

PRECISION CIVIL ENGINEERING, INC.

Your Local CEQA Expert

⊕ ABOUT US

PCE was founded in Fresno in 2002 and today we are an established, full-service firm with over 50 employees and a history of providing comprehensive solutions on a wide range of complex projects and issues. Our planners specialize in accelerating development success by strategically navigating the complexities of CEQA. For developers, the CEQA process is often the single greatest point of risk and delay. We can help transform this regulatory hurdle into a clear, predictable path to project approval.

WHY CHOOSE US

LOCAL REGULATORY INSIGHT

With a former City of Fresno planning leader on our team, Precision offers unmatched insight into agency processes, allowing us to anticipate needs early and accelerate project approvals

WE'RE YOUR LOCAL PLANNING PARTNER

Our planners live and work in Fresno, and our office is steps away from City Hall. We bring deep local insight, offering responsive support and direct accessibility throughout Fresno.

⊕ CORE SERVICES

Our Planning Division possesses a strong foundation in environmental planning principles and practices. Our team is proficient in performing environmental analyses in compliance with CEQA.

⊕ CONTACT US

Bonique Emerson, MAUP, AICP

VP of Planning Division | Senior Project Manager

Email: bemerson@precisioneng.net

Bonique Emerson has over 22 years of planning experience, specializing in complex CEQA compliance and entitlement processing. A significant portion of her career was spent within the City of Fresno Current Planning Division, where she advanced to Division Manager. In this leadership role, she was directly responsible for overseeing CEQA documentation for hundreds of development projects, including the management of multiple EIRs for large-scale projects. At PCE, Bonique leads the Planning Division, leveraging her unique insight into the Fresno regulatory process.

Jenna Chilingerian, MCRP, AICP

Senior Planner

Email: jchilingerian@precisioneng.net

Jenna Chilingerian brings more than 12 years of experience in planning, community and economic development, and program management in the nonprofit, public, and private sectors. At PCE, Jenna provides CEQA services for public and private sector projects, on-call planning and environmental services for local agencies, and development and entitlement services for private sector clients.
