This Memorandum of Understanding, hereinafter MOU, entered into between the City of Fresno, hereinafter referred to as the City, and Fresno City Firefighters Association Local 202, International Association of Firefighters, AFL-CIO, (Fire Non-Management – Unit 5) hereinafter referred to as the Association or Unit, has as its purpose: to establish wages, hours, and other terms and conditions of employment for the members of this Unit.

B. DEFINITIONS

Unless the particular provision or the context otherwise requires, and except to the extent that a particular word or phrase is otherwise specifically defined in this MOU, the definitions and provisions contained in Sections 3-101, 3-202, 3-301, 3-401, and 3-603 of the Fresno Municipal Code (hereinafter FMC) shall govern the construction, meaning, and application of words and phrases used herein. The definition of each word or phrase shall constitute, to the extent applicable, the definition of each word or phrase which is derivative from it, or which it is a derivative, as the case may be.

C. GOVERNING LAWS

The legal relationship between the City and its employees and the City and the Association is governed by Chapter 10 of Division 4 of Title I of the Government Code (Section 3500 et seq., commonly known as the Meyers-Milias-Brown Act), Chapter 4 of Part 7 of Division 2 of the California Labor Code (Sections 1960, 1961, 1962, and 1963), the Fire Fighters Procedural Bill of Rights Act (FBOR) (California Government Code Sections 3250 et seq.), as may be amended from time to time, and Article 6 of Chapter 3 of the FMC. In the event of any conflict between said laws and this MOU or in the event of conflicts in interpretation, said laws shall govern.

ARTICLE II

EMPLOYEE RIGHTS

A. GENERAL

The rights of employees, except as expressly modified herein, are as set forth in FMC Section 3-604. Execution of this MOU by the Association shall not be deemed a waiver of any Association or employee right unless the right is clearly or explicitly modified or restricted herein.

B. EMPLOYEE RESPONSIBILITIES

All employees in the Fire Non-Management Unit, hereinafter Unit, acknowledge that the City shall consider the positions and proposals of the Association as the meet and confer positions and proposals of all employees, individually and collectively, in said Unit.

C. NONDISCRIMINATION

The provisions of this MOU shall apply equally to, and be exercised by, all employees consistent with state and federal nondiscrimination statutes. City practices and policies will be consistent with the requirements mandated by applicable federal and state nondiscrimination statutes.

ARTICLE III

CITY RIGHTS

A. GENERAL

1. The rights of the City include those rights enumerated in FMC Section 3-605, as the same may be amended from time to time.
2. All other rights formerly or presently enjoyed by or vested in the City on the effective date of this MOU and not mentioned in paragraph 1, are retained by and reserved to the City unless explicitly waived by the City by resolution of the Council, or by Council approved MOU.
3. Nothing in this MOU shall be construed as delegating to others the authority conferred by law on the City, or in any way abridging or reducing such authority.
4. This MOU is not intended to restrict consultation in good faith with the Association regarding matters within the right of the City to determine.
5. This MOU shall be construed as requiring the City to follow its provisions in the exercise of the authority conferred upon the City by law, except that this clause shall not be deemed to be a grant of authority to sue any person, including the Association, not otherwise existing.
6. **In the event of any conflict between any department of City policy and this MOU, the MOU shall govern.**

ARTICLE IV
RECOGNITION

A. ASSOCIATION RECOGNITION

The City acknowledges the Association as the recognized employee organization representing the Unit, and therefore, the parties agree to comply with all provisions of the Meyers-Milias-Brown Act (Government Code §3500 et seq.) including, but not limited to, meeting and conferring in good faith promptly upon request by either party, and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach agreement; provided, that this subsection A does not impose on either party a contractual duty to meet and confer beyond what is required by the Meyers-Milias-Brown Act. In order to ensure that the meet and confer process on a successor MOU includes adequate time for full consideration of the proposals of both parties and for the full resolution of any impasse, MOU negotiations may be initiated by either party as early as six (6) months preceding expiration of the MOU. Nothing in this provision is intended to supersede provisions of Article X, Section C.

