

Free Dump Event Proof of Eligibility Form

Participation in the City of Fresno's Free Dump Events is limited to City of Fresno residents who pay for City of Fresno solid waste collection services. A City of Fresno Department of Public Utilities bill **and** a State-issued ID are required for proof of eligibility.

In the event that a tenant is not the property owner, and is not the customer of record on the account, a Proof of Eligibility Form can serve as a substitute for the utility bill.

For more information about the Free Dump Events, please call 3-1-1, or (559) 621-2489 if you are outside the city limits.

September 12 & 13, October 17 & 18, and November 14 & 15, 2026
