

**PARK EQUIPMENT MECHANIC I****DEFINITION**

Under supervision, performs minor maintenance, repair and service of grounds maintenance and landscape equipment including small engine repair; and performs related work as required.

**SUPERVISION RECEIVED/EXERCISED**

Receives supervision from a Manager or designee Exercises no supervision.

**DISTINGUISHING CHARACTERISTICS**

Park Equipment Mechanic I is the entry level class in the Park Equipment Mechanic series. Incumbents perform minor maintenance, service and repair on parks and grounds equipment. Equipment may include lawn mowers, edgers, sweepers, renovators, sod cutters, chain saws, leaf blowers, compressors, jack hammers, water pumps, cement mixers, pesticide and herbicide sprayers, and other standard and specialized non-automotive equipment.

Park Equipment Mechanic I/II positions are flexibly staffed. Incumbents are expected to progress to the experienced level of Park Equipment Mechanic II with appropriate training, experience and satisfactory performance. This classification is distinguished from the Park Equipment Mechanic II in that the latter functions at the journey level and independently performs maintenance and repair of parks and grounds equipment.

**EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES**