The three hundred twelve (312) hour accrual balance cap for these elected Association officers shall remain for a period of one year after the conclusion of their respective term of office, after which any excess over one hundred fifty-six (156) hours shall be cashed out and paid to the respective Association officer automatically.

H. LOCKOUT AND STRIKE

1. No lockout of employees shall be instituted by the City during the term of this MOU.

Such information will not be provided for peace officers in the Fire Investigation Unit.

ARTICLE V

SCOPE OF REPRESENTATION

A. GENERAL

1. "Scope of representation" means all matters relating to employer-employee relations, including, but not limited to, wages, hours, and other terms and conditions of employment. Employee rights, as set forth in FMC Section 3-604, and City rights as set forth in FMC Section 3-605 (a), are excluded from the scope of representation.
2. The Association is the exclusive representative of all employees within the Unit.

B. GRIEVANCE PROCEDURE

1. A grievance is a dispute concerning the interpretation or application of any existing policy, practice, written City rule or regulation governing personnel practices or working conditions, including this MOU. A grievance involves the claimed misapplication or misinterpretation of a rule or regulation relating to an existing right or duty; it does not relate to the establishment or abolition of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to, appeal to the Fresno Civil Service Board, Retirement Board, or unfair practice charge, fact-finding procedure, or as outlined below.
2. A written grievance must set forth the rule, regulation, policy or specific section of the MOU claimed to have been violated, must describe the specific incident or circumstances of the alleged violation, and specify the remedy sought or it will be returned to the grievant for appropriate completion before being processed. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Committee shall rule on the dispute before proceeding with the hearing. The Committee will be bound by the agreement of the parties regarding timeliness.
3. The Association may represent employees covered by this MOU on a grievance under the grievance procedure.
4. An Association Officer designated by the Association in writing shall be excused from regular duties without loss of compensation for such time as

is necessary to attend and represent the grievant at a grievance hearing, beginning at the first level of supervision.

5. The procedure and sequence in filing and processing a grievance shall be as follows:

Step One

- a. The grievant and/or Association representative shall discuss the grievance with the grievant's immediate supervisor or designee before a written grievance may be filed.
- (1) If the grievance is not settled through this discussion, it either may be discussed with the next higher supervisor or a written grievance may be filed with the grievant's immediate supervisor. A written grievance must be filed, with a copy being sent to the Labor Relations Division, within twenty-one (21) calendar days from the time the employee becomes aware or should have become aware of the issue or incident giving rise to the problem.
- (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply, with a copy sent to Labor Relations, within nine (9) calendar days.

Step Two

- a. Should the grievant not be satisfied with the answer received from the immediate supervisor, the grievant may, within nine (9) calendar days, file an appeal to the Fire Chief or designee. The Fire Chief or designee shall have twenty-one (21) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The grievant and/or representative shall have the opportunity, if desired, to present to the Fire Chief the position regarding the grievance. Copies of any correspondence shall be sent to Labor Relations.
- a. The City, the grievant, and/or the Association may mutually agree to waive steps one (1) and two (2) and proceed directly to hearing by the Grievance Advisory Committee when the issue is one over which the grievant's supervisor or Fire Chief has no jurisdiction.

Step Three

- a. If the grievant is not satisfied with the decision of the Fire Chief or designee, the grievant may within nine (9) calendar days after receipt of the written reply, file a request for a review of the Fire Chief's or designee's decision to the Grievance Advisory Committee. The review/appeal to the Grievance Advisory Committee shall be referred to the Association for review and recommendations before it is delivered to the Labor Relations Division.
- b. The City and the Association may agree to seek resolution of the grievance through mediation using the services of the State Mediation and Conciliation Service, prior to hearing by the Grievance Advisory Committee. Time limits for processing of the grievance are automatically extended as long as mediation is in process. The fees and expenses of the mediator shall be paid half by the City and half by the Association.

