Nothing in this Agreement or in any other document shall limit the right of Employee or the City Attorney to terminate the at-will employment relationship. No elected official, supervisor, employee, or agent of City has any authority to enter into an agreement with Employee for employment for any specific period of time or to make an agreement for employment other than at-will.
- B. Employee's employment status with City shall remain at-will as defined by California law, regardless of the length of employment, past raises, promotions or promises of continued employment by any agent or employee of City.

- B. Employee agrees to abide by all applicable City rules, policies, practices, and procedures in the performance of Employee's duties.

C. Nothing in this Agreement shall prevent, limit, or otherwise interfere with the right of the City Attorney to terminate the services of Employee subject only to the provisions of this Agreement.

D. Nothing in this Agreement shall prevent, limit, or otherwise interfere with the right of Employee to resign at any time from employment with City.

E. Nothing in this Agreement shall preclude the termination of this Agreement by mutual consent of both parties.

F. Employee shall work a regular work schedule, as determined by the City Attorney.

G. The parties acknowledge Employee will be remote working from outside of the City of Fresno. In light of those circumstances, the following special terms will apply:

(1) Employee will work a regular 8-5, Monday through Friday, schedule, except as provided in the City's holiday schedule or consistent with office policies, as amended from time to time, with leave and flex opportunities that may be approved by the Chief Assistant of the Transactions Unit, or City Attorney, and be available just as if Employee were physically in the office. (2) Employee will not be provided office space in City Hall.

(3) Employee will be provided equipment necessary for remote working, along with reimbursement for a high-speed internet connection, supplies, and anything else required by the office.

The City will provide the necessary technology. The hot line responses will be expected to be provided at reasonable times, for example, 7 a.m. to 7 p.m., particularly the day prior to or during Council meetings, beyond normal work hours, including occasional evenings and weekends. It is not intended that Employee cannot schedule personal matters during regular non-work hours, though.

SECTION 3. SALARY AND BENEFITS

A. The Council of the City of Fresno has adopted a Salary Resolution, which provides a salary range for the Position. The salary and benefits set forth herein are within the authority provided in the current Resolution, as amended.

B. In consideration for Employee's performance of Employee duties under this Agreement, beginning (or continuing) on the effective date, City shall pay Employee an annual base salary of \$186,000 payable in installments as other Non-Represented Management-Confidential

employees of City are paid, and in accordance with applicable law, rules, and other regulations, such as the City Salary Resolution. Should City implement a wage reduction for all Non-Represented Management-Confidential employees during the life of this Agreement, Employee's base pay will be reduced by the same percentage (i.e., City-wide employee application).

C. City shall provide Employee, at minimum, use of a City issued laptop computer for business use.

D. Employee may participate in City's deferred compensation plan through voluntary payroll deductions.

City reserves the right to modify, suspend, or discontinue any and all of the above benefits at any time without notice to or recourse by Employee as long as such action is taken with respect to all Non-Represented Management-Confidential Employees in City (City-wide employee application). Nothing in this Agreement shall be construed as requiring City to establish or continue any particular plans in the discharge of its obligations under this Agreement.

F. City and Employee understand annual performance evaluations are an important part of maintaining adequate communications between City and Employee and City therefore agrees Employee shall be evaluated by the City Attorney during each fiscal year. The time and place of Employee's evaluation shall be at the discretion of the City Attorney. A copy of a written evaluation shall be delivered to Employee. Employee shall have the right to respond orally and/or in writing to the evaluation. Within thirty days of the delivery of the written evaluation to Employee, the City Attorney shall meet with Employee to discuss the evaluation; however, failure to evaluate Employee as set forth in this provision shall not be considered a breach of this Agreement.

G. Employee may receive additional merit base pay in recognition of excellent performance, as determined solely by the City Attorney.

H. Employee shall be entitled to a monthly auto allowance of \$300, or such other amount provided to other City employees at the Assistant Director level, whichever is higher.

SECTION 4. TERMINATION AND SEVERANCE PAY

A. Employee's employment shall be subject to the absolute and sole discretion of the City Attorney. Employee may be reassigned or terminated at the will of the City Attorney at any time for any legal reason whatsoever or for no reason at all, as provided in Section 1 of this Agreement.

B. In the event of termination, Employee shall be paid severance in an amount equal to six months of base salary. In addition, in the event of termination, all benefits under the Health and Welfare Trust for Employee shall continue for six months, and City shall pay the employer's contribution to maintain all benefits for those three months. Severance pay shall not be utilized for retirement credit and no additional benefits (e.g., supplemental sick leave, sick leave, annual leave, administrative leave, or car allowance, if any) will accrue or be owed during the six month severance period.

C. This Agreement shall terminate immediately and City shall not be obligated to make any severance payment upon the occurrence of any of the following events:

(1) Upon the death of Employee;

(2) Upon medical determination that Employee is unable to perform the essential functions of the Position with or without a reasonable accommodation, due to a mental, physical, or other illness or disability for a period of 6 months or longer;

(3) In the event Employee is terminated because of misconduct or malfeasance, which the City Attorney determines is related to the effective performance of Employee's official duties, including but not limited to criminal conviction of a serious misdemeanor or any felony, or conviction of any crime that would prevent Employee from performing Employee's duties, including but not limited to criminal conviction in office or position;

(4) In the event Employee is convicted of any felony or felonies, including Employee's guilty plea or no contest plea (i.e., *nolo contendere* plea) to any felony charge; or

(4) Upon Employee's resignation or retirement of employment.

