due to a disability or to former employees that have separated from City service prior to reaching the minimum service retirement age and have elected a Deferred Vested status in the City of Fresno Fire & Police Retirement System. The value of the additional amount in this subsection may be included in the member's gross pay at the time of retirement for taxable compensation purposes under IRS regulation calculations.

 - iv. Voluntary cash-out of one-hundred (100) hours immediately prior to separation or prior to the employee filing retirement paperwork. L. GRIEVANCES

1. A grievance is a dispute concerning the interpretation or application of any existing City policy, practice, written rule or regulation governing personnel practices or working conditions, including this MOU. The grievance procedure relates only to existing rights or duties, not to the establishment or abolition of a right or duty. 2. A written grievance must set forth the specific rule, regulation or policy claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Committee shall rule on the dispute before proceeding with the hearing.
3. The procedure and sequence in filing and processing a grievance shall be as follows:
 - a. The grievant or grievant's representative shall discuss the grievance with the grievant's immediate supervisor before a written grievance may be filed. Grievances should be settled as near as possible to their source and in as informal setting as possible. The parties agree that every effort shall be made to find an acceptable solution through this informal process before a written grievance is filed.

However, in the case of complaints involving discrimination, as set forth in Article II, Section C, where such claim is filed as a grievance, it shall be filed in accordance with the formal process outlined herein.

- (1) If the grievance is not settled through the informal process, a written grievance may be filed with the grievant's immediate

supervisor. A written grievance must be filed within twenty-one (21) calendar days from the time the grievant becomes aware, or should have become aware of, the issue or incident giving rise to the problem. The grievance shall summarize the results of the informal process.

- (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply within seven (7) calendar days.
- b. Should the grievant not be satisfied with the answer received from the immediate supervisor, the grievant may, within seven (7) calendar days, file an appeal with the Police Chief or designee. The Police Chief or designee shall have fourteen (14) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The Police Chief or designee may confer with the grievant and appropriate supervisors in an attempt to bring about a harmonious solution.
- c. If the grievant is not satisfied with the decision of the Police Chief or designee, the grievant may within seven (7) calendar days after receipt of the written reply, file a request for a review of the Police Chief or designee's decision to the Grievance Advisory Committee. The grievance shall be reviewed by the Association before it is referred to the Grievance Advisory Committee.
 - (1) From the date a grievance otherwise meeting all criteria for the filing and processing of a grievance reaches the Labor Relations Division, the Grievance Advisory Committee shall be convened within twenty-eight (28) calendar days in order to hear the grievance.
 - (2) All time limits herein may be extended by mutual agreement of the parties.
 - (3) The Grievance Advisory Committee shall talk to the grievant and the supervisor involved to set forth in writing the facts of the particular situation as objectively as possible and recommend a solution to the City Manager within fourteen (14) calendar days of their last meeting.
- d. The City Manager shall review the decision of the Police Chief or designee, recommendations of the Grievance Advisory Committee and shall then render a written decision to the employee within

fourteen (14) calendar days after receipt from the Grievance Advisory Committee.

- e. Failure of the grievant to file an appeal within the specified time limit of the procedure beginning within subsection 3. b. shall constitute an abandonment of the grievance. Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant.

- 4. The Grievance Advisory Committee shall be comprised of one employee selected by the Association, one employee selected by the City and a third individual to be mutually agreed upon by the City and the Association who shall serve as the Chairperson.

- 5. Employees and Association Representatives shall be allowed reasonable time off without loss of pay to present grievances under this procedure.

3. The parties acknowledge that there currently exists a list of positions subject to the provisions of the two (2) policies referenced above, and should these positions be changed or modified, the parties agree to establish a new list of positions which are subject to these two (2) policies pursuant to the ACT and the Department of Transportation. As personnel changes within these positions, the parties agree that the Department will give notice to the Association and the Risk Management Division of such changes.

TERM

The provisions in this Agreement/MOU shall be in full force and effect extended from *** **June 16, 2025** to *** **June 13, 2027**, upon approval by the City, subject to Sections (A.B. C. and D.), below. **All economic benefit modifications in this MOU shall be effective on the same day as Council ratification, unless explicitly stated otherwise in the MOU.**

- A. Upon reaching a comprehensive Tentative Agreement related to successor MOU or reopener labor negotiations, the comprehensive Tentative Agreement shall be signed by the City's Chief Negotiator, and both the Association's Chief Negotiator and second designated signatory, or their designees. This Agreement/MOU shall become effective only after ratification by the members of the Association followed by City Council approval and the expiration of the waiting period for the Mayor's action provided in Charter Sections 605 and 609, and shall remain in full force and effect through *** **June 13, 2027**.

