

## URBAN FORESTRY SUPERVISOR II

### **DEFINITION**

Under direction, plans, coordinates, and supervises the activities of the Fresno Municipal Tree Management Program.

### **SUPERVISION RECEIVED/EXERCISED**

The Urban Forestry Supervisor II receives supervision from the Public Works Manager or designee. This class exercises supervision over assigned staff.

### **DISTINGUISHING CHARACTERISTICS**

The Urban Forestry Supervisor II is a single position class that assists in the administration of the Fresno Municipal Tree Planting and Maintenance Program. The incumbent plans, schedules and manages the activities of the City's tree crews which are engaged in tree planting, pruning, removal, pest control and other tree care. The incumbent also coordinates the tree services provided by contractors. The Urban Forestry Supervisor II is distinguished from the Urban Forestry Supervisor I in that the incumbent of the latter is a first line supervisor and provides supervision to the City tree planting, trimming and maintenance crews.