D. If this Agreement is terminated, any severance or cash settlement related to the termination Employee may receive from City shall be fully reimbursed to City if Employee is convicted of a crime involving an abuse of Employee's office or Position, as defined in California Government Code §53243.4, which currently defines "abuse of office or Position" as either: (1) an abuse of public authority, including, but not limited to, waste, fraud, and violation of the law under color of authority; or (2) a crime against public justice, including, but not limited to, a crime described in Title 7 (commencing with Section 92) of Part 1 of the Penal Code.

SECTION 5. PROFESSIONAL DEVELOPMENT

City shall pay the professional dues, subscriptions, and incidental business expenses of Employee reasonably necessary for Employee's full participation in the California Bar Association and to comply with Mandatory Continuing Legal Education as required for Employee to comply with the continuing legal education requirements set forth by the California State Bar. To the extent the City Attorney deems it necessary, City shall cover all other national, regional, state, and local associations and organizations desirable for Employee's continued professional participation, growth, and enhancement or for the good of City.

SECTION 6. INDEMNIFICATION

City shall defend, save harmless, and indemnify Employee against any tort, professional liability claim or demand or other legal action, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of Employee's duties. City will compromise and settle any such claim or suit and the amount of any settlement or judgment rendered thereon. Said indemnification shall extend beyond termination of employment, and the otherwise expiration of this Agreement, to provide full and complete protection to Employee as described herein, for any acts undertaken or committed in Employee, regardless of whether the notice of filing of a lawsuit for such tort, claim, demand, or other legal action occurs during or following Employee's employment with City.

SECTION 7. ARBITRATION OF DISPUTE

A. In the event of any dispute involving any provision of this Agreement, or any dispute regarding Employee's employment with City or termination from City (with the exception of claims for workers' compensation, unemployment insurance and any matter within the original jurisdiction of the California Labor Commissioner), including, but not limited to, a claim of

constructive discharge, retaliation, wrongful termination, discrimination, or harassment, Employee and City agree to submit any such dispute to non-binding arbitration, pursuant to the provisions of the California Code of Civil Procedure, commencing at Sections 1280 et seq. (or any successor or replacement statutes).

B. Employee shall have the opportunity to seek all relief that would otherwise be available in law or equity.

C. The arbitration provision shall not relieve Employee of obligation to timely pursue an administrative or governmental claim within the jurisdiction of any administrative or public agency (e.g., the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the City of Fresno, etc.) before asserting any such claim against City.

D. If Employee and City are unable to agree on the selection of a neutral arbitrator, City, at its discretion and cost, shall obtain a list of at least three arbitrators from the State Mediation and Conciliation Service or American Arbitration Association. Employee (first) and then City, will alternately strike names from the list until only one (1) name remains; the remaining person shall be the arbitrator. Arbitration proceedings shall be held in California at a location mutually convenient to Employee and City, but not outside of Fresno County unless mutually agreed to by Employee and City.

E. Employee and City agree that each party shall be entitled to pursue discovery, including written discovery and depositions, which is sufficient to adequately arbitrate their claims. However, absent consent from the arbitrator for good cause shown, discovery initiated by each party shall not exceed three (3) depositions, 35 interrogatories, 35 requests for production and 35 requests for admissions, save and except requests to authenticate any document. The arbitrator shall hear and resolve any discovery disputes between the parties, and is empowered to award discovery sanctions pursuant to the California Code of Civil Procedure.

F. Following a hearing conducted by the arbitrator, in a manner mutually agreed to by the parties or as determined by the arbitrator, the arbitrator shall issue a written opinion and award, if applicable, which shall be signed and dated. The arbitrator shall be permitted to award only those remedies in law or equity that are requested by the parties and that the arbitrator determines to be supported by credible, relevant evidence.

G. The arbitrator's opinion will be subject to judicial enforcement or review pursuant to California Code of Civil Procedure Sections 1285, et seq.

H. Except as provided by statute, Employee and City shall each bear their own costs incurred for legal representation as part of any such arbitration. City shall bear all reasonable costs of the arbitrator, court reporter, if any, and any related costs of arbitration, except to the extent Employee would have been required to pay such costs (e.g., filing fees, court reporting fees at deposition and at trial, or discovery sanctions) if said claim were to be litigated in a court of law.

I. Employee and City hereby agree this Section 7 shall survive the termination of Employee's employment and shall survive the termination and/or expiration of this Agreement.

J. The failure or delay of City at any time or times to require performance of, or to exercise any of its power, rights or remedies with respect to any term or provision of this Agreement or any other aspect of Employee's conduct or employment in no manner (except as otherwise expressly provided herein) shall affect City's right at a later time to enforce any such term or provision.