Step Four

- a. The Grievance Advisory Committee shall be composed of three (3) members: one selected by the Association, one selected by the City and the Chairperson. The Chairperson may be chosen either by mutual agreement of the Association and the City, or by the "strike" method from a list of neutrals provided by the State Mediation and Conciliation Service. If the Chairperson is selected by the strike method from the list of neutrals provided by the State Mediation and Conciliation Service, then the Grievance Advisory Committee shall be comprised of the selected neutral.
- b. From the date a grievance, otherwise meeting all criteria for the filing and processing of a grievance, reaches the Labor Relations Division, the Grievance Advisory Committee will attempt to convene within thirty (30) calendar days in order to hear the grievance. Any fees and expenses for the GAC shall be paid half by the City and half by the Association.
- c. The neutral and Grievance Advisory Committee shall be bound by the language of this MOU, City Administrative Orders, ordinances, rules and regulations, and department rules and regulations consistent therewith in considering any issue properly before them. The neutral and Grievance Advisory Committee shall be expressly confined to the precise issues submitted and shall have no authority to consider any other issue not so submitted. The neutral and Grievance Advisory Committee may not recommend changes in

established wages or benefits, nor recommend the payment of back wages or benefits to a date prior to the date of the incident which gave rise to the grievance.

- d. The Grievance Advisory Committee shall conduct a hearing and make a recommendation to the City Manager within thirty (30) calendar days of their last meeting.

Step Five

The City Manager or designee shall review the decision of the Fire Chief and recommendations of the Grievance Advisory Committee and shall render a final written decision to the grievant within twenty-one (21) calendar days after receipt from the Grievance Advisory Committee.

6. Failure of the grievant to file the grievance or an appeal within the specified time limit for any step of the procedure shall constitute an abandonment of the grievance.
7. Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant. All time limits herein may be extended by mutual agreement of the parties.

C. USE OF HEARING OFFICER IN DISCIPLINARY ACTION INITIATED BY CITY

Members may elect the alternative appeal procedure before a hearing officer instead of a hearing before the Civil Service Board, as provided in FMC Section 3-283.

D. IN LIEU OF SUSPENSION

By mutual agreement between the Fire Chief (with prior City Manager approval) or designee and the affected employee, an employee suspended from duty without pay may forfeit accumulated holiday, CTO, and/or vacation credits equal to the number of hours of suspension in lieu of the suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the appropriate amount of forfeited credits. This provision is not subject to the grievance procedure.

ARTICLE VI

DUES DEDUCTION

A. DUES CHECK-OFF

1. The City shall deduct the dues or benefit premiums, or both, following receipt of notice from the Association that authorization has been provided to the Association by members in the Unit. The City shall stop dues or benefit premiums, or both, upon receipt of notice from the Association that authorization has been provided to the Association by members in the Unit. Should there be a dispute regarding the deduction of dues, the Association shall provide the City with a copy of the authorization(s) signed by the employee.
2. A Dues Deduction Authorization may be revoked by a member in the Unit, and the dues or benefit deduction canceled by representation to the Association.
3. The Association, in consideration for and as a condition of the City withholding and transmitting payroll and benefit deductions authorized by this Section and in compliance with California Government Code §1157.12, shall indemnify and hold harmless the City of Fresno, its officers, and employees from any liability that may result from making, canceling, or changing requested deductions.
4. Upon written authorization by a retired member of the Association, the City shall deduct Association deductions, credit union deductions and benefit fund deductions from the retirement check of such retired member and forward such deductions as designated in such authorization.

B. EXCEPTIONS TO DUES DEDUCTION AUTHORIZATION

The Association member's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues deduction authorized. When a member is in a non-pay status for an entire pay period, no dues deduction shall be made from future earnings to cover that pay period, nor will the member deposit with the City the amount which would have been deducted if the member had been in a pay status during the pay period. In the case of a member who is in a non-pay status during only a part of the pay period and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.

