ANALYSIS OF ENTERPRISE OPERATING FUNDS

Actual revenues and expenditures for Enterprise Operations are recorded on the cash basis of accounting for monthly financial reporting purposes: meaning, revenues are recognized when the cash is receipted and expenses are recognized when the cash is paid. This can result in material timing differences, particularly when grants are involved. Most grants require the City to incur the expenditure before obtaining reimbursement from the granting agency. Transportation/FAX has significant grant-related revenue sources and will accordingly see the greatest impact as a result of these timing differences.

The budgeted figures for Fiscal Year 2026 were established to support the ongoing operations and anticipated capital improvements for each enterprise. The budgeted revenue figures include estimated carryover from the prior year. Actual carryover amounts from Fiscal Year 2025 to Fiscal Year 2026 will be reflected in a future monthly report.
