

3-Day Outdoor Water Use Schedule Starts April 1

Starting April 1, outdoor watering returns to three days per week.

YOUR WATERING DAYS:

Addresses Ending in Even Numbers (0, 2, 4, 6, 8): Water on Wednesdays, Fridays and Sundays

Addresses Ending in Odd Numbers (1, 3, 5, 7, 9): Water on Tuesdays, Thursdays and Saturdays

No watering on Mondays or any day between 10 a.m. – 6 p.m.

The 3-Day Outdoor Water Use Schedule runs through October 31.

Spring is a great time to plant something new!

Kitchen Habits That Help

Dispose of fats, oil, and grease (FOG) and food waste in the appropriate carts — not down your drain.

Cool FOG, collect it in a sealed glass or metal container, then place it in your **gray cart**.

Wipe greasy pans before washing. Paper towels or napkins used for wiping can be tossed in the **green cart**.

Toss food waste in your **green cart**, not in the garbage disposal.