C. DUES DEDUCTION

Dues deductions covering all such deductions shall be transmitted by electronic funds transfer to an account specified by Fresno City Firefighters Association Local 202.

ARTICLE VII

COMPENSATION AND BENEFITS

A. GENERAL

All economic benefits, provided by Council ordinance or formal Council resolution and not otherwise clearly and explicitly modified or restricted in this MOU, shall be continued without alteration during the term of this MOU. All economic benefit modifications in this MOU shall be effective **at the beginning of the pay period** * * * **of Council approval** * * *, unless explicitly stated otherwise in the MOU.

B. SALARIES

Employees in this unit active as of the date of MOU implementation, after City Council approval and the expiration of the waiting period for the Mayor's action provided in Charter Sections 605 and 609, shall have their salaries increased by three percent (3%) **effective at the beginning of the pay period of Council approval**, as reflected in Exhibit I attached hereto and incorporated by reference. * * *
2. **Effective December 29, 2025, if actual Fiscal Year 2025 Sales and Property Tax exceeds Fiscal Year 2025 estimated revenue of \$331.118 million by \$3.463 million or a total of \$334.581 million, the base rate of pay for all employees in this unit shall be increased by an additional one percent (1%), as reflected in Exhibit II, attached hereto and incorporated by reference.**
3. **Effective June 15, 2026, the base rate of pay for all employees in this unit shall be increased by one percent (1%), and shall be reflected on Exhibit III, attached hereto and incorporated by this reference.**

Effective December 23, 2019, any future cost-of-living adjustments ("COLA adjustments") for Career-Rank Average Method Deferred Retirement Option Program ("DROP") members and retirees who entered DROP or retired (not having entered DROP) from positions in this unit under FMC Section 3301(a)(9) prior to December 23, 2019, and whose COLA adjustments are calculated using the "F" Step of their respective rank, shall have their COLA adjustments calculated under FMC Section 3-301(a)(9) using the "G" Step salary in lieu of their "F" Step salary to determine average compensation.

35. COLA Adjustments for Final Three-Year Average Method DROP Members and Retirees

Effective December 23, 2019, any future COLA adjustments for Final Three-Year Average Method DROP members and retirees shall be calculated pursuant to FMC Section 3-302(g).

C. PENSION CONTRIBUTION

The following applies to an employee's pension contribution:

1. Pension Contribution:

- a. Effective September 5, 2016, the City discontinued payment of one percent (1%) of the employee's pension contribution for employees hired before July 14, 2014.
- b. Effective July 1, 2017, all employees hired before July 1, 2014 shall make an additional contribution equal to one percent (1%) of their pensionable compensation to the City of Fresno Fire and Police Retirement System, reducing the City contribution by a corresponding amount. In accordance with Internal Revenue Code Section 414(h)(2) and related guidance, the City shall pick-up and pay the contribution by salary reduction in accordance with this provision to the City of Fresno Fire and Police Retirement System. The employee shall have no option to receive the one percent (1%) contribution in cash. The one percent (1%) contribution paid by the employee will not be credited to an employee's accumulated contribution account nor will it be deposited into a member's Deferred Retirement Option Program ("DROP") account.
- c. All employees hired on or after July 1, 2014 shall make an additional contribution equal to three percent (3%) of their pensionable compensation to the City of Fresno Fire and Police Retirement System, reducing the City contribution by a corresponding amount. In accordance with Internal Revenue Code Section 414(h)(2) and related guidance, the City shall pick-up and pay the contribution by salary reduction in accordance with this provision to the City of Fresno Fire and Police Retirement System. The employee shall have no option to receive the three percent (3%) contribution in cash. The three percent (3%) contribution paid by the employee will not be credited to an employee's accumulated contribution account nor will it be deposited into a member's Deferred Retirement Option Program ("DROP") account.

