

# YOUTH SCHOLARSHIP PROGRAM Q&A

## QUESTION #1:

We are interested in learning more about your youth scholarship or grant opportunities and how our organization may be eligible to apply. Specifically, we would appreciate guidance on the following:

1. Eligibility requirements for nonprofit organizations and the youth we serve
2. Allowable uses of scholarship or grant funds (e.g., registration fees, equipment, uniforms, camps)
3. Funding amounts and whether awards are issued per participant or per program
4. Application timelines, and required documentation
5. Reporting or compliance requirements associated with awarded funds
6. Whether scholarships are renewable or available on a recurring basis

## ANSWER #1:

Thank you for your question. Guidance on the listed items (a through e) can be found in the grant solicitation located here: [Youth Scholarship Grant Information](#). The selected non-profit organization(s) will enter into a 12-month grant agreement with the City of Fresno. Scholarship renewal is contingent upon the availability of funding.
