Household Hazardous Waste

Spring Cleaning? Dispose with Care

Some everyday items can harm people, pets, and the environment if disposed of the wrong way.

Household Hazardous Waste (HHW) includes:

- » Household cleaners and chemicals
- » Paint, stain, and solvents
- » Batteries and fluorescent bulbs
- » Pesticides and weed killers
- » Sharps (needles and lancets)

Dispose of HHW Safely

Use a Household Hazardous Waste drop-off to keep these items out of the landfill. Call the Recycling Hotline at (559) 621-1111 for more information.