- d. Applicability to DROP Members: Effective September 5, 2016, the City discontinued the supplemental one percent (1%) payment as salary to an employee who has entered DROP.

D. HEALTH AND WELFARE

The Fresno City Employees Health and Welfare Trust has the sole authority to determine the benefits that will be provided. The sole responsibility of the City under this clause is to provide a set percentage of the total premium for such benefits to be contributed to the Trust by the City on behalf of the employees represented by the Association.

The City contribution of the total premium shall be seventy percent (70%) and the employee share of the total premium shall be thirty percent (30%). Employees may opt to contribute the employee share through payroll deductions to make up the difference between the total premium and the City contribution to receive the maximum benefit coverage provided under the Trust or opt not to contribute the employee share and accept a reduced coverage option.

Should any other represented bargaining unit in the City negotiate a successor MOU, or extend the period of an MOU, or have terms imposed resulting in a greater contribution by the City (including maintenance of percentage contributions) the City, upon the Association's written request, will match that benefit.

E. UNIFORM ALLOWANCE

Employees shall receive one thousand seven hundred and fifty dollars (\$1,750) per year as a uniform purchase and maintenance allowance paid in a separate check in the first pay period in July. The uniform allowance provided above shall be pensionable compensation for the purposes of calculating pension benefits. The Department shall provide structure boots in accordance with Department policies.

Members who separate from City service shall receive their prorated service uniform allowance on their last paycheck.

F. OVERTIME/SHIFT REPLACEMENT, COMPENSATORY TIME OFF, AND PREMIUM PAY

1. Overtime/Shift Replacement

- a. Overtime/Shift Replacement hiring is governed by Fresno Fire Department Administrative Manual 101.002 Constant Staffing Policy, and may be modified, with prior City Manager approval, by mutual

agreement of the parties. Voluntary/non-voluntary overtime/shift replacement shall be processed on a rank-for-rank basis. If insufficient personnel are available, the overtime/shift replacement will be made available to the next lower rank.

- b. Payment of overtime/shift replacement worked shall be at the rate of one and one-half (1.5) times the employee's base rate of pay. Employees who are on CTO at the time they are also working overtime/shift replacement will be paid in cash.
- c. Employees will be compensated for training and travel time pursuant to the provisions of the Fair Labor Standards Act and City Administrative Orders.
- d. Employees on holiday time may be permitted to work available overtime/shift replacement in accordance with the Fresno Fire Department Administrative Manual 101.002 Constant Staffing Policy.
- e. Members may not work overtime/shift replacement except for mandatory holdovers and/or mandatory recalls while on scheduled or unscheduled Vacation Leave. Members may opt to cancel their scheduled or unscheduled Vacation Leave with at least one (1) calendar weeks' notice with the actual amount of Vacation Leave cancelled restored to their Vacation Leave bank, at which time they may work overtime/shift replacement. In the event an employee cancels their scheduled Vacation Leave, they may work within the process to reschedule Vacation Leave while adhering to the limitation of five (5) employees off per rank per day for uncovered shifts or opting to reschedule with a replacement if they have not exhausted the limitation of 288 hours per fiscal year.
- f. Upon return to the fire station by a crew which has been held over past its normal relief time (i.e., 0800 hours), crew members shall perform those duties necessary to be performed prior to being relieved from duty, as determined by the company officer. The time required for performance of such duties shall be compensated at the applicable overtime/shift replacement rate. The department may promulgate such rules and regulations as may be necessary to provide guidelines for activities required to be performed prior to relief.
- g. Off-duty employees reporting to work to fill a roster position outside of their regularly scheduled work shift shall be paid a minimum of two (2) hours at the overtime/shift replacement rate of pay.

On-duty employees who have previously agreed to work overtime, which commences at 0800 hours on the shift immediately following the shift that they are working, shall not be eligible for the two-hour minimum. In the event that the overtime/shift replacement period is cancelled or curtailed, the employees shall be paid only for the actual time worked.

- h.