The City and the Association previously agreed that the Mayor shall appoint one (1) police officer, as defined in FMC Section 3-301 (p) (3) from a City management position and one (1) firefighter as defined in FMC Section 3-301 (f) from a City management position as voting members to the Fresno Fire and Police Retirement Board under the authority as described in Section 3-305 (a) (1) of the FMC. In the event any individual(s) so appointed fails to qualify, resigns, retires, or no longer qualifies to serve on the Board, the Mayor subject to the approval of the City Council shall appoint a replacement under the terms and provisions of this agreement within twenty (20) business days. If a decision is approved by the Fire and Police Retirement Board to separate the commingled investments of the Fresno Fire and Police Retirement System and the Fresno Employees Retirement System, this agreement on Mayoral appointments to the Fire and Police Retirement Board shall immediately become null and void and the appointment provisions contained in FMC Section 3-305 shall apply.

- B. - C. During the term of this Agreement/MOU, either party may refuse any request by the other to meet and confer without explanation if (1) the item is directly considered and specifically addressed herein; or (2) is directly considered and specifically addressed in any FMC section, charter section or provision, or resolution section, which section specifically establishes wages, hours, or other terms and conditions of employment; or (3) the specific item was included in an

initial written proposal from the party making the request during the meet and confer process which led to this agreement. Either party shall also have the right to refuse a request on any matter falling within the scope of representation and which would be the basis of a proper refusal under (1) – (3) supra, if the proposal, if accepted or implemented, would only become effective after the expiration of this MOU. No unilateral action on any such refused proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal or state statutes or regulations.

IN WITNESS WHEREOF, the parties hereto have set their hands this 5th day of August , 20 25 .

SIDE LETTER OF AGREEMENT

City of Fresno Fire and Police Retirement System:

During the term of the current MOU which is scheduled to expire on June 30, 2017, the parties agree to meet to study provisions of the Fresno Municipal Code (FMC) regarding "Dissolution or Legal Separation" and the prospect of allowing City of Fresno Fire and Police Retirement System members to "buy back" a portion of a member's retirement which was awarded to an ex-spouse in a domestic relations order and a refund was taken by the ex-spouse.

Any change to the FMC in this regard would proceed only if there is no adverse impact to either the City of Fresno Fire and Police Retirement System or the City of Fresno's employer contribution rate, and requires mutual agreement of all of the affected units in the City of Fresno Fire and Police Retirement System.

Performance Evaluation Forms:

Upon mutual agreement, the City and the Association will meet for the express purpose of discussing changes to the performance evaluation form for Association members. Any changes to the employee evaluation form require mutual agreement.

EXHIBIT III

**Agreement between
City of Fresno**

and

Employee Organizations Representing City of Fresno Employees

This agreement was reached in an effort to lower the current cost of the monthly health contribution rates between March 1, 2009 and June 30, 2010 as set by the Fresno City Employees Health and Welfare Trust (Trust) thereby assisting to ameliorate fiscal developments faced by the City of Fresno (City). The agreement also provides short term guarantees by the City for the unencumbered reserve of the Trust while setting a long term minimum of four (4) months for the Trust unencumbered reserve. This agreement sets forth the full and entire understanding of the City and Bargaining Units whose representatives have signed this agreement regarding these matters. This Agreement is effective March 1, 2009 and will remain in force so long as the Trust agrees to maintain a health contribution rate that is calculated to maintain a minimum of a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust (actuary).

1. This agreement will be effective only if the provisions below affecting the Trust are approved by a majority of affected represented bargaining units and the City Council and if the Trust sets a monthly health contribution rate of seven hundred twenty-nine dollars (\$729) effective March 1, 2009 through June 30, 2010.
2. The parties agree that, for the period March 1, 2009 through June 30, 2010, if the Trust unencumbered reserve falls below a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust for two (2) consecutive months, the City will pay to the Trust an amount sufficient to restore the level of the Trust unencumbered reserve to four (4) months.
3. The restoration to a four (4) month unencumbered reserve must occur within 30 days notice to the City by the Trust's third party administrator. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
4. Effective June 30, 2010 if the Trust unencumbered reserve is calculated by the actuary selected by the Trust to be less than a four (4) month unencumbered reserve, the City will pay an amount to the Trust sufficient to restore the level of the unencumbered reserve to four (4) months. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
5. The parties agree that, for the monthly health contribution rate effective July 1, 2010 and for all subsequent monthly health contribution rates, the Trust will set a monthly health contribution rate not less than the rate calculated by the actuary

selected by the Trust necessary to maintain a minimum unencumbered reserve of four (4) months.

6. The parties will support amendments to the Trust necessary to implement this agreement.
