

COMBINED NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the City of Fresno.

REQUEST FOR RELEASE OF FUNDS

On or about January 30, 2026, the City of Fresno as Responsible Entity (RE) will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Community Development Block Grant (CDBG) Program funds under Title 1 of the Housing and Community Development Act of 1974 (CDBG), as amended, to undertake a project known as: Maxie L. Parks HVAC Installation Project. The project is described as follows:

The City of Fresno is proposing to provide \$1,337,000 in 2025 Community Development Block Grant (CDBG) funds to the City of Fresno Parks, After School, Recreation & Community Services (PARCS) Department for the installation of new Heating, Ventilation, and Air-Conditioning (HVAC) units at the Maxie L. Parks Community Center, located at 1802 E. California Avenue, Fresno, CA 93706. The improvements fall under the HUD CDBG Matrix Code, 03F: Parks, Recreational Facilities 24 CFR 570.201(c) or 42 USC 5305(a)(2), which includes the improvements of open space areas or facilities intended primarily for recreational use and meets the CDBG Low Mod Area Benefit National Objective. The project will include the replacement of the current evaporative coolers with new packaged HVAC units, as well as upgrading the Pacific Gas & Electric (PG&E) services and generator to power the new infrastructure. The estimated project cost is \$2,833,851 funded in part by CDBG with the remaining balance funded through Measure P, a local funding source, and a state grant. The project as described represents the maximum extent of the undertaking at this time.

FINDING OF NO SIGNIFICANT IMPACT

The City of Fresno has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at Fresno City Hall, 2600 Fresno Street, Room 3065, Fresno, California 93721 (Attn.: Akio Lopez) and may be examined or copied weekdays from 8:00 A.M. to 5:00 P.M.

HUD approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City of Fresno to use CDBG program funds for the Maxie L. Parks HVAC Installation Project.
