

Your Annual Water Quality Report Is Now Available

In 2025, your drinking water from the City of Fresno met all state and federal water quality standards.

The 2025 City of Fresno Water Quality Report is now available. Visit **Fresno.gov/WaterQuality** to download your copy. The report is also available in Spanish, Hmong, and Punjabi. To request a copy or ask questions, call 3-1-1 or (559) 621-CITY (2489).
