

Athletic Facility Reservation Policy

Effective Date: March 17, 2026

PURPOSE

To establish policies and procedures governing the use of athletic facilities maintained and managed by the City of Fresno.

The purpose of this policy is to help further Measure P through the Youth and Senior Recreation Programs; as well as the goals of the Parks Master Plan by guiding access, reservations, and use of the City's athletic facilities by residents, community organizations, businesses, and nonresidents and provide equitable and reasonable access to public facilities.

POLICY

Adults and children of all ages can enjoy our variety of athletic facilities. The City of Fresno offers athletic facilities across 42 park locations with multi-use fields, multi-surface courts, gymnasiums, and more.

Reservations are required for exclusive facility use and encouraged for any repetitive, organized use of athletic facilities maintained or managed by the City. Exclusive use of a facility requires making a reservation and is subject to fees, security deposits and insurance requirements. Reservations will take priority over non-reservation use including drop-ins. No person or group shall interfere with the use or activity of any area assigned to another group or person that has a reservation.

Applicant/representative is responsible for all activity conducted during the reservation period by teams, observers, parents, coaches, coach assistants, referees, umpires, friends, families, visitors, etc. The Applicant must be reachable during the application process and present during all reserved dates.

Reservations may only be used for the approved activity. Failure to disclose relevant information, including but not limited to gate fees, snack bar usage, extended hours, and other applicable details, may result in additional fees or the potential cancellation of your reservation in accordance with this Policy or current Master Fee Schedule.

The Department will follow the criteria below when reviewing requested dates and potential scheduling conflicts. Allocations will be made based on total score using the following scoring criteria:

The decision rendered by the PARCS Director (or their designee) shall be final. Failure by any person, entity, or group to follow this required appeal process constitutes a waiver of the right to challenge the City's decision

Inclement Weather & Commitment to Safety

The City of Fresno reserves the right to cancel facility reservations and/or prohibit use of equipment in emergency situations or when deemed necessary by a Director, Manager or Supervisor as a safety precaution, i.e. – declared national weather emergency, outdoor darkness, criminal activity, temperature including excessive heat advisories, poor air quality etc. If the City cancels a reservation, a refund will be processed, and the \$15 processing fee will be waived.

The City of Fresno adheres to declared national weather emergencies issued by the National Weather Service. Activities in the City are often impacted by excessive heat warnings. Excessive heat warnings from the National Weather Service will be issued within 12 hours of the onset of extremely dangerous heat conditions. The general rule of thumb for this warning is when the maximum heat index temperature is expected to be 105° or higher for at least 2 days and nighttime air temperatures will not drop below 75°; however, these criteria vary across the country, especially for areas not used to extreme heat conditions. The City will track the temperature for excessive heat warnings at the Fresno Yosemite International Airport as this is a central location to the City. In the event of an excessive heat warning, the city will notify reservation holders of cancellation.

The City abides by San Joaquin Valley Air Pollution Control District's Real-time Air Advisory Network (RAAN) when monitoring the Air Quality Index. According to RAAN's Real-time Outdoor Activity Risk guidelines no outdoor activity shall be conducted when the outdoor activity risk reaches level 5. The air quality reaches level 5 when the PM2.5 range is >75 µg/m³ and the Ozone range is >115 ppb. For more information please visit: <https://www.valleyair.org/myraan/raan3.aspx>. In the event of a level 5 air quality day, the city will notify reservation holders of cancellation.

If it rains on the date of reservation, reservations may be transferred to another date within 2 weeks of the original reservation date pending availability, or the fee may be forfeited. The reservation holder must contact the PARCS Department by email at reserve@fresno.gov or 559-621-PLAY(7529) within 3 business days of the rained-out reservation to request a transfer, or the fee may be forfeited.
