City of FRESNO PUBLIC UTILITIES

Protect Your Pipes from FOG and Food Scraps

Holiday cooking can mean extra fats, oils, grease (FOG) and food scraps. Keep them out of your drains to help prevent costly clogs in your home's plumbing and the City's sanitary sewer system.

KITCHEN HABITS THAT HELP

Cool FOG, collect it in a sealed glass or metal container, then place it in your **gray cart**.

Wipe greasy pans before washing. Paper towels or napkins used for wiping can be tossed in your **green cart**.

Toss food waste in your **green cart**, not in the garbage disposal.

Yog xav tau kev pab thov hu tuaj rau 3-1-1 los yog (559) 621-2489.
