

Fall Back to One Day a Week Watering

Starting November 1, the outdoor water use schedule returns to one day per week.

- ✓ Odd addresses: Saturday
- ✓ Even addresses: Sunday
- ✓ No watering from 10 a.m. to 6 p.m.

Fall is also a great time to plant something new. Get \$2 per sq. ft. through the **Lawn to Garden Rebate** when you swap your front lawn for a water-wise landscape.

When Trash Goes in the Blue Cart, Costs Go Up

One wrong item in your recycling cart can send the whole load to the landfill - and that drives up costs for everyone.

Here's how to sort right:

- ✓ Only paper, plastics, metals, and glass go in the blue cart
- ✓ Place recyclables directly into the blue cart – do not bag them
- ✓ Plastic bags, wrappers, Styrofoam, and greasy containers go in the gray cart
