

May is Historic Preservation Month in Fresno

AMERICA 250

BUILDING COMMUNITY THROUGH PRESERVATION

As a part of National Historic Preservation Month, Fresno will celebrate the places, people & events that are significant in our history with a full list of available activities for the month. The public can enjoy stepping inside some of our prestigious buildings for a peek at the mastery of design & architecture of the past, as well as dine & drink at some of our historic restaurants & cafes, & soak in the information from educational workshops, tours & lectures. Most activities are free & open to all ages, unless noted otherwise.
